"AID AND COMFORT" TO THE ENEMY.

POLK'S PASS TO SANTA ANNA.

The Commander of our Naval forces in the Gulf is hereby directed *not to obstruct* the passage of Gen. ANTONIA LOPEZ DE SANTA ANNA and suite to Mexico should he desire to return thither. JAMES K. POLK.
May 15, 1846.

Polk's admission of having granted the pass.

"When orders were issued to the Commander of our Naval forces in the Gulf, on the 15th day of May last, only two days after the existence of the war had been recognized by Congress, to place the coast of Mexico under blockade, *he was directed not to obstruct the passage of Santa Anna to Mexico should he return.*—*Polk's Annual Message to Congress, Dec. 7, 1846.*

It remains to be seen whether his return may not yet prove favorable to a pacific adjustment of existing difficulties.—*Ibid.*

What has been seen.

BATTLE OF MONTEREY.—September 21, 22, 23, 1846.—three days hard fighting between Gen. Zachary Taylor with three thousand men, and Gen. Ampudia with twelve thousand men, resulting in the capitulation of the City—loss of the Americans in killed and wounded—*Five Hundred!*

BATTLE OF BUENA VISTA.—February 22d 23d, between Gen. Zachary Taylor with five thousand volunteers, and *Santa Anna commanding a Mexican force of twenty thousand men*—resulting in the total overthrow of the enemy—loss of the Americans in killed and wounded—*Seven Hundred!*

FALL OF VERA CRUZ, and the Castle of Ulloa, March 29th, 1847, after several days bombardment of the town by Gen. Scott with fourteen thousand men—loss of the Americans in killed and wounded—*One Hundred!*

BATTLE OF CERRO GORDO—April 17th and 18th, two days hard fighting, between Gen. Scott with twelve thousand men, *and Santa Anna commanding a picked Mexican force of twenty thousand*, resulting in the overthrow of the enemy—loss of the Americans in killed and wounded—*Two Hundred and Fifty.*

TRIUMPHANT SUCCESS.

CONSUMPTIVES, remember that it is **Thomson's Compound Syrup of Tar and Wood Naphtha,** which is daily effecting such remarkable cures in pulmonary consumption, asthma, bronchitis, spitting blood, pain in the side and breast, sore throat, hoarseness, palpitation of the heart, whooping cough, croup, nervous tremors, hives, liver complaint, diseased kidneys, &c.

Therefore beware of all spurious mixtures of Tar or Naphtha, and purchase of the advertised agents only.

ANOTHER WONDERFUL CURE!

PHILADELPHIA, April 9, 1846.

Last August a year, I caught a violent cold, in consequence of getting wet in a shower of rain. A circumstance so common gave me no immediate concern, supposing that I should soon get rid of it. On the contrary, however, I daily grew worse; a violent cough set in, then pain in my breast and between my shoulders. I now suffered great oppression from the great secretion of purulent matter in my lungs. I became greatly alarmed; and my friends considered my situation extremely critical, the more so as loss of appetite, hectic fever, and night sweats rendered me as weak as a child, and at night the sweat literally poured off me! This was my condition when I commenced using "Thomson's Compound Syrup of Tar and Wood Naphtha." I procured one bottle, and experienced so much benefit that I resolved to continue it. It is now six months since I ceased using the medicine, and the cure remains perfect. I firmly believe this medicine is far superior to every other remedy for Consumption of the Lungs.
J. J. CHAMBERLAIN, No. 8, Carberry street.
Affirmed and subscribed this 9th day of April, 1846, before me.
JOHN SWIFT, Mayor of Philadelphia.

$500 REWARD.

THE above reward will be paid to any person who will restore to her disconsolate parents, their daughter, MARY FOX, or one half of said reward for such information as will lead to her recovery. Said Mary left her school about 5 P. M., on the 20th of May, 1847, and since that time has not been seen. She is only 15 years of age, 4 feet 9 inches, black hair, small black eyes, rather thick pouting lips, red cheeks, small features, pretty and quite girlish in appearance. She wore a small plaid calico dress, pink, purple and blue; black silk cape and apron, black gaiter boots, pink silk shirred hat, and green veil; two small chased finger rings, a gold pencil attached to a black cord, and her nails quite short from biting them. It is strongly suspected that she has been abducted by a person named Michael, alias Martin Hare, formerly proprietor of a Bowling Saloon, located near No. 202 Broadway, opposite the Franklin House, who absconded about that time from this city, deserting his wife and leaving her entirely destitute of support.
Said Hare is about 28 years of age, no whiskers, fair complexion, and rather genteel appearance. He was seen lurking in the neighborhood of her school a short time previous, disguised with false whiskers.
A sister of Hare, named Margaret, was removed by him from a boarding school about the time of the abduction, and is supposed to be with them. She is described as follows:—Very dark hair, almost black; dark skin, grey eyes, prominent eyebrows, a small scar on one eyebrow, a small scar on the right cheek as if made by small pox, a scar formed by a gash upon the end of the nose, nearly an inch in length, the tooth next to the first double tooth on the left side of the face gone; she is about seventeen years of age.
Any information to be immediately communicated, by telegraph, if possible, to George W. Matsell, Chief of Police, New York, who is authorized to pay the above reward. jy 21 tf

TEAS, TEAS.
Washington, D. C.
Agency of the New York
CANTON TEA COMPANY.
largest and oldest Tea Establishment in America.—The public have had full proof of their integrity and responsibility. But such has been the great and pressing demand for their TEAS of late, that they have been obliged to enlarge, to a great extent, their two principal establishments in New York, viz:
125 CHATHAM AND 163 GREENWICH STREETS.
They moreover possess facilities, in relation to the Tea Trade, in a very abundant degree, and doubtless, superior to any other Tea Concern in America. Their scrupulous regard to all principles that tend to elevate the character of a large house, is well understood, and has already secured them a connection, probably, larger than all other Tea Establishments united, and they consequently are determined to sell Teas *purer, more fragrant, and perfect for the prices*, in the aggregate, than any house in the world—China excepted.
They most zealously invite the attention of the inhabitants of WASHINGTON, D. C., to their Agency, where the following assortments are always on hand; and they feel no hesitation in stating that wherever a *single trial* is made, a very decided preference is given to the celebrated Teas of the CANTON TEA COMPANY.

Every package (in addition to its containing FULL WEIGHT, independant of the wrapper,) bear the stamp of neatness and elegance, and the Teas therein are so thoroughly secured from light and air, that their quality and power will remain unimpaired in any climate.
