BOSTON COUPLE VICTIMS OF WOOD ALCOHOL POISONING

Boston, June 14.—George A. Hamilton and his wife, Irene, died today, victims of wood alcohol poisoning, in the opinion of physicians who attended them. Medical Examiner Leary ordered an analysis of the contents of a bottle of colorless liquid found in the rooms.

The couple were lodgers at a South End house. The man told the landlady early today that his wife was seriously ill and that he was feeling badly. Physicians who were called found Mrs. Hamilton dead and sent her husband to a hospital, where he died soon afterward.

JACK DEMPSEY ON WITNESS STAND

San Francisco, June 14—William Harrison "Jack" Dempsey heavyweight boxing champion of the world, took the witness stand in his own defense today in his trial here on charges of evading the selective draft act. Dempsey denied charges of non-support and cruelty made by his former wife, Mrs. Maxine Dempsey, in testimony given earlier in the trial.

Dempsey said his earnings in the ring for 1917 were about $4,000. The next year a large part of his time was spent in appearances at patriotic benefits, out of which, he said, besides traveling expenses, he got "two wrist watches and a gold pencil."

"I wanted to do the country some good," he said in explanation of his boxing for nothing.

"Did any of your opponents get anything for these matches?" he was asked.

"No. Once Willard was to get $30,000 in Chicago," Dempsey replied.

Dempsey told of his work as a government recruiting agent for shipyards late in 1918, saying he "guessed he got three or four hundred men" to work in the Philadelphia yards.

W. H. Stolurow, a traveling salesman of St. Paul, testified he wrote most of the answers to Dempsey's questionaire at a Chicago hotel. He said he had done it in a spirit of friendly cooperation, and that nothing was said to indicate anything on the part of Dempsey or his manager, Jack Kearns, but a desire to answer the questionaire honestly.

YALE VARSITY ROWED FULL COURSE IN 20.40

Gales Ferry, Conn., June 14—The Yale varsity and junior varsity crews had a half mile race on the Thames this afternoon, the first boat winning by a length. The rest of the afternoon practice was devoted to short paddles and drill in starts. The freshmen had a short row alone and practiced starts.

All the Yale crews had light workout on the Thames river this forenoon. Some racing starts also were practiced.

The work of the first varsity crew Saturday in covering the full course under good conditions and a strong tide, in 20.40 was the feature of the first week of practice. The Harvard crew's time on Saturday against the tide was 23.15. The Yale crew rowed a slow stroke, sometimes at 23 and averaging, according to Coach Nickalls, about 26. The average stroke of Harvard was about 30.

It has been very rarely that a Yale or Harvard crew has made under 21 minutes in a race since the four mile distance was rowed from 1876 to the present time. Yale is ahead in fast time, having won under 21 minutes on the Thames in 1884, 1888, 1892, 1902, 1903 and 1915. Harvard has bettered 21 minutes in 1882, 1878, 1899, 1910 and 1916, the record being held by Harvard, 20.02, made in 1916. Therefore, the time of 20.40 made Saturday is so encouraging that Coach Nickalls has mapped out nothing but starting practice and conditioning from now until the race.

INTERCOLLEGIATE REGATTA TO BE ROWED ON LAKE CAYUGA

Ithaca, N. Y., June 14—The twelve eight-oared crews which will represent Cornell, Syracuse, Columbia and Pennsylvania in the annual intercollegiate regatta to be rowed on Lake Cayuga next Saturday will this week conclude their final intensive practice.

The Cornell, Syracuse and Columbia crews are expected to arrive in this city tomorrow.

All crews are reported by their coaches to be in excellent condition. In the practice schedule Cornell is rowing only once each day, with the rival college eights holding both morning and afternoon practice.

AMERICAN TENNIS PLAYERS WON THEIR OPEN MATCHES

London, June 14—The American tennis players, R. Norris Williams, 2nd, of Boston and C. S. Garland, of Pittsburgh, won their matches in the opening round of the London championship tournament here today. Williams defeated L. K. Gardner 6-1, 6-0, while Garland eliminated A. W. MacPherson by scores of 11-9 and 6-1.

Williams entirely outclassed his British opponent but MacPherson forced Garland into a long deuce set in the opening encounter. The Yale university star, however, ran through the second and deciding set in rapid fire fashion once he was thoroughly warmed up.

YALE AND PRINCETON TO PLAY TIE OFF AT THE POLO GROUNDS

FINANCIAL AND COMMERCIAL

TREND OF MARKET DOWNWARD.

New York, June 14.—The course of today's stock market was distinctly disappointing to those who had hoped that developments over the week end would find expression in higher quotations. Trading after the steady opening was almost steadily downward on professional pressure.

Nothing in the day's operations suggested even a slight revival of public interest as a result of the deliberations of the republican national convention. Nor did the better weekly reports of the federal reserve bank and the clearing house cause any change of sentiment.

Opinion was divided regarding latest political aspects, but Wall Street seemed vastly more interested in prospective dividend announcements. Meetings of the several important railroad and industrial companies soon to be held were the subject of much conjecture.

Money continued firm, as was to be expected in view of tomorrow's heavy income tax payments. Call loans opened at 8 per cent., last Friday's renewal rate, easing later to 7 per cent. There was no increase of time funds, but conservative opinion inclined to the belief that rates would ease by the end of the month.

Gains in western tonnage followed improvement in freight conditions, but business at leading terminals in the west and southwest continued to wait on relaxation of credits. Interior banks were reported to be renewing many loans maturing at the mid-year.

Somewhat in the order named, oils, especially the Mexican group, equipments, motors, independent steels, tobaccos and miscellaneous specialties were the outstanding features of the day's general reaction. Dividend paying rails, especially trans-continentals, extended last week's losses. Sales amounted to 475,000 shares.

Speculative railway bonds, notably convertible issues, eased variably, but Liberty bonds and foreign war flotations held firm. Total sales, par value, $8,750,000.

Old U. S. bonds unchanged on call.
