THE DAILY CRITIC

CITY SPECIALS.

**$50,000 Worth of New and Elegant Furniture.**

Our stock of desirable furniture was never so complete in every department as it is at present. We have SOME invested in this line of goods, which has been operator purchased direct from the manufacturers, of first hands, and thereby saving the profits of the middle man, which is a saving of at least 33 per cent., of which we propose to give our customers the advantage. For the next six days you can buy any quality or style of furniture at prices that has never before been reached in this city.

These prices are bottom rock rates, and we cannot afford to sell them at these figures unless we get the cash or gilt-edged security. We are also overcrowded with as fine a stock of excellent furniture as ever has been exhibited in the National Capital, and it must be reduced, if low prices will accomplish this desired end. We make no discount of 33 per cent., but our prices are as low as our competitors, who propose to take off that percentage.

We have placed the figures so low on our goods that a discount would be utterly impossible. Our prices are less than most other merchants in the line of goods alone they have taken off that concession 33 per cent.

Now is your time to purchase all your furniture at the unprecedented low prices at our mammoth furniture establishment.

Our stock is complete in part of 75 handsome Parlor Suites, 100 elegant Chamber Suites, 65 splendid Sideboards, 30 bevel mirror and serviceable Hat Racks, and 40 different styles of Bedstead's dining room chairs. Also 80 different patterns of lounges and couches. 50 superb writing desks. Also an extensive assortment of china closets, book cases, secretaries, fancy rocking chairs, extension tables and many other articles too nice for that you need, but space forbids mention. A call is respectfully solicited at the great furniture emporium of fashion.

## OUTLIVED ITS USEFULNESS.

**The East Washington Citizens' Committee Nearly Disorganized.**

The East Washington Citizens' Association, in the opinion of its officers, has outlived its usefulness, and a general disorganization was threatened. Only a few members were present when the meeting was called to order at the Peabody School last night by President Millard, but the meeting was one of the liveliest in the history of the association.

Mr. De Land was the first speaker and he devoted himself to expressing satisfaction that the Commissioners had granted their request for a high school. He thought that the plan of using the Peabody School annex should be revived, and the sanitary defects of the building remedied. The question of the health of the school children was discussed at length by Messrs. Thomas W. Smith and Secretary Ground.

Mr. Chappell then thoroughly discussed the condition of East Washington streets, and said that the streets which the association particularly wanted had been stricken out. This fact aroused Mr. Ground's ire and he roundly denounced the Commissioners' work, and indulged in several personal remarks concerning those officials.

Mr. Smith made a point that Mr. Ground was out of order, and the point was sustained by the president. At this Mr. Ground became very angry and threatened to resign and go home.

Mr. Chappell expressed his opinion that the association was of no consequence and had outlived its usefulness.

President Millard then started the disorganization of the association by tendering his resignation, and Secretary Ground carried out his threat by handing in his also.

After adopting resolutions requesting the Commissioners to order the Baltimore and Ohio Railroad Company to relay its track between First and Ninth streets east and north of H street in order to conform with the grade of the streets, and protesting against squandering money on the improvement of Third street east, the meeting adjourned.

**Catarrh Cured.**

A clergyman, after years of suffering from that loathsome disease, Catarrh, and vainly trying every known remedy, at last found a prescription which completely cured and saved him from death. Any sufferer from this dreadful disease sending a self-addressed stamped envelope to Prof. Joseph A. Lawrence, 88 Warren street, New York, will receive the recipe free of charge.

**He Was Acquitted**

Joseph Eichlager, the keeper of a grocery store and milk depot at No. 1465 P street northwest, was tried for selling liquors in less quantities than a pint. John Carroll, whose family had had some trouble with Eichlager, testified that he had obtained liquor there by the drink, and in less quantities than a pint. Several other witnesses summoned by the Government denied that they had ever purchased either beer or any other liquors there in less quantities than a pint, neither had they seen any sold in the place.

Judge Miller dismissed the defendant.

**Half Rates to Philadelphia via Royal Blue Line.**

The B. & O. R. R. Co. will sell excursion tickets from Washington to Philadelphia at rate of one fare for the round trip for all trains October 31 and November 1, 2 and 3, good for fifteen days from date of sale. Similar tickets will also be sold to other points in the State of Pennsylvania.

**Stone Throwers Fined.**

At the New Jersey Avenue Police Court this morning there were fewer cases than at any time since the court has been going about on wheels. Edward Bickatts and William Woodward, two young white boys, were charged with throwing missiles in the locality of the Peabody School. The boys were fined $5 each.

**Found Dead in Bed.**

Late yesterday afternoon Josephine Brooks, a colored woman 18 years of age, was found dead in her room, 1229 Hagden's alley northwest. She is known to have been troubled with heart disease, and it is supposed that her death resulted from that cause. Coroner Patterson did not deem an inquest necessary, and gave a certificate in accordance with the facts.

**Advice to Mothers.**

Mrs. Winslow's Soothing Syrup should always be used for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic, and it is the best remedy for diarrhœa. 25c. a bottle.

# BIG FOOTBALL SCORES.

## TWO ONE-SIDED GAMES PLAYED IN THIS CITY YESTERDAY.

**The University of Pennsylvania Defeats the Virginia Students for the Championship — Princeton Defeats the Columbias.**

There was a large attendance at the football match at Capitol Park yesterday afternoon between the University of Pennsylvania and the University of Virginia. Many ladies were present and the event was a decided success socially. It was for the championship of the Middle States, and the superior weight of the men from the Pennsylvania University gave them the long disputed title, they winning by a score of 72 to 0.

Play was begun promptly at 4:15. The Virginia team took the goal course to the grand stand and the teams lined up as follows:

| Pennsylvania. | Positions. | Virginia. |
|---|---|---|
| Thayer | Full back | Stone |
| Thornton | Right guard | Ambler |
| Schaff | Right end | Greenway |
| Dervay | Right tackle | Abbott |
| Adams | Center rush | Lerr |
| Bowser | Left guard | Cunningham |
| Watkins | Left end | Whitaker |
| Griffin | Left tackle | Parish |
| Church | Half back | Elliott |
| Camp | Half back | Osborne |
| Vail | Quarter back | Daggett |

Mr. Allan D. Wilson and Mr. R. A. Watts, both of Princeton, were selected as referee and umpire. From the moment play began it was seen that the superior weight of the Pennsylvania team made anything like an equal match impossible.

The rush line of the Pennsylvania team was impregnable, being composed of men weighing upwards of 200 pounds each. The scene of the battle was at once shifted from the centre of the field to the near vicinity of the Virginia's goal. The latter, daunted and demoralized by the rush and weight of the opposing team, played with little spirit, and in three and a half minutes Church of the Pennsy's made a touch down, but Thayer failed to kick a goal.

The next point was scored by Vail, and this time Thayer kicked goal. Camp made the next touch down, and afterward Thayer punted the ball out to Church, who made a fine catch and scored another touch down. The first half resulted 40 to 0. In the second half the Virginia boys braced up a bit and for awhile had the ball in the Pennsylvania territory. But the big Northern boys quickly rushed it back again, however, and the second half and game went to them by a score of 72 to 0.

PRINCETON DEFEATS COLUMBIA.

The foot-ball loving public had a plethora of the sport yesterday, for in addition to the game at Capitol Park the champion Princeton team played the Columbia Athletic Club eleven on Analostan Island and won an easy victory by a score of 60 to 0. The attendance was small, only about 500 being present, many being kept away by the threatening weather.

The students won the toss and selected the north half of the grounds. During the entire game the ball was not on the Princeton side more than two or three times, and then only for a few seconds.

The teams lined up as follows:

| Columbia. | Position. | Princeton |
|---|---|---|
| Burrows | Half back | Homans |
| Veasey | Half back | Speer |
| Emery | Quarter back | Poe |
| Walsh | Right end | Furness |
| Wells | Right tackle | Speer |
| Lewis | Right guard | Thomas |
| Baxter | Center | Riggs |
| Wade | Left guard | Jefferson |
| Harban | Left tackle | Wood |
| Taylor | Left end | Warren |

After a rather bungling opening Homans made a beautiful run and touch down, from which Poe failed to kick a goal. Several other good plays were made, the Princetons scoring about as they pleased, and when time was called for the first half the score was 56 to 0.

It was getting dark and only about five minutes' of playing in the second half was consumed before King touched down and the game was called. Score, 60 to 0.

Officer Donovan yesterday afternoon found George Salisbury, an old veteran, under the influence of liquor and locked him up at the First Precinct Station. **RAISED A NEW POINT.**

**Mr. Sheehy Had Been Tried Once Before for the Same Offense.**

Patrick H. Sheehy, the alleged keeper of an unlicensed bar at Seventh street and the Boundary, figured in the Police Court again this morning. When the case was first called the defendant did not respond and his bond was declared forfeited and an attachment ordered issued. Subsequently he and his attorney, Mr. Shillington, appeared and the forfeiture was set aside.

In behalf of his client Mr. Shillington made a special plea in bar on the ground of former trial and acquittal for the same offense. Mr. Shillington produced a certified copy of the previous information, showing that the offense was the same as at present charged. District Attorney Dumont argued that the dismissal of Sheehy on the occasion referred to was on the ground of an informality in the information, and he did not consider that the defendants interests had been jeopardized.

Judge Miller said the point raised was a novel one, and he would take it under consideration. Witnesses testified as to the purchase of liquor in Sheehy's place by the drink.

Arguments as to the plea will be heard next Wednesday.

# The Liver

When out of order, involves every organ of the body. Remedies for some other derangement are frequently taken without the least effect, because it is the liver which is the real source of the trouble, and until that is set right there can be no health, strength, or comfort in any part of the system. Mercury, in some form, is a common specific for a sluggish liver, but a far safer and more effective medicine is

**Ayer's Pills.**

For loss of appetite, bilious troubles, constipation, indigestion, and sick headache, these Pills are unsurpassed.

"For a long time I was a sufferer from stomach, liver, and kidney troubles, experiencing much difficulty in digestion, with severe pains in the lumbar region and other parts of the body. Having tried a variety of remedies, including warm baths, with only temporary relief, about three months ago I began the use of Ayer's Pills, and my health is so much improved that I gladly testify to the superior merits of this medicine."—Manoel Jorge Pereira, Porto, Portugal.

"For the cure of headache, Ayer's Cathartic Pills are the most effective medicine I ever used."—E. K. James, Dorchester, Mass.

"When I feel the need of a cathartic, I take Ayer's Pills, and find them to be more effective than any other pill I ever took."—Mrs. R. C. Grubb, Burnsville, Va.

"I have found in Ayer's Pills an invaluable remedy for constipation, biliousness, and kindred disorders, peculiar to miasmatic localities. Taken in small and frequent doses, these Pills

"Whenever I am troubled with constipation, or suffer from loss of appetite, Ayer's Pills set me right again."—A. J. Kiser, Jr., Rock House, Va.

"In 1858, by the advice of a friend, I began the use of Ayer's Pills as a remedy for biliousness, constipation, high fevers, and colds. They served me better than anything I had previously tried, and I have used them in attacks of that sort ever since."—H. W. Hersh, Judsonia, Ark.
