## CITY SPECIALS.

**Indispensable Articles for the summer.**

Mr. Thomas D. Singleton, the prominent and leading furniture dealer at 425 Seventh street northwest, has the following goods, which are indispensable for utility, luxury and comfort, at this season of the year, at prices that no one will be a judge of the articles can justly complain of—ice mattings—that are plain, fancy and damask, at cut prices. Baby carriages, of all description and styles, from $5 to $25. An excellent assortment of mosquito canopies, all sizes, neatly made and adjusted, to protect you from flies in the morning and mosquitos at night. A large stock of window shades to select from, any color or style that your fancy might dictate, at prices to suit the most economical. Any size wire screens, either for doors or windows, in stock or made to order, and properly adjusted to your windows or doors at a very small expense. Their splendid line of woven wire, cocoa and rubber door mats, in all sizes at bottom figures. Also a full stock of "The Bissell's" carpet sweepers, three different styles, which are acknowledged to be the best sweepers on the market. A tremendous stock of reed and rattan furniture, which is especially suitable for the summer, being cool and comfortable. A special feature is made in making to order loose furniture covers, cut and made to order at short notice, from $3 up, of best quality linen and lindings. All of the articles mentioned in this paragraph will be sold at special prices of which no one will complain. All carpets will be sold at cost.

**Baby Carriages and Refrigerators.**

Having had a great run on those $35 parlor suits of seven pieces, we turn our attention to baby carriages and refrigerators. Many will want them, and no family should, for a minute, be without them. The stock we display embraces the newer styles, the best makes and the lowest prices. The benefits of our credit system are always at the disposal of our customers. Therefore, bring what money you have and buy what you want. That is the rule at Redden's Furniture, Carpet and Stove Stores, at 930 and 932 7th street northwest.

**Houghton & Co.'s Unprecedented Inducements.**

The cheapest yet. Just read their bargains in furniture: 1 oak bureau, 1 bedstead, 1 washstand, 1 pair of feather pillows, 1 extra large oak table, 6 fine rush chairs, 1 wire mattress—all these serviceable and desirable articles, useful every day, for the small sum of $25.00. Again they offer 6 chairs and a six foot extension table for the surprising and unprecedented price of $10.00. And again, can you spare the small sum of $10? If so, see our 7-piece oak dining room suite, it is a daisy, and the price is almost nominal.

## ON THE COURTS.

**Tom Pettit the Champion of the World—Notes and Gossip.**

The turmoil that has disturbed Tennis circles for the past ten days has subsided, and those unfortunate players who did not win in the spring tournament are hard at work with the determination to "do better next time" when they tourney in the fall.

Macawley now holds the "Granberry Plaque," but must win again the championship next fall before becoming the owner. This plaque was first won in 1888 by Jack Pope, who has not since played here. Menocal has held the plaque since last fall, but was unable to play this spring on account of being in Nicaragua.

The Baltimore tournament commences to morrow, and many players from here will contest. A. H. C. Post is the champion of the Southern Lawn Tennis Association and of Baltimore also. Charlie Macawley, champion of the District, has entered and will give Post a tight tussle.

Thomas Pettit of Boston has won the championship of the world and $2,500, defeating Charles Saunders of England seven sets out of twelve.

The Glenbourne Tennis Club held a local tournament on its splendid courts, Fifteenth and Rhode Island avenue. The drawings were as follows:

Preliminary singles—Campbell plays Johnson, Simons plays Stockbridge, Cranston plays Fields and Will Willoughby plays George Wedderburn.

Doubles—Stockbridge and Wedderburn play Simons and Fitts, and Campbell and Cranston play Will Willoughby and partner.

Preliminaries: Ladies' singles—Miss Daisy Simons plays Miss Quackenbush, Miss Rose Simons plays Miss Dorothy Stockbridge, and Miss Sadie Simons plays Miss A. Bacon.

The drawings for the ladies' doubles have not taken place. This club, though comparatively young has some excellent players, especially among the ladies, and good playing is expected for the coming week.

The drawings for the third tournament of the Southern Lawn Tennis Association, which is to take place to-morrow at 10.30 a. m., have resulted as follows:

Singles, preliminary round—White vs. McCawley, Metcalf vs. Levering, Pennington vs. Farber, Stafford vs. Tobin, T. P. Borden vs. Hinckley.

First round—Woodward vs. Field, Nelson vs. Hodge, Davidson vs. Browne, Ober vs. McKenzie, J. McK. Borden vs. Winter, the winner to act between Farber and Pennington to play Peter.

Doubles—Stafford and Peter vs. Ober and Levering, J. McK. Borden and Wooton vs. Metcalf and Tobin, McCawley and Woodward vs. Post and Hodge, Atkinson and Browne vs. Pennington and Field, T. P. Borden and Davidson, bye.

**An Eighty-Year-Old Church.**

The eightieth anniversary of the Second Baptist Church was observed with appropriate exercises yesterday morning. The pulpit platform was adorned with fragrant cut flowers and plants. Pastor E. Hez Swem preached from the text "Four score years." He reviewed the history of the church since its organization in 1810, and said the church was out of debt.

**How Intelligent Women Decide.**

When the question has to be met as to what is the best course to adopt to secure a sure, safe and agreeable remedy for those organic diseases and weaknesses which afflict the female sex, there is but one wise decision, viz., a course of self-treatment with Dr. Pierce's Favorite Prescription. It is an unfailing specific for periodical pains, displacement, internal inflammation and all functional disorders that render the lives of so many women miserable and joyless. They who try it, praise it. Of druggists.

# THE SUBURBAN OUTLOOK

## TENNY AND RACELAND THE FAVORITES FOR THE RACE.

## A STRONG TIP ON ENGLISH LADY.

### A Comparatively Unknown Western Horse Which is Running Well....To-Day's Entries at Morris Park.

The Suburban handicap to be run on June 17 is now engaging the attention of racing men all over the country, and within the past week two horses have pushed their way to public favor so strongly that they will probably both go to the post with very small odds against them. The manner in which Tenny won the New York Jockey Club handicap stamps him a prime favorite, while the remarkable race Fides won on Saturday shows that she, too, is a remarkable horse. She made the best time on record at the distance—three-quarters of a mile—in the Toboggan handicap, and could have kept up the pace some time longer.

It is claimed that

RACELAND CAN OUTRUN HER.

If so, Mr. Belmont holds the winning card and his horse will divide the honors of favorite with Pulsifer's colt.

Tenny, of course, will be the favorite, with McLaughlin up, and he ought to do the trick. His admirers claim that, unless an accident happens, he will be first under the wire. It looks very much as if the race would be between Tenny and Raceland.

There is also a strong tip out on Salvator, but nobody exactly knows, except the owners, what Mr. Haggin's entry is capable of doing, and so nothing can be definitely learned. Firenzi is also certain to start.

According to the New York *World* there is a strong tip out on

ENGLISH LADY.

She dropped down in the books forty points, and as she only carries 94 pounds she looks as if she might have a chance. She is owned by the Scoggan Bros., the owners of Proctor Knott, and Western turf men describe her as a second Miss Woodford. She has started five times during the present season and earned brackets upon the last three races.

The entries and weights for to-day's races at Morris Park are as follows:

First race, sweepstakes, one mile and an eighth—Niagara, 126; Sluggard, 122; Kon, 122; Gypsy Queen, 122.

Second race, sweepstakes, three-year-olds, one mile—Sweet Home colt, 122; Watterson, 122; Fernwood, 122; Kingsbridge, 122; Favorita, 115; Dr. Helmuth, 115; Wyndham, 115; Clarendon, 115; Edith Gray, 110.

Third race, sweepstakes, two-year-olds, one-half mile—Kirkover, 118; Register, 118; Brentano, 118; Melrose, 118; McGinty, 118; Gold Dollar, 118; Flosette, 115; Miss Williams, 115; Blanche's Lass, 115; Parthenia, 115; Catalonia, 115; Maid of the Mist, 115; Mary Stone, 115; Vacation, 115; Martha Washington, 115; Dutch Girl, 115.

Fourth race, two-year-olds, selling, 5 furlongs—Sequence, colt, 118; Blithe, 118; Umpire Kelly, 114; Woodcutter, 108; Bertha Campbell, 105; Claudine, 105; Favora, 105; Priscilla, 105; Saxonette, 105; Evangeline, 105; Servitor, 104; Judge Mitchell, 100; Fonda, 91; Seabird, 91; Flagrant, 88; Lalonia, 87.

Fifth race, sweepstakes, 6 furlongs—Fitzjames, 117; Fordham, 117; Salisbury, 117; Vardee, 115; Blue Rock, 115; Rispah, 110; Civil Service, 104; Tormentor, 104; Peterborough, 99; Druidess, 99; Ethus, 97; The Tarter, 97; Extra Dry, 96; Lordlike, 96; Jersey Pat, 96; Coots, 92; Fannus, 102.

Sixth race, selling; 7 furlongs—Lady Pulsifer, 113; Sentiment, 112; Manola, 107; My Fellow, 107; Pelham, 105; Royal Garter, 104; King Idle, 104; Woodburn, 102; Lee Christy, 102; Bliss, 101; Arab, 100; Avery, 99; Dalsyrian, 99.

**A Murderer's Funeral.**

Benjamin Hawkins, the wife murderer who paid the penalty of his crime on the scaffold at the District jail last Thursday, was buried in Graceland Cemetery yesterday afternoon. The funeral exercises were held in Zion Hall after the church services had closed in the morning, and it is estimated that 4,000 people viewed the remains in the coffin. Rev. Dr. Howard, assisted by Rev. Mr. Roberts, conducted the services, which began at 2 o'clock.

**Sabbath School Temperance Meeting.**

The Sabbath School Temperance Society of the Metropolitan Presbyterian Church held their last meeting last evening in the auditorium of the church previous to the summer vacation. Mr. Harry Burroughs, president of the society, presided. Hymns and temperance quartettes were sung; Dr. Woodman sang a solo, and remarks were made by Drs. Dobson and Curtis and Pastor Corey.

**A New Hebrew Society.**

The incorporators and other members of the newly organized Hebrew society, known as a New Schowry Talmud Talry, met last night at Cohen's Hall, 628 Virginia avenue southwest, and a number of persons were present to assist in the installation of the association in South Washington.

## THE CENSUS-TAKER.

**Are You Prepared to Intelligently and Correctly Answer Him About Yourself When He Calls?**

The census-taker will make his calls to-day. He will ask you many questions, among others if you have property that is mortgaged, and whether you are suffering from any acute or chronic disease. Do you intend to answer him, and if so, what will you say? Few people know their own condition, and whether they are sick or well. Of course they know whether they suffer from headaches, loss of appetite, sleeplessness, etc.; whether they are in pain or free from pain, but whether this means disease or the coming on of disease they cannot answer. To all such let us say right here that these things do mean the coming on of disease. They are the indications of malaria in the system, which, unless driven out, will shorten the life and make it miserable. They are Nature's protest, and cannot be neglected with safety.

But the trouble with many people is that when these symptoms appear they do not understand what they mean, and so neglect them. They do not need any powerful medicine, for they do require prompt assistance. How, then, can they best be assisted? By gentle stimulation. All the leading physicians of the day agree in this. A pure stimulant—whisky preferably—taken in moderation, will tone up the system so that it can throw off the virus of coming disease. But just here is a most important point. The good effects of the stimulant employed depend absolutely on its purity. If it is not pure it poisons the system instead of assisting it, and here is where too many people make their great mistake. They do not discriminate. If you would know what to do under these circumstances, take the word of the highest authorities in the land. Professor Henry A. Mott, Professor William T. Cutter, Dr. Hutchinson and many other eminent men agree that for the qualities of purity and worth nothing has ever equaled Duffy's Pure Malt Whiskey. These qualities are what render it so far superior to any and all other so-called whiskey. They are the secret of its power. Under its influence the system can be toned up and strengthened without injurious reaction or the formation of any habit. It tends to renew life in the aged and restore it to those in middle life. For women, especially, who are weak, languid or suffering, as most women are, it is almost invaluable. Such are the beneficial qualities of this article, which years of popular favor have proven and confirmed.

The question of what answer shall be given the census enumerator is of less importance to men and women than the question they should ask themselves, namely: "In what condition am I to-day? Am I perfectly sound and well in body and in mind? Am I strong and vigorous, and is life a constant pleasure to me? If so, I am indeed happy, but if not, and I feel weary, despondent, unhappy, I need—must have—assistance." That the assistance required should be pure, gentle and health-giving there can be no doubt, and that the remedy above-named possesses these qualities has been proven beyond a doubt.

You will be surprised to see such a fine line of clothing at the low prices at the bankrupt sale, 311 Seventh street northwest.

**A Youth Drowned.**

Yesterday afternoon Ed. King, a 17-year-old colored boy, was drowned in the Potomac River, near the Long Bridge. There were a number of other boys in the water with him at the time, who gave an alarm, but without bringing anyone to the rescue. Two boys, one named Damon and the other Dyson, took the boy's clothing and went to the Twelfth street station, where they reported the drowning. King lived at 736 Tenth street. Steps are being taken to recover the body.

SCOTT'S EMULSION

Of Pure Cod Liver Oil with Hypophosphites Of Lime and Soda.

*There are emulsions and emulsions, and there is still much skimmed milk which masquerades as cream. Try as they will many manufacturers cannot so disguise their cod liver oil as to make it palatable to sensitive stomachs.
