QUALITY WILL TELL

NOWHERE can quality be made to express care and skill more than in laundering. You can get clothes *washed* anywhere. But steam laundering means more than washed. It means, 1st—thorough cleansing with steam and harmless soap; 2d—finishing by good machinery and skilled labor. Plain clothes show the result as well as fancy articles. If the owner in any case shall fail to do such work as ordered or as herein required, such work shall be let to the party or parties who have agreed with the council to perform said work and furnish all necessary material therefor, in pursuance of and according to the provisions of section seven of this ordinance.

Section 7. At the first regular meeting of the city council in each municipal year, the city clerk shall be instructed to advertise for bids to perform all work and furnish all material necessary for laying said sidewalk or sidewalks within the corporate limits of the city of Alliance as the council may order from time to time to be laid during the current municipal year. Notice of the time of holding such meeting and the purpose for which it is to be held shall be published in the official paper, published and of general circulation in said city, at least four weeks before the same shall be held, or in lieu thereof, personal service may be made upon person owning the property to be assessed. All such assessments shall be known as "special assessments for improvement" and shall be levied and collected as a separate tax, in addition to the tax for general purposes, to be placed upon the tax roll for collection, subject to the same penalties and collected in like manner as other city taxes. Whenever any such special tax is levied, the city clerk shall forthwith deliver a certified copy of such resolution to the city treasurer who shall proceed to collect the said tax by law as in such cases made and provided.

Section 11. It shall be unlawful for any occupant of any lot or lots or the owners of any lot or lots in this city to suffer snow, ice or mud to accumulate on the sidewalk contiguous thereto or to remain thereon, but such sidewalk shall be cleared within one hour after the cessation of any storm or fall of snow, unless such storm or fall of snow shall take place in the night time, in which case the sidewalk shall be cleared by 10 o'clock a.m. the following day. In the business portion of the city such snow, ice or mud shall be removed into the traveled portion of the street and so spread around as not to interfere with public travel, and no portion thereof shall be allowed to remain within five feet of the sidewalk. Any person who shall fail or refuse to comply with the above provision shall be deemed guilty of a misdemeanor and on conviction thereof shall be fined in any sum not exceeding Twenty ($20) Dollars, and shall stand committed until such fines and costs are paid, or secured to be paid, and every day that the same are allowed to remain on the sidewalk shall be considered a separate and distinct breach of this ordinance.

Section 12. That it shall be unlawful for any person to erect, build or construct any hitching posts or any other contrivances for hitching animals or teams to, or any other obstructions, or post, along, by, or upon any sidewalk built or constructed under the provisions of this ordinance without having heretofore or hereafter first obtained the consent of the mayor and city council so to do.

Section 13. That no person shall repair any sidewalk constructed of any material except as hereinbefore prescribed, when such repairs shall exceed in the aggregate 33⅓ per cent of the total amount of running feet in the sidewalk as reconstructed or repaired, and when any sidewalk within said city shall require repairs to be made thereon which said sidewalk is constructed of wooden boards or planks and stringers, the person or persons repairing or constructing the same shall not place new stringers therein, nor lay or replace boards or planks in such sidewalks, which boards or planks shall exceed in the aggregate 33⅓ per cent of the total number of running feet in such sidewalk, and such sidewalk shall not in any event be repaired unless such repairs shall first be consented to, and authorized in writing by the committee on streets and alleys of said city, and the said committee shall cause a copy of such written authority to be filed with city clerk.

Section 14. That any sidewalk constructed, widened or repaired in any other manner, or of any other material than as required by this ordinance shall be deemed a nuisance, and any person building or procuring or causing to be built, constructed, repaired, or widened any sidewalk within said city, contrary to the provisions of this ordinance shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be fined in any sum not less than five ($5) dollars nor more than twenty ($20) dollars and stand committed until such fine and costs are paid, and each and every forty-eight hours during which such sidewalk shall be permitted to remain shall be deemed a separate offense, and subject to an additional penalty as hereinbefore prescribed, and it shall be the duty of the committee on streets and alleys to cause such sidewalks to be removed.
