A NEW AND VALUABLE LAW BOOK

A TREATISE on the law relating to the powers and duties of Justices of the Peace and Constables, and on all actions cognizable in Justices' Courts in the State of Indiana; with practical forms, &c. By W. W. Wick and L. Barbour. Just published and for sale by

C. B. DAVIS

INDIANAPOLIS, IND., *Feb.* 17, 1846.

GENTLEMEN: I have looked through the volume you sent me, of treatise on the law relative to the powers and duties of justices of the peace and constables, in actions cognizable in justices' courts in the State of Indiana, by W. W. Wick and L. Barbour; and am very forcibly impressed with its general correctness, and consequent value to the public, and especially with that portion of it that treats of the operation of our relief laws upon contracts, and the bearing of the decisions of the Supreme Court of the United States upon that important question, in which I fully concur with the authors of the work. I shall place it in my library for reference, it being one of the very best works of the kind yet published. Very truly,

O. H. SMITH.

Messrs. DAY & DAVIS, Publishers.

INDIANAPOLIS, *March* 16th, 1846.

MESSRS. DAVIS & DAY—GENTLEMEN: I have carefully looked through the work by Wick and Barbour, just published by you, in relation to the powers and duties of justices of the peace and constables, and embracing a variety of useful matter not falling within the ordinary scope of such a work. The law seems to be laid down with clearness and accuracy, the citations are numerous, and the order and method of the whole work are excellent. It cannot but prove a valuable instructor for all such officers, an economical guide to every man of business, and even the practical attorney will often find his labors abridged by giving it a place in his library. Briefly deserves, and I hope it will receive, a liberal patronage.

Yours very truly, JAS. WHITCOMB.

INDIANAPOLIS *March* 9th, 1846.

GENTLEMEN: Respecting the treatise of Messrs. Wick and Barbour, relating to the powers and duties of justices of the peace and constables, I am of the opinion that it is a most valuable work, and should be in the hands of every justice in Indiana, and that all classes of our citizens would be much benefited by its general circulation. The author of the book will be some apparent to magistrates, as well on account of the great number and variety of cases in the forms, as of the statutory and other references, (hardly elsewhere to be found,) indicating the whole law, in almost every class of action, coming before justices of the peace in Indiana. Yours truly,

Messrs. DAVIS & DAY. WM. SULLIVAN.

INDIANAPOLIS, *March* 1st, 1846.

GENTLEMEN: I have examined at your request, the treatise respecting the powers and duties of justices of the peace, &c., written by Messrs. Wick and Barbour, and recently published by you. It is a work, I am confident, that will be accordingly useful in the transaction of business in justices' courts, and I hope it will be liberally patronized. Yours, &c ISAAC BLACKFORD.

FLETCHER'S
Celebrated Imperial Ague and Fever or Tonic Pills.

THE proprietors of this invaluable remedy for Ague and Fever or Intermittent Fever, deem it unnecessary to enter into a long dissertation relative to the disease for the radical cure of which the remedy now offered stands unrivalled. The universal prevalence of the Ague and Fever, and Intermittent Fever, throughout most of the States of the Union, and the thousands who annually suffer from it, unhappily render it so well known, that to call to upon its symptoms or pathology, seems wholly unnecessary. It may, however, with propriety be observed, that the neglect to cure what is too often called only the Ague and Fever, "often leads to diseases more fatal in their nature—among which may be classed, obstructions of the Liver and enlargement of the Spleen, commonly called *Ague Cake*, which in too many cases proves fatal.

Thousands of certificates might be published in reference to the efficacy of the Pills now offered to the public, which the Proprietors deem unnecessary to publish. Suffice it to say, they have never been known to fail in a single instance. ONE BOX, when taken according to directions, will cure any case of Ague and Fever, or Intermittent Fever. The ingredients being PURELY VEGETABLE, and entirely free from any deleterious substance, they are confidently recommended as the safest as well as the most efficacious article ever offered to the Public! The form in which these Pills are put up, (small tin boxes,) renders them more convenient than any other, as a man can carry them in his vest pocket without the slightest inconvenience.

It is deemed important previous to taking these Pills, that the Stomach and Bowels should be cleansed by a gentle cathartic. Fletcher's "*Ne Plus Ultra*" ANTI BILIOUS VEGETABLE CATHARTIC AND DROPSICAL PILLS, are recommended as the very best article in all cases where a purgative is required, and are peculiarly adapted to precede the Ague and Fever Pills. Three of Fletcher's "Ne Plus Ultra" Pills should be taken before retiring to rest—and after a gentle operation in the morning, commence taking the Ague and Fever Pills.

On the Label pasted on each box, is the written signature of the Agent, in RED INK. None others are genuine.

FOR SALE BY JAMES WILLIAMSON, *Agent for the Proprietors*, No. 189 Water street, New York.

Only agency in Indianapolis at the office of the State Sentinel. 54-tf

FLETCHER'S
"Ne Plus Ultra" Vegetable Compound Cathartic and Dropsical Pills.

THESE Pills, now for the first time offered to the Public have been used in private practice upwards of Forty Years, by a celebrated Physician, formerly a member of the Royal College of Surgeons of London and Edinburgh, and Licentiate of Dublin University.

The Proprietors deem it unnecessary to enter into any lengthened discussion as to the merits of these Pills—neither will they say that they will cure all the ills that human flesh is heir to"—nor they by claim to one *great fact*, and that is this, they are the very best Pills ever invented, not merely as a simple CATHARTIC, as their properties are various. They are a *Compound Cathartic, Anti Bilious* and *Dropsical Pill*. They cleanse the *Stomach and Bowels*, without pain or griping, they act specifically upon the *Liver and Kidneys*, and as a Diuretic, they cause an *increased discharge of Urine*—restoring a healthful and proper action to the URINARY ORGANS. For monthly complaints, to which *Females* are liable, they will be found most efficacious in removing obstructions and restoring them to perfect health. It is perhaps needless to add, that if the Stomach and Bowels are kept in a perfect state, no fears should be entertained in reference to the welfare of the body.

We now only say to those who have tried all other Pills, of whatever name, to give the "Ne Plus Ultra's" one trial, and we feel perfectly confident, that they will satisfy *All* that *they are* THE PILLS! unequalled as well as unanswerable!!

THE BRANDRETH'S PILLS.

THOSE of our citizens who desire a good medicine, will find one in the justly celebrated pills of Doctor Brandreth, which have performed cures upon thousands of helpless and hopeless persons, after the most scientific skilled physicians had consoled them with the assurance that they could do no more. The properties of these Pills, as an anti-bilious and a great medicine, are universally allowed, and we can recommend them; their virtues surpass all eulogy, and must be used to be appreciated. The weak and delicate will be strengthened by their use, not by bracing, but by removing the cause of weakness, the gross and corrupt humors of the body. They require no change in the diet, or cause of any kind. Plain directions accompany each box, so that every one is his own competent physician.

These pills are for sale by one agent in every town in the State, and at Indianapolis, by C. B. DAVIS, Bookseller, and by SMITH, HANNA & Co., these being the only authorized Agents. 46-y

Armitage & Co. Ahead!

B. ARMITAGE & CO. have just received their first assortment of latest style *HATS, CAPS*, &c., and are already prepared to compete with any eastern hats in the market, either in style or price. Their new arrival is all of the first quality, not selected by those who know not a mole skin from a coonskin, but by the
