WASHINGTON CRITIC

WASHINGTON, NOVEMBER 9, 1887.

THE TROUBLESOME TWINS.

There once were twins, two toddling things
Who looked like one another,
And just to tell which one was which
Was sometimes quite a bother,
For when you felt most sure of one,
He likely was the other.

Whether Ted was Tod, or Tod was Ted,
Sometimes caused apprehension,
And led to blunders and mistakes
Too numerous to mention,
Yet none were smart enough to find
A positive prevention.

If Ted, while playing in the barn,
Met with slight disaster,
They'd be sure, in their alarm,
To clap on Tod the plaster;
They'd give Ted oil when Tod was sick,
And Tod got well no faster.

One of them died—they ne'er knew which—
And then came consternation!
How could they put upon the stone
A bald prevarication?
They simply carved on it "T—D,"
And closed the altercation.
—[Frank P. Stauffer, in Sunshine.

CRUISE OF THE ALBATROSS.

An Expedition of Great Importance to Science.

About eighty five men will accompany the Fish Commission boat Albatross on her cruise to the Pacific fishing grounds. Seventy of these will be seamen, ten naval officers and four scientists. Professor Leslie A. Lee of Bowdoin College, who is chief naturalist of the expedition, told a CRITIC reporter that a great deal of work would be done on the way to San Francisco. It will be necessary to stop six times along the coast of South America, and at each of these places botanical and zoological collections and observations will be made. Fish will be taken in out-of the way places with a view of discovering new food fishes, as well as new varieties of fish food. "We shall," said Professor Lee, "look for everything alive in the sea."

Stops will be made at several of the smaller Pacific islands for coal and water, and, among others, the Albatross will stop at Juan Fernandez (Robinson Cruso's island) and Galapegas Islands. The Albatross will not make a high rate of speed, and it will be summer all the way around with them, except off the straits in the Southern Pacific, where the weather is usually rough. Mr. Thomas Lee is to be the ichthyologist and C. H. Townsend the ornithologist. This expedition is the most completely arranged, and supplied with the modern appliances for its work, of any ever sent out for a similar purpose. The Albatross will probably remain away two or three years.

The Wilkinson Home.

EDITOR CRITIC: We are glad to call the attention of your readers to a new institution in this city, which has for its object, as expressed by its charter, "the providing of a temporary home for young women coming to and being in the District of Columbia who shall from any cause be in want of and willing to accept temporary home, care, and assistance in the said District."

In a Capital city, where persons in search of employment are continually arriving, the need of such protection is evident, and the city of Washington will surely render cooperation, sympathy and aid in preparing and sustaining this home. Those in charge are asking for donations of furniture or money, and will be glad to give information to any one calling at the Wilkinson Home, 523 C street northwest.

CHARITY.

Washington, November 9.

A Card.

John Ambler Smith, Attorney, 620 F street northwest, received this letter this a. m. and is very proud of his success in the case, as every other attorney had advised the lady she could not collect her claim.

ORANGE COURT HOUSE, VA., Nov. 7, 1887.

Hon. J. Ambler Smith.

DEAR SIR: I feel most truly grateful to you for your perseverance and success in my case, also many thanks for your kind wishes, received to-day.

Very respectfully,
MRS. H. H. GRYMES.

The Plumbers Organize.

The plumbers who have been refused licenses by the Commissioners, last night organized the "Association of Protesting Plumbers" by the election of officers as follows: President, Eugene C. Hannan; vice-president, Edward Gorman; secretary, Frank Hanson; treasurer, J. W. Barker; sergeant-at-arms, B. C. Hay. A committee was appointed to wait on plumbers who do not recognize the examining board or who failed to pass the examination.

The Electric Lighting Company.

The United States Electric Lighting Company met yesterday and elected officers for the ensuing year as follows: President, Samuel Norment; vice-president, Matthew G. Emery; secretary, William Dickson; treasurer, Seymour W. Tullock. The president submitted his annual report, in which he congratulates the company on its prosperity and highly eulogizes Mr. Edison, whose inventions the company control.

Medical Congress Proceedings.

Surgeon-General Hamilton is making rapid progress editing the proceedings of the Ninth International Medical Congress. He stated to a CRITIC reporter this afternoon that he expected to have the proceedings all ready for delivery by the first of January, 1888. The printing is being done by a Philadelphia printing house.

Grand Jury Work.

The grand jury yesterday found indictments as follows: Max Bernstein, forgery; George Bell, sodomy; James Ward, assault to kill; George Blackley, Douglass Gordon, and John Ruffin, housebreaking; Francis M. Broyels, housebreaking; Frank King, embezzlement.

"The Blood is the Life."

Thoroughly cleanse the blood, which is the fountain of health, by using Dr. Pierce's Golden Medical Discovery, and good digestion, a fair skin, buoyant spirits, vital strength and soundness of constitution will be established.

Golden Medical Discovery cures all humors, from the common pimple, blotch or eruption, to the worst scrofula or blood-poison. Especially has it proven its efficacy in curing salt-rheum or tetter, fever-sores, hip-joint disease, scrofulous sores and swellings, enlarged glands and eating ulcers.

Golden Medical Discovery cures consumption (which is scrofula of the lungs), by its wonderful blood purifying, invigorating and nutritive properties. For weak lungs, spitting of blood, shortness of breath, bronchitis, severe coughs, asthma and kindred affections, it is a sovereign remedy. It promptly cures the severest coughs.

For torpid liver, biliousness or "liver complaint," dyspepsia and indigestion, it is an unequaled remedy. Sold by druggists.

Who Supported Atlas.

"Now, Mary Ann," said the teacher, addressing the foremost of the class in mythology, "who was it that supported the world on his shoulders?"

"It was Atlas, ma'am."

"And who supported Atlas?"

"The book doesn't say, but I guess his wife supported him."—[Chicago Sunday National.

"Alderney Dairy Wagons."

Fresh Alderney butter, churned every morning and delivered in ½ lb. "Ward" prints, 40c. per lb. Also cottage cheese, buttermilk and sweet milk, 5c. per qt. Cream, 15c per pt.

After an argument between them the man is generally silenced, but not convinced; the woman is often convinced, but rarely silenced.

Why They No Longer Speak.

"I'm going to take riding lessons," she said, as she leaned her head against his shoulder.

"Indeed!"

"Yes, and my father is going to buy me a horse."

"Ah!" he murmured, as he fondled one of her re-auburn tresses, "a white one, of course!"

Two minutes later he was wending his way home, a sad and solitary man.—[Boston Courier.

LOST—Small white dog. See ad.

What Ails You?

Do you feel dull, languid, low-spirited, lifeless, and indiscribably miserable, both physically and mentally; experience a sense of fullness or bloating after eating, or of "goneness," or emptiness of stomach in the morning, tongue coated, bitter or bad taste in mouth, irregular appetite, dizziness, frequent headaches, blurred eyesight, "floating specks" before the eyes, nervous prostration or exhaustion, irritability of temper, hot flushes, alternating with chilly sensations, sharp, biting, transient pains here and there, cold feet, drowsiness after meals, wakefulness, or disturbed and unrefreshing sleep, constant, indescribable feeling of dread, or of impending calamity?

If you have all, or any considerable number of these symptoms, you are suffering from that most common of American maladies—Bilious Dyspepsia, or Torpid Liver, associated with Dyspepsia, or Indigestion. The more complicated your disease has become, the greater the number and diversity of symptoms. No matter what stage it has reached, DR. PIERCE'S GOLDEN MEDICAL DISCOVERY will subdue it, if taken according to directions for a reasonable length of time. If not cured, complications multiply and Consumption of the Lungs, Skin Diseases, Heart Disease, Rheumatism, Kidney Disease, or other grave maladies are quite liable to set in and, sooner or later, induce a fatal termination.

DR. PIERCE'S GOLDEN MEDICAL DISCOVERY acts powerfully upon the Liver, and through that great blood-purifying organ, cleanses the system of all blood-taints and impurities, from whatever cause arising. It is equally efficacious in acting upon the Kidneys, and other excretory organs, cleansing, strengthening, and healing their diseases. As an appetizing, restorative tonic, it promotes digestion and nutrition, thereby building up both flesh and strength. In malarial districts, this wonderful medicine has gained great celebrity in curing Fever and Ague, Chills and Fever, Dumb Ague, and kindred diseases.

BILIOUS ATTACK. DAVID G. LOVE, Esq., of *St. Agathe, Manitoba, Canada*, says: "About one year ago, being troubled with a terrible bilious attack, fluttering of the heart, poor rest at night, etc., I commenced the use of your 'Golden Medical Discovery' and 'Pellets,' and derived the very highest benefit therefrom."

MALARIAL FEVER. Mrs. MOLLIE E. TAILON, *Cannelton, Ind.*, writes: "I think the 'Golden Medical Discovery' is one of the greatest medicines in the world. It gave it to my little girl and it cured her of the malarial fever."

Dyspepsia.—THERESA A. CASS, of *Springfield, Mo.*, writes: "I was troubled one year with liver complaint, dyspepsia, and sleeplessness, but your 'Golden Medical Discovery' cured me."

LIVER DISEASE. Mrs. ELIZABETH J. BUSHAW, of *Sidney, Ohio*, writes: "My little boy was so afflicted with liver trouble and other diseases that our family physician said he could not live. In fact, they all thought so. I gave him Dr. Pierce's Pellets and they saved his life. We have also used the 'Golden Medical Discovery' for throat and bronchial trouble, and found such perfect relief that we can also recommend it very highly."

DYSPEPSIA AND DEBILITY. Mrs. MELISSA ATWATER, of *Steuben, Washington Co., Maine*, says: "I was afflicted with dyspepsia, nervous and general debility, for which I took your 'Golden Medical Discovery' and 'Favorite Prescription,' six bottles of each. That was some two years ago. It cured me so that I have not had a sick day since. I had been in very poor health for a number of years, and took much medicine from physicians, but received no benefit from them."

LIVER DISEASE AND HEART TROUBLE. Mrs. MARY A. MCCLURE, *Columbus, Kans.*, writes: "About eight years ago, November, 1884, being afflicted with liver disease, heart trouble, and female weakness. I was advised to use Dr. Pierce's Golden Medical Discovery, Favorite Prescription and Pellets. I used one bottle of the 'Prescription,' five of the 'Discovery,' and four of the 'Pleasant Purgative Pellets.' My health began to improve under the use of your medicine, and my strength came back. My difficulties have all disappeared, and I can work hard all day, or walk four or five miles a day, and stand it well; and when I began using the medicine I could scarcely walk across the room, most of the time, and I did not think I could ever feel well again. I give your remedies all the credit for curing me, as I took no other treatment after beginning their use. I am very grateful for your kindness, and thank God and thank you that I am as well as I am, after years of suffering."

LIVER DISEASE. Mrs. L. V. WEBBER, of *Yorkshire, Cattaraugus Co., N. Y.*, writes: "I wish to say a few words in praise of your 'Golden Medical Discovery' and 'Pleasant Purgative Pellets.' For five years previous to taking them I was a great sufferer; I had a severe pain in my right side continually; was unable to do my own work. I am happy to say I am now well and strong, thanks to your medicines."

SICK HEADACHE. A. B. WEAVER, Esq., of *590 Busch Avenue, Buffalo, N. Y.*, writes: "Having used your 'Golden Medical Discovery' in my family, I desire to testify to the great relief afforded by it in cases of sick headache. As a children's remedy, for coughs and colds, I have likewise found it all that could be desired, its employment having uniformly availed to promptly check any attacks of that kind."

Dyspepsia.—JAMES L. COLBY, Esq., of *Facatan, Houston Co., Miss.*, writes: "I was troubled with indigestion, and would eat heartily and grow poor at the same time. I experienced heartburn, sour stomach and many other disagreeable symptoms common to that disorder. I commenced taking your 'Golden Medical Discovery' and 'Pellets,' and I am now entirely free from the dyspepsia, and am, in fact, healthier than I have been for five years. I weigh one hundred and seventy-one and one-half pounds, and have done as much work the past summer as I have ever done in the same length of time in my life. I never took a medicine that seemed to tone up the muscles and invigorate the whole system equal to your 'Discovery' and 'Pellets.'"

INVIGORATES THE SYSTEM.

GENERAL DEBILITY. Mrs. PARMELIA BRUNDAGE, of *121 Lock Street, Lockport, N. Y.*, writes: "I was troubled with chills, nervous and general debility, with frequent sore throat, and my mouth was badly cankered. My liver was inactive, and I suffered much from dyspepsia. I am pleased to say that your 'Golden Medical Discovery' and 'Pellets' have cured me of all these ailments and I cannot say enough in their praise. I must also say a word in reference to your 'Favorite Prescription,' as it has proven itself a most excellent medicine for weak females. It has been used in my family with excellent results."

Chronic Diarrhea Cured.—D. LAZARUS, Esq., *275 and 277 Decatur Street, North Orleans, La.*, writes: "I used three bottles of the 'Golden Medical Discovery,' and it has cured me of chronic diarrhea. My bowels are now regular."

Chills and Fever.—Rev. H. E. MOSLEY, *Montmorenci, S. C.*, writes: "Last August I thought I would die with chills and fever. I took your 'Discovery' and it stopped them in a very short time."

"FOR THE BLOOD IS THE LIFE."

Thoroughly cleanse the blood, which is the fountain of health, by using DR. PIERCE'S GOLDEN MEDICAL DISCOVERY, and good digestion, a fair skin, buoyant spirits, and bodily health and vigor will be established.

GOLDEN MEDICAL DISCOVERY cures all humors, from a common Blotch, or Eruption, to the worst Scrofula. Salt-rheum, "Fever-sores," Scaly or Rough Skin, in short, all diseases caused by bad blood, are conquered by this powerful, purifying, and invigorating medicine. Great Eating Ulcers rapidly heal under its benign influence. Virulent blood-poisons are, by its use, robbed of their terrors. Especially has it manifested its potency in curing Tetter, Eczema, Erysipelas, Boils, Carbuncles, Sore Eyes, Scrofulous Sores and Swellings, Hip-joint Disease, "White Swellings," Goitre, or Thick Neck, and Enlarged Glands.

INDIGESTION, BOILS, BLOTCHES. Rev. F. ASBURY HOWELL, *Pastor of the M. E. Church, of Silverton, N. J.*, says: "I was afflicted with eczema, and indigestion. Boils and blotches began to arise on the surface of the skin, and I experienced a tired feeling and dullness. I began the use of Dr. Pierce's Golden Medical Discovery as directed by him for such complaints, and in one week's time I began to feel like a new man, and am now sound and well. The 'Pleasant Purgative Pellets' are the best remedy for bilious or sick headache, or tightness about the chest, and bad taste in the mouth, that I have ever used. My wife could not walk across the floor when she began to take your 'Golden Medical Discovery.' Now she can walk quite a little ways, and do some light work."

HIP-JOINT DISEASE. Mrs. IDA M. SCHONS, *of Ainsworth, Ind.*, writes: "My little boy has been troubled with hip-joint disease for two years. When he commenced the use of your 'Golden Medical Discovery' and 'Pellets,' he was confined to his bed, and could not be moved without suffering great pain. But now, thanks to your 'Discovery,' he is able to be up all the time, and can walk with the help of crutches. He does not suffer any pain, and can eat and sleep as well as any one. It has only been about three months since he commenced using your medicine. I cannot find words in which to express my gratitude for the benefit he has received through you."

A BAD ULCER. ISAAC E. DOWNS, Esq., *of Spring Valley, Rockland Co., N. Y.*, writes: "The 'Golden Medical Discovery' has cured my daughter of a very bad ulcer. Three bottles healed it up perfectly."

A TERRIBLE AFFLICTION. **Skin Disease.**—The "Democrat and News," of *Cambridge, Maryland*, says: "Mrs. ELIZA ANN POOLE, wife of Leonard Poole, of *Williamsburg, Dorchester Co., Md.*, has been cured of a bad case of Eczema by using Dr. Pierce's Golden Medical Discovery. The disease appeared first in her feet, extended to the knees, covering the whole of the lower limbs from feet to knees, then attacked the elbows and became so severe as to prostrate her. After being treated by several physicians for a year or two she commenced the use of the medicine named above. She soon began to mend and is now well and hearty. Mrs. Poole thinks the medicine has saved her life and prolonged her days."

Goitre, or Thick Neck.—JULIA F. BECKWITH, of *102 West Green Street, Ithaca, N. Y.*, writes: "After the use of your 'Golden Medical Discovery' and 'Favorite Prescription,' together with your good advice, my neck has now become perfectly well."

Fever Sores.—ALICE H. CRAWFORD, of *Sioux Rapids, Buena Vista Co., Iowa*, writes: "Six years ago I was cured of 'Fever Sores' by the use of Dr. Pierce's Golden Medical Discovery."

CONSUMPTION, WEAK LUNGS, SPITTING OF BLOOD.

GOLDEN MEDICAL DISCOVERY cures Consumption (which is Scrofula of the Lungs), by its wonderful blood-purifying, invigorating and nutritive properties. From its marvelous power over this terribly fatal disease, when first offering this now world-famed remedy to the public, Dr. Pierce thought seriously of calling it his "CONSUMPTION CURE," but abandoned that name as too restrictive for a medicine which, from its wonderful combination of tonic, or strengthening, alterative, or blood-cleansing, anti-bilious, pectoral, and nutritive properties, is unequaled, not only as a remedy for Consumption, but for all Chronic Diseases of the Liver, Blood, and Lungs. For Weak Lungs, Spitting of Blood, Shortness of Breath, Bronchitis, Chronic Nasal Catarrh, Severe Coughs, Asthma, and kindred affections, it is a sovereign remedy. While it promptly cures the severest Coughs it strengthens the system and purifies the blood.

The nutritive properties of extract of malt and cod liver oil are trifling when compared with those possessed by the "Discovery."

It rapidly builds up the system, and increases the flesh and weight of those reduced below the usual standard of health by "wasting diseases."

LUNG DISEASE. Mrs. RUTH A. SICKLES, of *Ocean Port, Monmouth County, New Jersey*, says: "We have used your 'Golden Medical Discovery' in our family for the last two years, and find nothing else to equal it. One of our children had the pneumonia, and one lung became consolidated, but by the use of the 'Discovery' she has entirely recovered, and is now in good health."

SOLOMON BUTTS, of *North Clayton, Miami Co., Ohio*, writes: "I have not the words to express my gratitude for the good my 'Golden Medical Discovery' has done my wife. She was taken with the consumption, and after trying one doctor after another I finally gave up all hope of relief. Being very poor and having but one dollar in the world, I prayed to God that he might show me something; and then it seems as though something did tell me to get your 'Golden Medical Discovery.' My wife took it as directed, and as a result she is so she can work now."

CONSUMPTION.

GAINED 25 POUNDS. **Wasting Disease.**—WATSON F. CLARKE, Esq., of (Box 104), *Summerside, Prince Edward Island, Can.*, writes: "I would like to give you a slight testimonial for the benefits which I have received from your preparations during the past twelve months. When I commenced taking your 'Golden Medical Discovery' I did so at the solicitation of J. A. Gormlie, druggist, of this place. He had sold me many other preparations, always recommending your 'Discovery,' which I did not take, owing to prejudice. However, I finally took his advice and your medicine, and have never been sorry for either, as I am to-day a healthy man, while one year ago I was not able to work and was a burden to myself. At that time I weighed 122 pounds, and to-day I weigh 147 pounds. Then I used to eat about one meal a day, and now can eat four or five if I dared to. After all these benefits, how can I refrain from adding my testimonial, unsolicited, to the thousands already in your possession."

Chest Disease.—R. B. NORMAN, Esq., of *Avon, Georgia*, says: "I think the 'Golden Medical Discovery' is the best medicine for pain in the chest that I have ever known. I am sound and well, and I owe it all to the 'Discovery.'"

WORTH $1000 A BOTTLE. W. R. DAVIS, Esq., of *Bellville, Fla.*, writes: "I have taken your wonderful 'Golden Medical Discovery' and have been cured of the worst case of consumption. I am now sound and well, and have only spent three dollars, and I would not take three thousand dollars and be put back where I was. I am endeavoring to have all my neighbors keep your remedies in the house."

COUGH OF FIVE YEARS' STANDING. Mrs. N. W. RICE, of *Norfolk, Vermont*, says: "I feel at liberty to acknowledge the benefit I received from two bottles of the 'Golden Medical Discovery,' which cured a cough of five years' standing, and dyspepsia, from which I had suffered for a long time. I have also used Dr. Pierce's Extract of Smart-Weed, or Water Pepper, in my family, with good effect."

Raised Blood.—L. H. COX, Esq., of *Wales Centre, N. Y.*, writes: "I was troubled with pain in the chest, and raised quantities of blood, and was unable to do any work for several months, but after taking three bottles of your 'Golden Medical Discovery,' and several vials of the 'Pellets,' I am now able to do considerable work, and gain very rapidly."

LUNG DISEASE. Mrs. MARTHA OWEN, of *Carthage, Jasper Co., Mo.*, writes: "I was treated for several years by some of the best physicians for consumption without receiving any benefit. Soon after I commenced taking Dr. Pierce's Golden Medical Discovery and Favorite Prescription all the symptoms of consumption vanished. I wish also to report the cure of one of my neighbors who was a great sufferer from womb disease, and was permanently cured by the use of Dr. Pierce's Favorite Prescription."

ASTHMA CURED. CARRIE S. STOWELL, Postmistress at *Magnolia, Colorado*, writes: "I feel that I cannot say too much in praise of your 'Golden Medical Discovery,' for I have found that it is of golden worth. It has helped both my husband and myself. Two years ago Mr. Stowell was afflicted with what appeared to be asthma, and our altitude being so high, the difficulty in breathing attendant upon this distressing malady was greatly increased. But he began to improve at once after commencing the use of your 'Discovery,' and was entirely cured by this wonderful medicine. As for myself, I have used it for nervous and general debility, and for an affection of the kidneys and bladder, and I found that it was without a rival for these complaints. We are now never without your 'Discovery.'"

CONSUMPTION. Mrs. W. H. NICKLIN, of *Marlborough, N. Y.*, says: "When I first began taking your 'Favorite Prescription,' 'Golden Medical Discovery,' and 'Pellets,' I was so weak I could not be on my feet but a few minutes at a time. They did me a great deal good, and I take pleasure in expressing my gratitude to you for the excellent health I now enjoy. When I first wrote you I was said to be in the first stage of consumption."

Golden Medical Discovery is Sold by Druggists. Price $1.00 per Bottle, or Six Bottles for $5.00.
