COMMON COUNCIL.

BOARD OF ALDERMEN.

COUNCIL CHAMBER, CITY HALL, New Orleans, Tuesday, Feb. 25, 1862.

The Board met this day pursuant to adjournment. Members present: Hon. S. P. Delabarre, President ... Messrs. Cox, Forstall, Robin, Stith and Wiltz ...

The minutes of the previous meeting were read and approved. The following communication was received and referred to the Finance Committee:

MAYORALTY OF NEW ORLEANS, City Hall, Feb. 25, 1862.

To the Honorable the Common Council:

... aware of the fact that his Excellency ..., Governor of the State of Louisiana, has ... the First and Second Brigades Louisiana Volunteer ... to be ready to take the field at twenty-four hours notice, to meet the brave Beauregard in driving back our natural enemy from the threshold of our city. Now ... of the necessity for a prompt response upon the part of those who are able to bear arms.

In the brigades alluded to there are some fifty or more police officers who are not only willing, but anxious, to throw themselves into the breach, to the ... and strike a blow in defence of the country, the State, the city and their families. But a large number of these officers have families, wives and children, mothers and sisters, who are dependent upon them for their living upon the salaries the police officers receive.

In view of the fact that the time they are to be absent will be necessarily short, as I deem, the brigades spoken of are only wanted to defend Columbus, and the insistence of their families, I would respectfully suggest that provision be made by the Common Council, so that those police officers who have families dependent upon them may be assured that their salaries will be paid to their families during their temporary absence.

Respectfully,

JOHN T. MONROE, Mayor.

The rules being suspended, Mr. Wiltz offered the following resolution, which was read and adopted:

Resolved, That the Common Council pledges itself to supply the necessities of life to the families of all citizens of New Orleans who may enter into active service.

Yeas—Messrs. Cox, Forstall, Robin, Stith and Wiltz—5.

Nays—Mr. Delabarre—1.

Mr. Delabarre gave the following as his reason for having voted in the negative:

I voted against the resolution as presented upon its passage, deeming that so wide a privilege of expenditure ... may prove injurious instead of beneficial.

S. P. DELABARRE.

Mr. Wiltz moved that the foregoing resolution be sent to the Assistant Board. Carried.

Yeas—Messrs. Cox, Forstall, Robin, Stith and Wiltz—5.

Nay—Mr. Delabarre—1.

Mr. Delabarre objected on the ground that no resolution or ordinance passed by one Board could be acted on by the other Board of the same day, unless by unanimous consent.

The objection was overruled by the Chair, and the foregoing resolution was sent to the Assistant Board to be concurred in.

The following communication was read:

BOARD OF ASSISTANT ALDERMEN, Tuesday, Feb. 18, 1862.

To the Honorable the President and Members of the Board of Aldermen:

These resolutions need no explanation. Their importance will at once strike every mind. The grounds and checks thrown around the disbursements of the money proposed to be raised, taken in connection with the high character of the gentlemen composing the "Committee of Safety," furnish sufficient guarantee that the management of this fund will be a wise and prudent one.

Without the assistance asked for, the usefulness of the committee will be seriously impaired ... the committee ... to contribute important aid in completing the defences and ... the city.
