The Graefenberg Vegetable Pills.

20,000 *Boxes sold each and every week!!!*

THE GRAEFENBERG COMPANY

HEREBY give notice, that their General Agent is fully prepared to appoint sub-Agents wherever there is no branch of the Company; either on personal application or by mail, *post paid.* The rapid sale of these celebrated pills, and the extraordinary cures they are constantly effecting, render them, by far, the most popular pill of the age. An Agency will consequently be very valuable.

The Graefenberg Pills are inconceivably superior to any ever before discovered. In all bilious complaints, in a general derangement of the system, in all disorders which result from a bad state of the blood, these pills are a sovereign remedy.

In the close of diseases called chronic, the Graefenberg Pills achieve their highest triumphs. Here they defy all competition. Entering within the hidden recesses of the system, they quietly but surely purify the blood, root out disease, and give tone and vigor to the body.

Cures are Constantly Effected

By these Pills, in cases where every other means had utterly failed. The most abundant proof of this could be given, but a trial of one box will convince the patient. They can be ordered and sent by mail, at trifling expense. The price is 25 cents a box. *If over two dollars each are ordered and the money remitted, the Company will pay the postage on the Pills.* Remittances at the Company's risk. Wherever there is no Agency of the Company, they can be ordered by mail.

These Pills are taking the place of all others, and no sick person should be without them.

All Bilious Complaints,

BOWEL COMPLAINTS, DYSPEPSIA, DYSPEPSIA, FEVER AND AGUE, HEADACHE, JAUNDICE, LIVER COMPLAINTS, RHEUMATISM, ALL STOMACH COMPLAINTS, GREEN SICKNESS, &c. &c., yield at once to these Pills. They purge away obnoxious humors, arrest the progress of disease, and at the same time restore tone and vigor to the system. In cases of general derangement of the health, they are SOVEREIGN.

By their Use,

The weak will become strong; the pale and bilious complexion be restored to a perfectly fresh and healthy color; all the bad symptoms will one by one disappear.

In short, these Pills are an inconceivable advance upon any other medicine ever before offered to the public. A TRIAL WILL SATISFY ANY ONE OF THIS.

MEDICAL.

TO THE PUBLIC.

DR. McLANE'S LIVER PILLS

THE unprecedented demand for Dr. M'LANE'S LIVER PILL, since their introduction by us as his agents, has far exceeded our most sanguine expectations. It is now about TEN YEARS since they were brought before the public. During this time hundreds of certificates have been handed us, testifying to their efficacy, and stating the very great relief they had derived from the use of them. We have now in our possession many certificates from respectable persons, who have used Dr. M'LANE'S LIVER PILL with the most happy results, where every other known remedy has been used in vain. Also, quite a number of regular physicians, of good standing, through the country, are using and recommending them in their practice.

It has been our sincere wish, that these Pills should be fairly and fully tested by experience, and survey fall by the effects produced. That they have been so tested, and that the result has been in every respect favorable, we call thousands to witness, who have experienced their beneficial effects.

Dr. M'LANE'S LIVER PILLS are not held forth or recommended (like most of the popular medicines of the day) as universal cure-alls, but simply for LIVER COMPLAINTS, and those symptoms connected with a deranged state of that organ.

J. KIDD & CO.

Dr. McLane's Liver Pill.

The demand for these Pills is truly surprising! Country merchants who heretofore could hardly be induced to purchase *one dozen, now buy six.* Read the following from New Castle, viz:

Messrs. J. Kidd & Co. Gentlemen.—Please send me another half gross of M'Lane's Pills. The half gross I purchased a few months ago are all sold—indeed, since my customers have used "*Dr. M'Lane's Pills*," and found them so efficacious, I can scarcely sell any other, although I am agent for most of the Pills now before the public.

Respectfully yours, W. WATSON.

Dr. McLANE'S VERMIFUGE

A medicine which is perfectly safe, and may be given to children, from tender infancy to advanced age, lays under no restraint as to cold water, or any kind of food. Purges mildly, subdues fever—destroys and expels worms with invariable success—and is easily administered to children.

That it possesses these valuable properties, is fearlessly asserted—still claiming the additional advantages of being given in small bulk, and requiring none of the drenching which Worm Tea and other supposed Vermifuges demand. During its brilliant career, it has been introduced into many families, where every other known and accessible Vermifuge has been tried without the least success, where it has promptly expelled Worms to an almost incredible amount.

As evidence of the surprising effects of Dr. M'LANE'S WORM SPECIFIC, we give the following:

On Saturday, February 7th, 1846, Mr. James Richardson called at the Drug Store of J. Kidd & Co., corner of Wood and Fourth streets, Pittsburgh, Pa., and made the following statement:—"A child of mine had been very sick for some ten days—we had given her purgative medicines, but it had done her no good. One of our neighbors came in and said it was Worms that was destroying the child, and at the same time spoke of the wonderful effects she had witnessed from using *Dr. M'Lane's Worm Specific*, in that neighborhood. We procured a vial—gave one teaspoonful, and twenty-eight discharged *fourteen worms!* Then gave another teaspoonful, which brought forty-six more, making in all *eighty-eight* Worms. As a duty I owe to you, and the community at large, I freely make known these facts. My child is now well. What is most remarkable, the *Worm Specific* expelled the Worms alive, in about four hours after I gave it to a child."

More and Later.

Messrs. Kidd & Co. Gentlemen,—I gave the vial of Dr. M'Lane's Vermifuge, which I bought from you the other day, to a child of mine. The result was extraordinary. She passed *one hundred* Worms. It is truly a surprising medicine.

SMITH'S TONIC SYRUP.
For the Cure of Ague and Fever,
Or Chills and Fever.

THE proprietor of the celebrated medicine justly claims for it a superiority over all other remedies ever offered to the public for the *safe, certain, speedy and permanent cure* of Ague and Fever, or Chills and Fever. He refers to the whole Western country to bear him testimony to the superior virtues of this medicine will it fail to cure if the directions are strictly followed and carried out, and with this assurance he is fully prepared to warrant a cure in all forms whatever of Ague and Fever or Chills and Fever, whether of short or long standing; and a 1 person selling it are hereby authorized to return the money to persons who have tried it as directed, when it shall have fairly failed to cure. In a great many cases a single dose has been sufficient for a cure, and in several instances a whole family have been cured by a single bottle with a perfect restoration of the general health. It is product in every case, and more especially in those of long standing, to continue the use of this medicine for several days after the disease is checked. Most usually this medicine will require no aid to keep the bowels in good order; should the patient, however, require a cathartic medicine after having taken three or four doses of the Tonic, a single dose of Lee's or Cook's Pills, or any of the ordinary cathartics, will be sufficient.

This remedy has now been extensively used throughout the West and Southwest for the last seven years, and within that period has permanently cured over 20,000 cases, in all the varied forms, many of which had been of from one to three years standing, and had resisted all the usual remedies known in the country, and in no case did this medicine fail where the directions were followed properly. Such is its invariable success that a large number of respectable practitioners of medicine in various parts of the country, use and prescribe it in preference to Quinine and all other remedies.

The public are assured that it is not only certain in its effects as a Tonic, but being composed entirely of vegetable substances is perfectly innocent in any cases or circumstances, and may be given to females, infants, and all persons of debilitated and delicate constitutions without the least fear whatever of any unpleasant effect.

This medicine is composed of articles of the purest and purest quality, and is always made by the proprietor in person, after the established forms of pharmacy, (which cannot be said of the many Tonics now flooding the Western and Southwestern country,) and in this respect alone is rendered greatly superior to the remedies usually prepared and sold in the country.

By its superior and peculiar diaphoretic properties, added to its tonic qualities, it is rendered eminently superior to Quinine and other remedies, as a general and popular Tonic in all cases whatever, where Tonics are proper to be administered. The proprietor, therefore, would respectfully invite practitioners and the public generally, to give it but a fair trial, and they will then become convinced of its great superiority over all other remedies now in use for the purposes specified.

Persons living in districts of country subject to Ague and Fever, Chills and Fever, or Bilious Fevers, would do well to keep a supply of this valuable remedy always on hand, especially it medical aid cannot be conveniently had.

The proprietor has now in his possession hundreds of certificates of its value, given by persons who have used it, with many letters from merchants who have sold it largely in their country, as well as from many respectable practitioners, who have recd it in preference to other remedies, directed to him.

WILSON, LAFBIRD & SMITH,
Proprietors, Louisville, Ky.

We, the undersigned, do hereby cheerfully certify, that we have sold largely of Smith's Tonic Syrup in our neighborhood, and in very many cases have personally seen and known it used among our acquaintance, and from what we have seen and know of its merits, do, without hesitation, recommend it to our friends and the public generally, as the most speedy, permanent, and innocent remedy that we have ever seen or heard of in the cured Ague and Fever or Chills and Fever, and can believe that it will in no case fail to cure, in the cases we are properly followed.

NO DECEPTION.

NOT a week passes away without we have to record some of the most astonishing cures of long-continued Asthma, Incipient Consumption, Bleeding at the Lungs, Bronchitis, Difficulty of Breathing, and the various diseases to which the Lungs and Throat are subject, by

Sherman's Oleomonian,
Or All-Healing Balsam.

It has proved itself to be the best medicine ever offered to the public. Thousands have already tested its virtues, and have never found it to fail in curing the diseases for which it is recommended. Nor do they have to wait long in order to know whether it will be productive of good effects, as they are assured that if

One Bottle

Produces *no good effects* upon the sufferer, twenty Bottles will not, and it is not, therefore, necessary that they should spend their money in vain.

Beware of a Slight Cough.

Although it is passed over as unimportant, it will soon become seated—Consumption follows in its wake. Take heed to a *pain in the side and soreness in the chest* especially if attended with raising of *Mucous*, streaked with *Blood*. These are dangerous symptoms; but they are quickly and effectually overcome by the above remedy. Ask the sufferer from that distressing complaint,

Asthma,

What he thinks of the Oleomonian or All Healing Balsam, and he will tell you he cannot live comfortably without it. It relieves all that *Difficulty of Breathing*, Cough, and Tightness of the Chest, gives quiet and refreshing slumber, and does for the Asthmatic what no other remedy in the world will do. Witness the case of Henry Jackson, 13th street; Wilkins Bond, the well-known Boston Cracker Baker, Brooklyn; Mr. Wilkinson, Hoboken; Mrs. Bell, Morristown, N. J.; Mrs. Lucretia Wells, 322 Pearl street; W. C. Gowan, Woodstock, Ulster county; and Mrs. Archibald, 25 White street.

Raising of Blood

Is effectually checked by this remedy, when all other means have failed. Hundreds of cases might be related, where persons in the city have been given up, and pronounced as past hope, who have been restored by this great remedy to the enjoyment of health. Mrs. Thompkins, 312 Monroe street; Dennis Kelly, 26 Water street; Charles Roberts, 171 Canal street; Henry Hudson, 190 Rivington street; and hundreds of others, who have used the remedy, can testify to the truth of the above assertion.

Beware of using only

Palliative Remedies.

They fall into apparent security, but the progress of the disease is unchecked, and death ensues. Resort at once to this Great Remedy, and you will not be disappointed in your hopes.

DR. DUNCAN'S
Expectorant Remedy, for
CONSUMPTION,

Colds, Coughs, Spitting of Blood, Bronchitis, Difficulty of Breathing, Asthma, Pain in the Side, Breast and Chest, Whooping Cough, Croup, and all Diseases of the Liver and Lungs.

They Die of Consumption.

BEWARE OF THE DESTROYER.—How many persons put off from time to time that most important calling—attending to their health before it be too late. Look around us, particularly in our city, and we will daily behold hundreds of persons, who so countenances bespeak suffering with disease of the lungs and a protracted cough, fast approaching their immortal destination, without, perhaps, being sensible of their serious situations. May this warning awake them in due season, and at once seek relief, which is to be found in Dr. DUNCAN'S EXPECTORANT REMEDY, a safe, pleasant and certain medicine for the cure of a cough and the premonitory symptoms that lead to CONSUMPTION. This medicine immediately heals the irritated Membrane of the Bronchi and Lungs, gives strength and support to the enfeebled frame, thus causing the lungs to throw off the viscid secreted matter that accumulates and settles upon them.

Read the following Case and Cure:
Let all the World know the wonderful efficacy of Dr. Duncan's EXPECTORANT REMEDY!
For the cure of CONSUMPTION, and the symptoms indicating "going into a decline."

DR. DUNCAN—*Dear Sir*:—The undersigned, a patient under my care for the last three months, who has been labouring with *Pathisis Pulmonalis*, or pulmonary consumption, and finding that no medicine I could prescribe would afford him any relief, I was therefore determined to test your EXPECTORANT REMEDY, at the same time having no confidence in the medicine set forth to cure consumption; but to please the patient, I allowed him to send to your agent in Wooster, Dr. J. P. Conherr, for the medicine, which he did, and need it according to the directions accompanying the bottles and truly to my astonishment I found my patient fast improving, which, he continued until he became perfectly well. I believe he used only 7 bottles. By his request, I write you these lines, hoping your expectorant medicine will continue to do for the consumptives generally as in the above case. Yours, respectfully,

DR. JAMES R. RICKEY.

I willingly subscribe my name to the above as being a solemn and sincere fact. I hope those afflicted with that dreadful disease, consumption, will find out your medicine in time, and be cured.

WM. H. WILKINS, Wayne County, O.

More Cures performed by Dr. Duncan's Expectorant Remedy!

DR. DUNCAN—*Dear Sir*.—You may perhaps remember that I consulted with you at your office in Cincinnati, in June last, when you examined my lungs and informed me that there was a small cavity forming in the lobe of my left lung, with slight ulcerations, and advised me to take a few bottles of the EXPECTORANT REMEDY, which I bought of you (6 bottles.) I have used 4 of them, and feel as well as I ever did in my life. My cough disappeared after using the first bottle, the pain in my breast also left me, my strength increased and also my appetite. The medicine caused me to expector a large quantities of foul matter; after this was all thrown up, I felt relief at once. I think that the whole world should know something about the good effects of your "EXPECTORANT REMEDY," for the removal of the first symptoms leading to Consumption. Please inform me if you think it advisable for me to use the same in future.

Yours truly, and ever grateful, HORICE BINNS,
Near Hamilton, O.

Consumption, or going into a Decline.
Cure follows Cure, by the use of Dr. Duncan's Expectorant Remedy.

Mr. WM. P. PETERS, Richmond, Indiana, was taken with a bad cold last spring, which seated upon his lungs, at length cavities and ulcers formed, his Physician used everything that he thought of, but to no effect; he informed him that he could not be cured, that nothing more could be done; in the mean time, a friend of his, Mr. Howell, induced him to send to David T. Holloway, who is agent in that place, for the medicine, which he did. Before using two bottles, he found that he was getting better. After using six bottles he became perfectly satisfied that the medicine was certain to cure him as well as ever. He sent for six bottles more, and is happy to state to those afflicted, that he has now 7 of them and become in all respects healthy, and feels himself entirely cured. He wishes these lines published in the public papers, that others afflicted with Consumption may know the virtues of Dr. Duncan's Expectorant Remedy, and spare their lives.

We the undersigned are well acquainted with Mr. Peters, and know his case to be as above stated.

BRAGG'S INDIAN QUEEN VEGETABLE SUGAR COATED PILLS

A DESTRUCTIVE ENEMY

IS to contend with—operating silently but constantly upon our constitutions, it fastens upon us the most formidable diseases, or, worse,

And nearly six victims of all seasons of life, spring,

And by whose ravages three-fourths of the whole human family are carried

Off the Stage of Action.

We allude to fevers in their different forms, because fever is so common in some form or other, either as ague and fever, bilious fever, remittent fever, rheumatic fever, &c. The *Apparent* Long Years are disregarded, and often, after the disease is deep-seated, it is neglected, until it is too late for relief to be afforded, and

The Sufferer Dies.

It is fortunate, however, for the world, that a sovereign remedy for the above enfeebler forms of fever, in all curable cases, is found in the prompt and timely use of *Dr. Bragg's Indian Queen Vegetable Sugar Coated Pills.* They are more extensively circulated than any other medicine offered to the public, and are daily the *Thousands* of cures annually. They are highly esteemed and appreciated as a boon of inestimable value to the community, wherever they have been introduced.

There are thousands of witnesses, some of whom are among the most respectable of our citizens, who can testify to the wonderful properties of these medicines, and the immediate permanent cures effected by them. They are emphatically *a family medicine*; and no family should be without them in the house, ready for use when necessary. They are certainly superior, as a purgative, for cleansing the system from all forms of disease, to any other medicine known.

Read and Consider.

(Extract of a letter from Dr. Jesse C. Boggs, teacher to Ex-Governor Boggs of Missouri, which one of the medicines enclosed and directed his attention to, in a foreign country. He is a graduate of the Louisville University, having filled a very important office under the Federal Government, as United States Consul to the Republic of Mexico.)

Dr. Bragg: Dear Sir—Since your agent was with us, I have been very cautiously of testing the virtues of your pills, and find them to answer all the purposes for which they are recommended; the consequence is, that I shall recommend them in my practice, and also to every disengaged population. If we have one small quantity of sick, we, and especially the negroes in client to our country, the probability is that an immense quantity of your pills can be disposed of.

If you see proper, therefore, you can forward to this agency a good supply; and in fact, I would make this, as it is the centre of the Chickasaw country, a point from which agents in this and the adjoining counties could be supplied on application. You will address me here, care of H. Hersh & Co., Memphis, Tenn., at the same time, forward express instructions as regards remittances, advertising, &c. Very respectfully, your obt. serv't,

JAMES C. BOGGS, M. D.
