DR. DUNCAN'S Expectorant Remedy, for CONSUMPTION,

Colds, Coughs, Spitting of Blood, Bronchitis, Difficulty of Breathing, Asthma, Pain in the Side, Breast and Chest, Whooping Cough, Croup, and all Diseases of the Liver and Lungs.

They Die of Consumption.

BEWARE OF THE DESTROYER.—How many persons put off from time to time that most important calling—attending to their health before it be too late. Look around us, particularly in our city, and we will duly behold hundreds of persons, whose countenances bespeak suffering with disease of the lungs and a protracted cough fast approaching their immortal destination, without, perhaps, being sensible of their serious situations. May this warning awake them in due season, and at once seek relief, which is to be found in Dr. DUNCAN'S EXPECTORANT REMEDY, a safe, pleasant and certain medicine for the cure of a cough and the premonitory symptoms that lead to CONSUMPTION. This medicine immediately heals the irritated lining of the Bronchi and Lungs, gives strength and support to the enfeebled frame, thus causing the lungs to throw off the viscid secreted matter that accumulates and settles upon them.

Read the following Case and Cure:

Let all the World know the wonderful efficacy of Dr. Duncan's EXPECTORANT REMEDY!

For the cure of CONSUMPTION, and the symptoms indicating "going into a decline."

DR. DUNCAN.—*Dear Sir*:—The undersigned, a patient under my care for the last three months, who has been labouring with *Phthisis Pulmonalis*, or pulmonary consumption, and finding that no medicine I could prescribe would afford him any relief, I was therefore determined to test your EXPECTORANT REMEDY, at the same time having no confidence in the medicine set forth to cure consumption, but to please the patient, I allowed him to send to your agent in Wooster, Dr. J. P. Coulter, for the medicine, which he did, and used it according to the directions accompanying the bottles and truly to my astonishment I found my patient fast improving, which he continued until he became perfectly well. I believe he used only 7 bottles. By his request, I write you these lines, hoping your expectorant medicine will continue to do for the consumptives generally as in the above case. Yours Respectfully,
DR. JAMES R. RICKEY.

I willingly subscribe my name to the above as being a solemn and sincere fact. I hope those afflicted with that dreadful disease, consumption, will find out your medicine in time, and be cured.
WM. R. WILKINS, Wayne County, O.

More Cures performed by Dr. Duncan's Expectorant Remedy!

DR. DUNCAN—*Dear Sir*:—You may perhaps remember that I consulted with you at your office in Cincinnati, in June last, when you examined my lungs and informed me that there was a small cavity forming in the lobe of my left lung, with slight ulcerations, and advised me to take a few bottles of the EXPECTORANT REMEDY, which I bought of you (6 bottles.) I have used 4 of them, and feel as well as I ever did in my life. My cough disappeared after using the first bottle, the pain in my breast also left me, my strength increased and also my appetite. The medicine caused me to raise large quantities of foul matter; after this was all thrown up, I felt relief at once. I think that the whole world should know something about the good effects of your "EXPECTORANT REMEDY," for the removal of the first symptoms leading to Consumption. Please inform me if you think it advisable for me to use the medicine any longer.
Yours truly, and ever grateful, HORACE BINNS,
Near Hamilton, O.

Consumption, or going into a Decline.

Cure follows Cure, by the use of Dr. Duncan's Expectorant Remedy.

Mr. WM. P. PETERS, Richmond, Indiana, was taken with a bad cold last spring, which settled upon his lungs, at length cavities and ulcers formed, his Physicians used everything that he thought of, but to no effect; he informed him that he could not be cured, that nothing more could be done; in the mean time, a friend of his, Mr. Cowell, informed him to send to David P. Holloway, who was in the habit of buying for the medicine, which he did. Before using two bottles, he found that he was getting better. After using six bottles he became perfectly satisfied that the medicine was certain to cure him as well as ever. He sent for six bottles more, and is happy to state to those afflicted, that he has used 4 of them and became in all respects healthy, and feels himself entirely cured. He wishes these lines published in the public papers, that others afflicted with Consumption may know the virtues of Dr. Duncan's Expectorant Remedy, and spare their lives.

We the undersigned are well acquainted with Mr Peters, and know his case to be as above stated.

New Agency in Indianapolis

FOR DR. DUNCAN'S EXPECTORANT REMEDY, the most successful medicine that ever made its appearance in the West for the cure of *CONSUMPTION*, and the symptoms indicating "going into a decline." The undersigned are the only agents for this county of whom this medicine can always be obtained, fresh from the manufacturer. 94-tm J. J. OWSLEY & Co, Indianapolis.

FLETCHER'S Celebrated Imperial Ague and Fever or Tonic Pills.

THE proprietors of this invaluable remedy for Ague and Fever or Intermittent Fever, deem it unnecessary to enter into a long dissertation relative to the disease for the radical cure of which the remedy now offered stands unrivalled. The universal prevalence of the Ague and Fever, and Intermittent Fever, throughout most of the States of the Union, and the thousands who annually suffer from it, unhappily render it so well known, that to dilate upon its symptoms or pathology, seems wholly unnecessary. It may, however, with propriety be observed, that the neglect to cure what is too often called "only the Ague and Fever," often leads to diseases more fatal in their nature—among which may be classed, diseases of the Liver and enlargement of the Spleen, commonly called *Ague Cake*, which in too many cases proves fatal.

Thousands of certificates might be published in reference to the efficacy of the Pills now offered to the public, which the Proprietors deem unnecessary to publish. Suffice it to say, they have never been known to fail in a single instance. ONE BOX, when taken according to directions, will cure any case of Ague and Fever, or Intermittent Fever. The ingredients being PURELY VEGETABLE, and entirely free from any deleterious substance, they are confidently recommended as the safest as well as the most efficacious article ever offered to the Public. The form in which these Pills are put up, (small tin boxes,) renders them more convenient than any other, as a man can carry them in his vest pocket without the slightest inconvenience.

It is deemed important previous to taking these Pills, that the Stomach and Bowels should be cleansed by a gentle cathartic. Fletcher's "*Ne Plus Ultra*" ANTI BILIOUS VEGETABLE CATHARTIC AND DEOBSTRUENT PILLS, are recommended as the very best article in all cases where a purgative is required, and are peculiarly adapted to precede the Ague and Fever Pills. Three of Fletcher's "Ne Plus Ultra" Pills should be taken before retiring to rest—and after a gentle operation in the morning, commence taking the Ague and Fever Pills.

On the Label pasted on each box, is the written signature of the Agent, in RED INK. None others are genuine.

FOR SALE BY JAMES WILLIAMSON, *Agent for the Proprietors*, No. 189 Water street, New York.

FLETCHER'S "Ne Plus Ultra" Vegetable Compound Cathartic and Deobstruent Pills.

THESE Pills, now for the first time offered to the Public, have been used in private practice upwards of Forty Years, by a celebrated Physician, formerly a member of the Royal College of Surgeons of London and Edinburgh, and Licentiate of Dublin University.

The Proprietors deem it unnecessary to enter into any lengthened discussion as to the merits of these Pills—neither will they say, that they will cure all the ills that human flesh is heir to"—in they lay claim to one *great fact*, and that is this; they are the very best Pills ever invented, not merely as a simple CATHARTIC, as their properties are various. They are a *Compound Cathartic, Anti Bilious and Deobstruent Pill*. They cleanse the *Stomach and Bowels*, without pain or griping; they act specifically upon the *Liver and Kidneys*, and as a Diuretic, they cause an *increased discharge of Urine*—restoring a healthful and proper action to the URINARY ORGANS. For mutility complaints, to which *Females* are liable, they will be found most efficacious in removing obstructions and restoring them to perfect health. It is perhaps needless to add, that if the STOMACH and BOWELS are kept in a proper state, no fears should be entertained in reference to the welfare of the body.

We need only say to those who have tried all other Pills, of whatever name, to give the "Ne Plus Ultra" one trial, and we feel perfectly confident, that they will satisfy *All* that *they are* THE PILLS! unequalled as well as unimpeachable!!

THE BRANDRETH'S PILLS.

THOSE of our citizens who desire a good medicine, will find one in the justly celebrated pills of Doctor Brandreth, which have performed cures upon thousands of helpless and hopeless persons, after the usual scientific skill of physicians had consoled them with the assurance that they could do no more. The properties of these Pills, as an anti-bilious and a scient medicine, are unrivalled; all who use them recommend them; their virtues surpass all eulogy, and must be used to be appreciated. The weak and delicate will be strengthened by their use, not by bracing, but by removing the cause of weakness, the gross and corrupt humors of the body. They require no change in the diet, or care of any kind. Plain directions accompany each box, so that every one is his own competent physician.

These pills are for sale by one agent in every town in the State, and in Indianapolis, by C. B. DAVIS, Bookseller, and by SMITH, HANNA & Co, these being the only authorized Agents. 46-y

CLOTHING, &c.

TO TAILORS.

THE subscriber takes this method of making known to the trade, that he has invented an almost entire new system of garment cutting upon the principle of actual measurement.

In introducing this system to the trade, the subscriber has spared himself the mortification of having to combat objections to the use of any apparatus or machinery of any kind for the purpose of securing the measure—having reduced the plan of measuring to the simple tape alone.

To describe this system in all its points and bearings, would occupy more time and space than he can reasonably devote. Feeling assured that the accompanying testimonials cannot fail to satisfy even the most incredulous of its perfection and decided superiority over all others heretofore introduced to the trade, he is located in the city of Indianapolis, where he would be happy to impart instructions in the above system to all who may favor him with a call.

To young men who are fond of travelling he would say that he is prepared to furnish the work upon terms that would yield them a handsome profit. He will dispose of State rights, and furnish the work with all the necessary instructions so that the purchaser can readily impart instructions to others.

Those wishing instructions in the art of garment cutting would do well to call and spend a few days with him, as it would afford him a better opportunity of giving satisfaction.

CERTIFICATES.

Extract of a letter, dated Cincinnati, Oct. 8th, 1846. The writer is acting as foreman and cutter for Mr. Shauriger, on Fourth street, who, it is said, does the largest and most fashionable business in that city.

MR. J. KNOWLAND—*Dear Sir*:—Yours of Sept. 29th is received, in which you ask me to inform you by return mail, with what success I have used your system. In answer, I would say, sir, that it affords me great pleasure to say to you that your system is in every way equal if not superior to the character you gave it when here. I have used nothing else since you were here, and I am positively certain that I shall never dispense with it for another. I have not had a single coat to alter since I have been using your system; nor do I have the least dread that I shall ever again be troubled upon that point. I have only to add, go on, and success must and will crown your efforts. Respectfully, ALEX. BOYD.

NEW ALBANY, Ind., June 4th, 1846.

We have never before given a certificate in suppor of any system of garment cutting heretofore invented; from the fact that we never saw one, after giving it a trial, that we thought worthy the patronage of the trade, until we tried J. Knowland's; which we have found upon fair trial to be as near the point of perfection as it is possible for the art of garment cutting to be rendered. By this system, we can fit even the most unaccommodating forms with the utmost precision. We would say to *Crook* Tailors that you can never be complete masters of the science of garment cutting until you secure the above system. HUNT & LAPPIN.

MADISON, Ind., Jan. 16, 1847.

We purchased of Mr. J. Knowland, some time last summer, a copy of his new system of garment cutting. We have tested it faithfully, and with the greatest pleasure, recommend it to the trade as the only system now in use, that we have seen, worthy of patronage. It is all it professes to be. E. N. LOUISVILLE, Ky., July 15th, 1846.

MR. J. KNOWLAND:—It gives us great pleasure to be able to contribute our mite in favor of the value of your system. Hundreds in all ages of the trade have labored in vain to win the same achievements in the art of garment cutting that you have gained. Nothing is wanting to bring your system into universal use among the trade, but a knowledge of its merits; and that it may speedily find its way amongst all who can appreciate its merits, and that you may reap the reward of your labors to advance the interests of the profession, permit us to subscribe ourselves, Yours, &c.,
Respectfully, SHERMAN & COLLINS.

Extract of a letter, dated LOUISVILLE, KY., Dec. 9th, 1846.

"I have used your system upon many forms that were never before fitted, and succeeded beyond my most sanguine expectations. That your system may continue to spread amongst the trade, is the sincere wish of your old friend, J. B. WALKER."

Extract of a letter, dated PARIS, KY., Dec. 3, 1846.

"I believe your system to be the best one *now in existence*."
C. C. DAUGHERTY."

Extract of a letter, dated DANVILLE, KY., Dec. 9th, 1846.

"All who bought your system in this section of the country, have come out master cutters. You have completely revolutionized the trade in this part of Kentucky. To deprive us of the knowledge of your system, and to prevent us from the use of it would be the means of destroying our business to a great extent. Respectfully, MOORE & BEFNER

LAFAYETTE, Ind. Dec. 20th, 1846.

Mr. J. Knowland was in this city teaching his system. It was purchased by nearly all the *crooks* in this place. He cut three coats by his system for my customers, and they were perfect, I assure you. I saw a number of others who said that themself and others cut by the same in this place, and they all, without a single exception, were complete in all parts. Respectfully,
R. C. NABB.

The above is an extract of a letter of introduction to D. Preston of Logansport, Ind.

CAMBRIDGE CITY, Ind., Nov. 20th, 1846.

Knowland's system of cutting is amongst some fifty or sixty different works on garment cutting that we have purchased and tested, with a view to rid ourselves of the disagreeable necessity of altering garments. We found no relief from those difficulties until we received instructions in the above system; since which all those troubles have been obviated. We therefore with the utmost confidence recommend it to the trade generally.
Respectfully, CUSTER & HAMILTON.

INDIANAPOLIS, Ind., Jan. 30th, 1847.

This is to certify that Matthews & Knowland's system, as invented by J. Knowland, has proved itself in my hands to be fully equal to what it is recommended to be, and I am bold to say, that to supercede it with another, is impossible. No one, after getting a correct knowledge of it would dispense with the use of it for any reasonable amount. 78-tf J. C. REED.
