WILSON'S · MODERN · BUSINESS · COLLEGE

SEATTLE, WASHINGTON

Sensible English

Is but one of the departments of this school. Here those of neglected education, or those wishing to review common English branches are accommodated. We also have the following departments:

Bookkeeping, Shorthand and Typewriting, Penmanship and Drawing, Individual Desk

Experience, a firm purpose, love for the work, and a recognition of the demands of a business career, have developed here an up-to-date, practical business training school. Four practical business men as teachers. Send for the Practical Fellow. Address:

JUDSON P. WILSON, President.
