Three Stories About Their Whereabouts on Night of Shooting.

Ogden, Nov. 28.

THE VICTOR DITCH

Fred McCabe, the victim of Thursday night's holdup, died at seven o'clock from the wounds received at that time. The attempt made to rob the young man, about 11 o'clock, was very popular among Ogden boys. He was a member of the High school and would have graduated in a year from next June. Mr. McCabe is mentioned in the affair, and has made no statement of perfect innocence. The officers have a large number of suspicions, but have no definite clue to the murderer. The arrangements for the funeral will not be made until his father, George F. McCabe, the former jeweler of the deceased, from Washington, D. C., is heard from.

Burglar Breaks Window.

Some time Thursday night a window in the jewelry store of John Hoare's Sons was broken, evidently by some person trying to commit burglary, as valuables were found scattered about the floor under the window. If the thief was interrupted nothing was taken, and the company has not yet discovered what, if anything, has been stolen. The window was broken about three days ago.

Fined for Playing Slot.

Thomas Morden, a seventeen year-old boy, a bad labor vendor, was yesterday fined $2 in the Municipal court for playing the slot machines in the saloons. Two drinks were given him for his pay in some; this drink was that night and was about half-seven. The boy's father was present in court to plead for his son, claiming he was only playing slots for the amusement of the thing. The boy was fined $2 and costs.

Mike Murray Arraigned.

Mike Murray, who shot Mr. and Mrs. Wheelen at the Dewey hotel last Monday night, was arraigned yesterday in order in the Municipal court on a charge of assaulting Mrs. Wheelen with intent to commit bodily injury. He was found guilty of the charge, and the preliminary hearing set for 10 o'clock Tuesday morning. Murray, who is a Mexican, has been in the county jail since the time of the shooting, and has not yet been able to secure a bondsman. The man is charged with the shooting of Mrs. Wheelen. The prosecution intend to produce the first witness, one of the women living other rooms at Dewey and Mrs. Wheelen's testimony, the latter being in Mexico. The only witness of the shooting Murray claims to be a man named Rose, who, he says, was with him at the time. The prosecution have not been able to find this man, and it is believed he is a fictitious character. Murray's bond was fixed at $1,000, but he was unable to secure it, and was taken back to the county jail to await trial.

Electric Road in Canyon.

The Ogden Canyon road is being put in good condition preparatory to the arrival of the electric road. The road is being graded and the bridges are being put in shape to carry the electric cars. It is thought that the road will be completed by the middle of next spring.

WADEALEN'S CONDITION.

Remains the Same—The Operation to Be Performed.

Ogden, Nov. 28.

Michael Wadell, who was shot last Wednesday by Mr. Wadell, is still in the hospital and will be for some time yet. The wounded man is in a precarious condition, and the operation to be performed Wednesday morning will be a very dangerous one. The bullet has not been located, but it is believed to be in the region of the liver.
