NOW IS THE TIME TO SUBSCRIBE!

THE ST. LOUIS TIMES!

DAILY, TRI-WEEKLY, WEEKLY.

A First Class, Low Priced and Thoroughly Practical Newspaper—Devoted to the Promotion of the General Interest of the People.

The Leading Democratic Paper!
WEST OF THE MISSISSIPPI RIVER

THE UNPRECEDENTED SUCCESS with which the Times has met, since its establishment, is convincing evidence that the people of the West and South fully appreciate the efforts of a journal, which, in addition to its enterprise as a newspaper, has the courage to boldly declare and constantly maintain the principles of its political faith.

The public journal most deserving of Democratic support is the one that, in addition to being a full and faithful medium of general news, is also a firm and consistent advocate of Democratic principles. A Democratic newspaper is the newspaper for Democrats to support, and the idea sometimes sought to be incalculated by those who have an interest of their own in doing so, that the people must go outside their party organs to "find the news," is absurd and irrational. There is no sort of incompatibility whatever between the political and non-political journal as to the matter of news; many of the papers now published throughout the country, and especially valuable for the amount and variety of their intelligence, being also known for the ability and earnestness with which they champion their peculiar party views. Hence all things else being equal, it is manifestly the duty of Democrats to limit their newspaper patronage to such as are of their own way of thinking and not to squander their means on those that wage constant warfare upon their established convictions.

It is our desire to see the TIMES in the hands of all Democrats, and every well-wisher of the government throughout the land, and in order that this may be done, we are now offering the following extraordinary inducements to those who will interest themselves and act in the capacity of club agents for the TIMES throughout the country.

THE SUN.

WEEKLY AND DAILY FOR 1875.

THE APPROACH OF THE PRESIdential election gives unusual importance to the events and developments of 1875. We shall endeavor to describe them fully, faithfully, and *fearfully*.

The Weekly Sun has now attained a circulation of over seventy thousand copies. Its readers are found in every State and Territory, and its quality is well known to the public. We shall not only endeavor to keep it fully up to the old standard, but to improve and add to its variety and power.

The Weekly Sun will continue to be a thorough newspaper. All the news of the day will be found in it, condensed when unimportant, at full length when of moment, and always, we trust treated in a clear, interested and instructive manner.

It is our aim to make the Weekly Sun the best family newspaper in the world. It will be full of entertaining and appropriate reading of every sort, but will reprint nothing to offending the most scrupulous and delicate taste. It will always contain the most interesting stories and romances of the day, carefully selected and legibly printed.

The Agricultural Department is a prominent feature in the Weekly Sun, and its articles will always be found fresh and useful to the farmer.

The number of men independent in politics is increasing, and the Weekly Sun is their paper especially. It belongs to no party, and obeys no dictation, contending for principle, and for the election of the best men. It exposes the corruption that disgraces the country and threatens the overthrow of republican institutions. It has no fear of knaves, and seeks no favors from their supporters.

The markets of every kind and the fashions are regularly reported in its columns.

The price of the Weekly Sun is one dollar a year for a sheet of eight pages, and fifty-six columns. As this barely pays the expenses of paper and printing, we are not able to make any discount or allow any premium to friends who may make special efforts to extend its circulation. Under the new law, which requires payment of postage in advance, one dollar a year, with twenty cents the cost of prepaid postage added, is the rate of subscription. It is not necessary to get up a club in order to have the Weekly Sun at this rate. Anyone who sends one dollar and twenty cents will get the paper, post-paid, for a year.

We have no traveling agents.

THE WEEKLY SUN.—Eight pages, fifty-six columns. Only $1.20 a year, postage prepaid. No discounts from this rule.

THE DAILY SUN.—A large four-page newspaper of twenty-eight columns. Daily circulation over 120,000. All the news for two cents. Subscription, postage prepaid, 55 cents a month, or $6.50 a year. To clubs of 10 or over, a discount of 20 per cent. Address, "THE SUN,"

THE
NEW-YORK TRIBUNE.

The Leading American Newspaper,

Founded by Horace Greeley

IN THE RECENT ELECTIONS the people have declared in favor of honesty in politics and independence in journalism. THE TRIBUNE, which years ago declared that it was not and never more would be a party organ, claims the verdict, as the popular vindication of its course, and recognizes in the result the voice of the people for reform and integrity in government, for candor and independence among newspapers. During the campaign which has just closed THE TRIBUNE has fully maintained its right to the title of the "Leading American Newspaper." This position it has earned and retains for the following, among other reasons:

It publishes all the news, earlier, more fully, and more intelligently than any other paper.

It insists on peace throughout the whole country, the right of local self-government, and the protection of all classes in the exercise of their just and legal rights.

It advocats confidence and good feeling between North and South, and labors for an honest and abiding reconciliation.

It maintains fairness and candor toward all public men and questions, and dignity and courtesy toward associates and rivals.

It publishes scientific news, reports; discussions and discoveries to a degree of fullness and accuracy never before attained by any paper.

It gives every week ten or more columns of the most carefuly prepared agricultural matter during the year, much more in the aggregate than the entire contents of any other agricultural publication, and the whole forming a department of which an eminent agricultural editor said: "It has done more to make good farmers than any other influence which ever existed."

It has published a series of scientific and literary extras which have met a wider scale and more emphatic popular approval than any similar publication of the kind.

WHAT THE SOUTHERN PRESS SAYS OF THE TRIBUNE.

We consider The Tribune a very valuable paper.—[Ashville (N. C.) Citizen.

The New-York Tribune, in its faithful and searching exposure of outrage slanders on Alabama and other States, has done immense service to truth and justice.—[Macon (Ga.) Telegraph and Messenger.

We thank The New-York Tribune for its many and powerful words in demanding justice for the people of Alabama.—[Montgomery (Ala) News.

The best newspaper in the world is the New-York Tribune. It combines the dignity and sagacity of the London Times with the representative news of enterprise of America.—[Baltimore Bulletin.

A paper to be admired for its independence of tone and its reliability of news. [Episcopal Methodist, Baltimore, Md.

Any one who wants a first-class paper which keeps fully up with the times in literture, science and art should subscribe for THE TRIBUNE.—[Spartanburgh (S. C.) Carolina Spartan.

The imperial sheet of the world.—The New-York Tribune.—[The Jacksonville (Fla.) New South.

We regard it as the best paper, all in all, published in the United States.—[Morristown (Tenn.) Gazette.

To-day The New-York Tribune is undoubtedly the first of American newspapers; whatever may be said of its rivals, it has clearly won precedence of all, and very creditably does it represent the journalism of the country. While dealing with all the topics coming within the range of a newspaper, The Tribune makes a speciality of the great subject of agriculture. It becomes therefore a matter of vital importance to the country that the direction of the ideas of this vast section should be in able and conscientious hands, and a matter for congratulation that the farmer's newspaper par excellence has the high standing of The Tribune.—[The (N. Y.) South.

The New-York Tribune is doing a great work in popularizing Science, by the publication of cheap extras to that great daily.—[Our Monthly Clinton, S. C.

American newspaper enterprise is probably at this time more fully illustrated in the daily issues of The New-York Tribune than in any other journal.—[Wilmington (N. C.) Star.

Unequaled in culture, dignity, comprehensive breadth, polish of expression and intellectual; fettered by no party ties, bolted indecencies of speech and hysteric with no wild sensations.—[Raleigh (N. C.) Agricultural Journal.

Surely the paper has maintained successfully the high popularity which he bequeathed it, and the name of an ably conducted and independent journal, which it now declares even more justly than at any time during Mr. Greeley's life.—[Petersburgh (Va.) Index and Appeal.

THE TERMS OF THE TRIBUNE.

Daily, by mail, $10 per year; Semi-Weekly, $3 per year: five copies, $2,50 each.

Weekly, $2 per year; ten copies $1, 25 each; twenty copies $1,10 each.

☞ Postage in all cases is paid by The Tribune, and papers addressed to each subscriber, without extra charge.

Agents wanted in every town, to whom liberal cash commissions will be paid.

VINEGAR BITTERS
VEGETABLE · FREE FROM ALCOHOL · PURELY · DR. WALKER'S CALIFORNIA · VINEGAR BITTERS

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Regulator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases

The properties of Dr. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-irritant, Sudorific, Alterative, and Anti-Bilious.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many other rivers, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters and Miners, as they advance in life are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ringworms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelmintics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
