**DR. DUNCAN'S Expectorant Remedy for CONSUMPTION,**

*Colds, Coughs, Spitting of Blood Bronchitis, Difficulty of Breathing, Asthma, Pain in the Side, Breast and Chest, Whooping Cough, Croup, and all Diseases of the Liver and Lungs.*

**They Die of Consumption.**

BEWARE OF THE DESTROYER.—How many persons put off from time to time that most important calling—attending to their health before it be too late. Look around us, particularly in our city, and we will daily behold hundreds of persons, whose countenances bespeak suffering with disease of the lungs and a protracted cough, fast approaching their immortal destination, without, perhaps, being sensible of their serious situations. May this warning awake them in due season, and at once seek relief, which is to be found in Dr. DUNCAN'S EXPECTORANT REMEDY, a safe, pleasant and certain medicine for the cure of a cough and the premonitory symptoms that lead to CONSUMPTION. This medicine immediately heals the irritated Membrane of the Bronchi and Lungs, gives strength and support to the enfeebled frame, thus causing the lungs to throw off the viscid secreted matter that it accumulates and settles upon them.

*Read the following Cases and Cures:*

*Let all the World know the wonderful efficacy of Dr. Duncan's EXPECTORANT REMEDY!*

*For the cure of CONSUMPTION, and the symptoms indicating "going into a decline."*

DR. DUNCAN—*Dear Sir*—The undersigned, a patient under my care for the last three months, who has been labouring with *Diseased Pulmonary* or pulmonary consumption, and finding that no medicine I could prescribe would afford him any relief, I was therefore determined to test your EXPECTORANT REMEDY, at the same time having no confidence in the medicine set forth to cure consumption, but to please the patient, I allowed him to send to your agent in Wooster, Dr. J. P. Comfiter, for the medicine, which he did, and used it according to the directions accompanying the bottles, and truly to my astonishment I found my patient fast improving, which he continued until he became perfectly well. I believe he used only 7 bottles. By his request, I write you these lines, hoping your expectorant medicine will continue to do for the community generally as in the above case. Yours Respectfully,

DR. JAMES R. RUKEY.

I willingly subscribe my name to the above as being a solemn and sincere fact. I hope these afflicted with that dreadful disease, consumption, will find out your medicine in time, and be cured.

WM. H. WILKINS, Wayne County, O.

*More Cures performed by Dr. Duncan's Expectorant Remedy!*

DR. DUNCAN—*Dear Sir*—You may perhaps remember that I consulted with you at your office in Cincinnati, in June last, when you examined my lungs and informed me that there was a small cavity forming in the lobe of my left lung, with a cough of three months, and advised me to take a few bottles of your EXPECTORANT REMEDY, which I bought of you (6 bottles.) I have used 4 of them, and feel as well as I ever did in my life. My cough disappeared after using the first bottle, the pain in my breast also left me, my strength increased and also my appetite. The medicine caused me to expector to large quantities of foul matter; after this was all thrown up, it left relief at once. I think that the whole world should know something about the good effects of your "EXPECTORANT REMEDY," for the removal of the first symptoms leading to Consumption. Please inform me if you think it advisable for me to use the medicine any longer.

Yours truly, and ever grateful, HORACE BINNS,

Near Hamilton, O.

**Consumption, or going into a Decline.**

*Cure follows Cure, by the use of Dr. Duncan's Expectorant Remedy.*

Mr. WM. P. PETERS, Richmond, Indiana, was taken with a bad cold last spring, which settled upon his lungs at length cavities and ulcers formed, his Physician used everything that he thought of, but to no effect; he informed him that he could not be cured, that nothing more could be done; in the mean time, a friend of his, Mr. Howell, informed him to send to David P. Holloway, who is agent in that place, for the medicine, which he did. Before using two bottles, he found that he was getting better. After using six bottles he became perfectly satisfied that the medicine was certain to cure him as well as ever. He sent for six bottles more, and is happy to state to those afflicted, that he has used 10 of them and became in all respects healty, and feels himself entirely cured. He wishes these lines published in the public papers, that others afflicted with Consumption may know the virtues of Dr. Duncan's Expectorant Remedy, and spare their lives.

We the undersigned are well acquainted with Mr. Peters, and know his case to be as above stated.

JAMES PETERS,
ISAAC HANNA,
GEO. DULL,
A. Y. KEYSON, Esq.

**NOTICE.**

DISSOLUTION OF COPARTNERSHIP.—The copartnership heretofore existing, under the name of WM. SWAIM & SON, was dissolved on the 31st of July last, by the decease of the said Wm. Swaim, and the business is now, and will be in future, conducted exclusively by the subscriber, who has had the sole charge of the manufacturing of the Panacea and vermifuge for the last ten years.

The Panacea will be put up as usual in round bottles, fluted longitudinally, with the following letters blown on the glass:—"*Swaim's Panacea, Philada.*" and the only change made is the name of JAS. SWAIM stamped on the sealing wax, and written on the label covering the cork, and a new label for the side of the bottle, composed of geometric lathe work, comprising nine different dies, which have been used for the exclusive use of the proprietor, by Draper & Co., bank note engravers of Philadelphia. Four dies of different patterns form the body of the work, and in the centre is a portrait of the late Wm Swaim, separated from the border by two circles of lathe work. The words "Swaim's Panacea," are engraved on a concave ribbon, two thirds arcs, and a large semi circular die forms the upper margin. The borders are composed of plain lathe work strips, outside of which is engraved in small letters the entry of the copy right.

Philadelphia, August, 1846. JAMES SWAIM.

**THE BRANDRETH'S PILLS.**

THOSE of our citizens who desire a good medicine, will find one in the justly celebrated pills of Doctor Brandreth, which have performed cures upon thousands of helpless and hopeless persons, after the most scientific skill of physicians had consoled them with the assurance that they could do no more. The properties of these Pills, as an antibilious and aperient medicine, are unrivalled; all who use them recommend them; their virtues surpass all eulogy, and must be used to be appreciated. The work and labor of ages will be strengthened by their use, not by bracing, but by removing the cause of weakness, the gross and corrupt humors of the body. They require no change in the diet, or care of any kind. Plain directions accompany each box, so that every one is his own competent physician.

These pills are for sale in every agent in every town in the State, and at Indianapolis, by C. B. DAVIS, Bookseller, and by SMITH, HANNA & Co., these being the only authorized Agents. 46-y
