White Sox Defeat Red Sox

Chicago, Sept. 10.—Eddie Murphy, batting as a pinch hitter with the bases filled and one out in the eighth inning made it possible for Chicago to defeat Boston 5 to 3 today. Murphy grounded to Hoyt whose throw to Schang forced E. Collins, but Schang hit Murphy in the back trying to double him at first and Jackson and Felsch scored. McInnis' throw to the plate was bad and Murphy took third, where where he scored on a double steal with Schalk. Score:

KACEYS READY FOR ASHLAND

The Norwich Kaceys and Ashland will again clash in the second game of the big series between the above teams. Ashland won the first game at Jewett City last Sunday in the ninth inning by a score of 10-9 in a hair-raising finish. Tomorrow's game will be played at the fair grounds and no doubt the biggeste rowd of the season will be on handto witness the game. The Kaceys will work hard to even up the series. They have secured the services of state league battery for the balance of the season. Joe Sherman of the Hartford Eastern league team will pitch for Norwich. He has been a steady and consistent pitcher all season, has won 13 and lost only 4 games, and is also a splendid hitter, having a batting average of .306. He has been used in the outfield by Hartford this season principally on account of his hitting. Sherman's home is in Ashaway, R. I., near Westerly, and a number of his Westerly friends will no doubt witness his debut with the Norwich team. Jack Army of the Waterbury Eastern league team will catch for Norwich for the remainder of the season. Army is said to be one of the best catchers in the Eastern league and he also has a good batting average. He is only 21 years old. His home is in Milbury, Mass., and it is thought that he will be with a big league club next season. For the balance of the team Norwich will use their regular lineup, with Stapleton 1b, Hayes or Tucker Murray 2b, Eddie Murray ss, Galligan 3b, Kelleher lf, Eddie McKay cf, Bill Austin rf, with Walsh sub.

It is to be regretted that Spike Liberty injured his arm in last Sunday's game and will not pitch again this season. Spike was going good and Manager Chase will have hard work to replace him. However, Spike has only the best wishes of the management and the entire Norwich team for his speedy recovery. Manager Chase has secured Woodard of the New Haven Eastern league team to pitch tomorrow's game. Woodward has recently been sent from St. Louis to New Haven and is a top notch pitcher and the Kaceys will have to be at their best to win. Frechette will catch, Chase 1b, McBeth 2b, LeClaire ss, Dugas 3b, Jarvis lf, Benjamin cf, Clabby rf.

Game will be called at 3.15, daylight saving time. Adequate car service to and from the game. Lavarge will umpire at the plate and Larue on the bases. Don't forget the game with the Athletics on Sept. 26th. This will be Murphy day in Norwich. A series is being arranged with the champions of the Rhode Island state league which will be another added attraction in the near future. The Kaceys will also challenge Willimantic for a series.

EAST AGAIN WON FROM WEST IN TENNIS TOURNAMENT

Philadelphia, Sept. 10.—The east again won two out of three matches in the east-west tennis tournament at the Germantown Cricket club today, giving it an advantage of four games to two in two days' competition.

R. Norris Williams, Boston, stood out conspicuously in today's matches, winning from Clarence J. Griffin, San Francisco, 6-4, 6-3, 2-6, 6-3. In theother singles match Walter T. Hayes, Chicago, triumphed over Dean Mathey, New York, 1-6, 2-6, 6-3, 6-1, 7-5, while in the doubles Wallace Johnson, Philadelphia, and Watson M. Washburn, New York, defeated Willis E. Davis and Roland Roberts, San Francisco, 6-3, 6-2, 6-2.

Williams dominated the situation in his match with Griffin. He registered dazzling placement aces of his backhand and his service was also effective. He used his backhand with such uncanny skill that Griffin was caught out of position time and again.

In the doubles match Wallace Johnson was the outstanding figure. He used his chop stroke to advantage at all times and frequently forced Davis and Roberts out of position. The team work of Johnson and Washburn was almost perfect. Davis' overhand played an important part for his side, but his best efforts proved unavailing.

At the outset of his match with Hayes, Mathey was complete master of the situation and gained two sets without difficulty. Then Hayes came to the forefront and by an excellent display of overhand and backhand strokes succeeded in capturing the match.

CHICAGO NATIONALS HALED BEFORE GRAND JURY

Chicago, Sept. 10.—Subpoenaes for all members of the Chicago National league baseball club to appear before a grand jury in connection with charges of gambling in baseball, which were ordered issued today, are being held up, it was learned tonight.

The Chicago team, now playing in the east, does not return home for more than two weeks and consequently it is possible that only a few players may be called at the present time, it was said.

The grand jury which was investigating the alleged gambling will convene Monday and immediately will call President Veeck or the Chicago and other league officials, it was said.

MANY CONTESTANTS FOR GOLD CUP REGATTA

Detroit, Mich., Sept. 10.—Nearly 100 gasoline propelled watercraft of various sizes and speed possibilities were assembled in the Detroit river tonight, ready for the opening heats tomorrow of the Gold Cup regatta. Eight events are on the program, the feature being the 90-mile race for the gold challenge cup of the American Power Boat association. The regatta will continue through Sept. 15th.

NO CHANGE IN MAJOR LEAGUE PENNANT CHASERS

New York, Sept. 10.—The major league pennant chasers underwent no change of position today for the first time this week. The Brooklyn National leaders gained three points on Cincinnati and New York, who did not play.

The Indians, who lost to the Yankees, have no gameadvantage over Chicago, which won from Boston, and are only 3 percentage points ahead of the White Sox. The Yankees are 8 points behind Cleveland.

Barred From Boxing

Philadelphia, Penna., Sept. 10.—The police department today announced that Harry Wills and Sam McVey, heavyweight pugilists, have been barred from appearing in local boxing bouts. They are alleged to have stalled in a recent bout.

FINANCIAL AND COMMERCIAL

MARKET WAS REACTIONARY

New York, Sept. 10.—The stock market was reactionary at the outset of today's dull session, strengthening and becoming more active later, but lapsing into its early apathy at the irregular close.

Sentiment continued to be sustained by the success of the French loan and related investment conditions, but this was balanced, if not largely offset, by the lack of of speculative interest, save among professional traders.

The money market imposed no restraints, demand loans opening and renewing into the coming week at 7 per cent and declining to 6 per cent in the final dealings. Little time money was offered, but freer buying of bankers' acceptances was reported.

Foreign exchange followed its recent trend, remittances on London making a further decline. Sympathetic heaviness was manifested by French, Belgian, Spanish and German bills, cables from London and Paris confirmed advices of an extensive gold movement to this market, but the source of the French supply was not disclosed.

Trading in stocks was a professional affair throughout, with the usual settlement of week-end contracts. United Fruit cancelled a considerable part of yesterday's gain on unofficial denial of larger dividend rumors and American International reacted moderately for similar reasons.

Pools were most active in oils on the long side of the market, with Mexican petroleum as the leader. Coppers developed sudden strength on declaration of regular dividends by the Porphyry companies, but steels, equipments, motors and rails showed no definite trend. Sales amounted to 415,000 shares.

Foreign issues continued to feature the bond market, the new French loan rising to a premium of 1 per cent, on the curb with further strength in Swiss and Mexican government bonds, but the Liberty group eased. Total sales (par value) aggregated $8,650,000. Old U. S. 4's rose 1-2 per cent. on call, others unchanged.

CHICAGO GRAIN MARKET

Chicago, Sept. 6.—Downturns in the value of wheat resulted today from declines in sterling exchange and from rains breaking the drought in Argentina. The market closed unsettled, 1c to 2c net lower, with December 2.46 and March 2.41 3-4. In provisions, the outcome was unchanged to 25 cents higher.

Wheat bears made much of the slowness of eastern demand, and were quick to associate this slowness with the decline of sterling and with the relief of the Argentine crop. Scantiness of country offerings etnded to check weakness, however, and so too did gossip that 750,000 bushels had been worked here for export by way of the gulf. Besides, estimates were current that already 150,000,000 bushels had either been shipped from the United States or been sold for export, on the other hand, the Canadian crop in three provinces was said to total 28,000,000 bushels more than last year.

Better weather conditions helped to ease down the corn market big clearances of corn from Argentina to the United States counted somewhat also against the bulls. Oats sympathized with the weakness of other grain.

Higher quotations on hogs gave firmness to provisions. Cash demand for lard was likewise a strengthening factor.

RAIN PREVENTED FINAL DAY'S ACES OF GRAND CICUIT

Hartford, Conn., Sept. 10.—Rain today prevented the final day's races of the grand circuit meeting here and the majority of the stables were tonight shipped to Syracuse, the next stop. The colt race, unfinished Thursday, was declared complete by the judges with Worthy Chief, Crossman driving, the winner; Jane the Great (Cox) second and Sister Bertha (Serrill) third. Each of the colts had won a heat Thursday.

If a man is wise he never jabs a hornet's nest to find out what's in it.
