NONE SO EFFECTUAL.—The lessons of experience are the most reliable, and, if not too costly, are sought after by the practical. The following is the voluntary testimony of a worthy and well-known Physician, relative to his experience of the efficacy of B. A. FAHNESTOCK'S CELEBRATED VERMIFUGE, during a practice of twenty-five years:
GRENADA, Miss., May 23, 1853.
Messrs. B. A. Fahnestock & Co.:
Gents.—I am one of those old ridicule backward in giving certificates, but in the present instance consider it due to humanity to say, that I have been engaged in the practice of medicine for twenty-five years, and have not met with any remedy so effectual for Worms as your Vermifuge. In adults, even in cases of Fever, I sometimes use it to carry off calomel taken the previous night, and often find the sit evacuations and worms to follow. I use no other Vermifuge in my practice, and desire no better. Respectfully,
[Signed] W. M. HAWKINS.

Ayer's Cherry Pectoral.

TO CURE A COLD, WITH HEADACHE AND SORENESS OF THE BODY—take the CHERRY PECTORAL on going to bed, and wrap up warm, to sweat during the night.
FOR A COLD AND COUGH, take it morning, noon, and evening, according to directions on the bottle, and the difficulty will soon be removed. None will long suffer from this trouble when they find it can be so readily cured. Persons afflicted with a seated cough, which breaks them of their rest at night, will find by taking the CHERRY PECTORAL on going to bed, they may be sure of sound, unbroken sleep, and consequent refreshing rest. Great relief from suffering, and an ultimate cure, is afforded to thousands who are thus afflicted, by this invaluable remedy.
From its agreeable effect in these cases, many find themselves unwilling to forego its use when the necessity for it has ceased.
TO SINGERS AND PUBLIC SPEAKERS this remedy is invaluable, as by its action on the throat and lungs, when taken in small quantities, it removes all hoarseness in a few hours, and wonderfully increases the power and flexibility of the voice.
ASTHMA is generally much relieved, and often wholly cured by CHERRY PECTORAL. But there are some cases so obstinate as to yield entirely to no medicine. CHERRY PECTORAL will cure them, if they can be cured.
BRONCHITIS, or irritation of the throat and upper portion of the lungs, may be cured by taking CHERRY PECTORAL in small and frequent doses. The uncomfortable oppression is soon relieved.
FOR CROUP. Give an emetic of antimony, to be followed by large and frequent doses of the Cherry Pectoral, until it subdues the disease. If taken in season, it will not fail to cure.
WHOOPING COUGH may be broken up and soon cured by the use of Cherry Pectoral.
THE INFLUENZA is speedily removed by this remedy. Numerous instances have been noticed where whole families were protected from any serious consequences, while their neighbors without the Cherry Pectoral, were suffering from the disease.
Repeated instances are reported here of patients who have been cured from
LIVER COMPLAINTS by this remedy, so many that there can be no question of its healing power on these diseases. It should be perseveringly taken until the pain in the side and other unpleasant symptoms cease.

IT IS A FACT, established beyond the shadow of doubt, by the experience and testimony of the most eminent physicians, more than three-fourths of the diseases with which children are afflicted are caused by Worms, and thousands of children die annually from those diseases, when the cause is either not known or attributed to something else. Various are the preparations which have been recommended as remedies for Worms, but experience has proved them all more or less ineffectual; the end however has at length been attained, and a remedy found which has never failed to destroy Worms, wherever they have existed. This assertion is supported by the testimony of the most eminent physicians and respectable individuals in the country. The remedy is

WINER'S CANADIAN VERMIFUGE, WARRANTED PURELY VEGETABLE.
It is safe in its operation, and more easily administered than any other. Some of the symptoms which indicate the existence of the Worms in the bowels are as follows: the countenance is pale, of a leaden color, and suffused with occasional flushes; the eyes are heavy and dull, the breath fœtid, the upper lip swollen, itching in the nostrils, which cause the patient to pick his nose; the sleep is disturbed, the patient often awakening in great fright, and is liable to starting and grinding the teeth; the appetite exceedingly irregular, being sometimes voracious, other times, and in some instances it is depraved.
To the following certificates numerous might be added, but it is believed that these are sufficient to establish the fact that WINER'S CANADIAN VERMIFUGE IS A SUPERIOR REMEDY FOR WORMS.
MEDICAL EVIDENCE.
We, the undersigned, having frequently administered a medicine prepared by Mr. John Winer, of this town, designated J. WINER'S CANADIAN VERMIFUGE, and being fully satisfied with its efficacy, confidently recommend it as a safe and efficient remedy for the expulsion of Worms from the intestinal canal. G. O'REILLY, Licentiate of the R. C. of Surgeons, Ireland, etc. G. W. DICKINSON, Member of the R. C. of Surgeons in London, etc.
FROM THE REV. J. FLANAGAN, OF BANBROOK, C. W.
J. WINER—SIR: I have made the trial of your Canadian Vermifuge and with the most happy results. In my own family, and in every case which has come to my knowledge, the expulsion of Worms has followed the administering of your Vermifuge, and every one here prefer it to any other, as its effects are certain, and children take it more readily, which is a great point gained in giving medicine to children.
July 18, 1845. JOHN FLANAGAN.
Physicians generally now use WINER'S CANADIAN VERMIFUGE. This medicine is a simple vegetable preparation, and can always be administered with perfect safety and confidence as to the result, as it will always destroy Worms and restore the patient to health.
Over one thousand certificates have been sent to Agents from planters, merchants and physicians, bearing testimony to the efficacy of this infallible remedy. Warranted in all cases.

JOHN BULL'S FLUID EXTRACT OF SARSAPARILLA.—This invaluable remedy is already cast ... to the hearts of thousands, and is daily giving that consolation to the afflicted than could be afforded by all the wealth in the mines of California and the world combined. It is put up in full quart bottles, and combines the strength of six times as much pure Honduras Sarsaparilla as any similar preparation made in America.
Price—$1 per bottle, or six bottles for $5.
It has been a well established fact for years past that Sarsaparilla, when pure and properly prepared, was the only true panacea for all diseases originating from an impure state of the blood, the use of mercury, intoxicating drinks, evil habits in youth, barrenness, etc. We boldly assert that JOHN BULL'S FLUID EXTRACT OF SARSAPARILLA is the only preparation before the public that is prepared on strictly scientific principles and of uniform strength. The Sarsaparilla is purchased with regard to price, and every pound, before being used, is subjected to the strictest chemical tests, and its genuineness ascertained before being used.
Bull's Sarsaparilla also contains the virtues of several other valuable medicinal roots, together forming the best compound and producing the greatest curative agent in the known world.
GOOD TESTIMONY.
The Ohio State Journal, Columbus, Ohio, thus speaks of Bull's Sarsaparilla:
"It has no equal. The unprecedented sale of Bull's Compound Fluid Extract of Sarsaparilla in this city, where it has been introduced for the past two months only with the very gratifying effects produced upon all who have tried it, warrant the assertion that as a purifier of the blood it has no equal. This is a bold assertion, but the can be substantiated by all ... in the city."
Bear with us, reader, a little longer, and be convinced that Bull's Sarsaparilla is the
WONDER OF THE WORLD!
and that it will cure you, no matter how long you have been suffering.
What Dr. Owen, Druggist and Apothecary of several years standing, says about Bull's Sarsaparilla:
LOUISVILLE, May, 1848.
MR. JOHN BULL—*Dear Sir:* I have been for several years severely afflicted with a Mercurial Headache and a soreness pain in my Liver. I used almost all the remedies of the day, especially the Sarsaparillas prepared by different persons, but all to little or no advantage, until I chanced to meet with yours, three bottles of which gave me entire relief than all the others combined.
I therefore take pleasure in recommending your Sarsaparilla to the afflicted community as a superior article.
Very respectfully, J. H. OWEN, M. D.
RHEUMATISM.
Let all those who are suffering under the agonizing tortures of Rheumatism read the following and see what also may be done for them, if they will use this invaluable remedy:
MR. JOHN BULL—*Dear Sir:* For the last three years I have been afflicted with Rheumatism of the severest character. I was at times in the greatest agony of pain; I tried every remedy I could procure for the disease, but found no permanent relief until I was induced to use your preparation of Sarsaparilla, which has entirely cured me of Rheumatism and greatly improved my general health, more than any medicine I have ever used. I have now been free of pain for several months, and have no doubt the cure is permanent, and I confidently recommend it as being the best medicine in use for Rheumatism. ISHAM BRIDGES.
Uniontown, Union county, Ky., May 18, 1848.
FROM DR. WM. T. PRENTISS.
MR. BULL—I regard to your Sarsaparilla, I will say that I have used it to some extent in cutaneous affections of long standing, as Tinea Capitis, Lepra, Prorasis, Scabies, Syphilitic Cachexia, and in all diseases where the indication of cure seems to consist in a thorough change or modification of the fluids of the body, with considerable success, in conjunction with local treatment. I think would prefer it to any other preparation of Sarsaparilla in use, and any physician will admit its value upon learning the substances that enter into its composition.
Respectfully, yours, W. T. PRENTISS, M. D.
Lewisport, Ky., December 4, 1847.
NOTICE TO FEMALES.
John Bull's Sarsaparilla is one of the greatest Female Medicines now in existence. In those numerous cases where the constitution is debilitated, the nervous energy is lessened, when the efforts of nature are weak and deficient, or are profuse or overwrought, when the face is pale and colorless, the strength feeble and yielding, the spirits troubled and depressed, the health broken, mind shaken, and consequently the happiness destroyed, then Bull's Sarsaparilla is a sovereign remedy. It assists nature in the performance of her duty, braces the whole system, renews permanently the natural energies, removes obstructions, checks excesses, restores pure and healthy blood, and imparts health and happiness. Were ladies generally to adopt the use of this medicine, we would see far less suffering, disease and unhappiness among them than now exist; health would take the place of disease, the rosy cheek would succeed the pallid face; we should have smiles instead of tears, and perhaps a long life, instead of one cut short by disease, or made miserable from continued suffering and affliction. At that critical period termed the "turn of life," which is often attendant with so much danger, Bull's Sarsaparilla is found to exert a most beneficial effect. All ladies approaching this crisis should be apprised of this fact, and avail themselves of this valuable medicine.
A BEAUTIFUL CLEAR SKIN.
How we all admire a clear, beautiful white skin, and a rosy, cold cheek! How often do we see persons not possessing this desideratum to devoutly to be wished, resorting to cosmetics, lotions, washes, paints and coloring materials, to restore to their faces a semblance of that which disease has deprived them of, and that, too, often times, with manifest injury to the skin! The fact is, Bull's Sarsaparilla is the best cosmetic known. It makes the skin clear upon the correct and only true principle, not by coating the surface with poisonous or deleterious matter which serves to close the pores and check a natural perspiration, but by removing every particle of bilious, morbid and deleterious matter from the blood, making the same pure, healthy and vigorous, giving activity to every minute vessel, and changing the yellow, dark and sallow countenance to the bloom and freshness of youth. If the ladies generally could be apprised and convinced of this fact, they would abandon the use of all paints, mixtures and lotions, and use the only effectual one. "A word to the wise is sufficient," and a hint is enough for the lady.
BETTER TESTIMONY THAN WAS EVER OFFERED IN FAVOR OF ANY MEDICINE!
FROM DR. JAMES M. MOORE.
MR. JOHN BULL—I have no hesitation in saying that I believe your Sarsaparilla to be the best article ever manufactured for the cure of Scrofula, Syphilis, and many other cutaneous and glandular affections, having used it with entire success in a number of the above cases.
Louisville, December 25, 1847. JAMES M. MOORE.
MORE TESTIMONY FROM DR. MOORE.
MR. JOHN BULL—I am using your Sarsaparilla in several new cases of Scrofula, and with happy effect. I am now confident it is one of the most efficacious medicines that can be made for that disease.
Winchester, Ky., Feb. 1, 1848. JAMES M. MOORE, M. D.
Testimony like the following renders superfluous all further comments upon the efficacy of Bull's Sarsaparilla:
FROM DR. L. P. YANDELL, PROFESSOR OF CHEMISTRY IN THE LOUISVILLE MEDICAL COLLEGE.
I have looked over the list of ingredients composing John Bull's Compound Extract of Sarsaparilla, and have no hesitation in saying that they form a safe compound, and one that promises well in chronic diseases, to which it is applicable. L. P. YANDELL, M. D.
Louisville, June 6, 1848.
What Dr. Pyles, Physician by appointment of the Louisville Marine Hospital, says of Bull's Sarsaparilla:
LOUISVILLE, March 30, 1848.
I have examined the prescription for the preparation of John Bull's Sarsaparilla, and believe the combination to be an excellent one, and well calculated to produce an alterative impression on the system. I have used it both in public and in private practice, and think it the best article of Sarsaparilla in use. M. PYLES, M. D., Resident Physician at the Louisville Marine Hospital.
This Medicine is daily grappling with disease through the Western country, restoring to blooming health and youthful vigor the sick and afflicted—nay, those that are grievously tormented.
Certificates are teeming from all directions from men of truth and high moral standing, placing it, from its intrinsic worth, the very best of all remedies ever before the public.
Sold wholesale and retail, by JOHN BULL, At his Principal Office, 81 Fourth street, and by the Druggists generally in the city and country.
