Sure Cure for Lump Jaw

I have used Berigan's Lump Jaw Cure and recommend it to be good. I had a steer that had as bad a case as I ever saw three months ago. I used the medicine at that time—only one dose, and now it is ready for the feed yard.

Carl Ghaetlli came out of the telephone central the other night and you could see by the moon's pale light that he blushed clear to the roots of his hair. "What's the matter Carl?" said the writer. "Oh, I don't know exactly what is the matter. I telephoned to Wentworth to inform a friend of mine that I wanted to buy a first class buck. The girl up there said 'what?' and then closed the wire. Funny isn't it," and Carl went away whistling "Rory O'Moore," but he got his sheep just the same.
