DR. DUNCAN'S Expectorant Remedy, for CONSUMPTION.

Colds, Coughs, Spitting of Blood, Bronchitis, Difficulty of Breathing, Asthma, Pain in the Side, Breast and Chest, Whooping Cough, Croup, and all Diseases of the Liver and Lungs.

They Die of Consumption.

BEWARE OF THE DESTROYER.—How many persons put off from time to time that most important calling—attending to their health before it be too late. Look around us, particularly in our city, and we will daily behold hundreds of persons, whose countenances bespeak suffering with disease of the lungs and a protracted cough, fast approaching their untimely destination, without perhaps, being sensible of their serious situation. May this warning awake them in due season, or at least, seek relief, which is to be found in Dr. DUNCAN'S EXPECTORANT REMEDY, a safe, pleasant and certain medicine for the cure of a cough and the pre-monitory symptoms that lead to CONSUMPTION. This medicine immediately heals the irritated Membrane of the Bronchi and lungs, gives strength and support to the enfeebled frame, thus causing the lungs to throw off the vitiated secreted matter that accumulates and settles upon them.

Read the following Case and Cures:

Let all the World know the wonderful efficacy of Dr. Duncan's EXPECTORANT REMEDY!

For the cure of CONSUMPTION, and the symptoms indicating ongoing into a decline."

DR. DUNCAN—*Dear Sir*—The undersigned, a patient under my care for the last three months, who has been labouring with *Pathos Pulmonalis*, or pulmonary consumption, and finding that no medicine I could prescribe would afford him any relief, I was therefore determined to test your EXPECTORANT REMEDY, at the same time having no confidence in the medicine set forth to cure consumption, but to please the patient, I allowed him to send to your agent in Wooster, Dr. J. P. Coulter, for the medicine, which he did, and used it according to the directions accompanying the bottles, and truly to my astonishment I found my patient fast improving, which, he continued until he became perfectly well. I believe he used only 7 bottles. By this request, I write you these lines, hoping your expectorant medicine will continue to do for the consumptives generally as in the above case. Yours Respectfully,

DR. JAMES R. RICKEY.

I willingly subscribe my name to the above as being a solemn and sincere fact. I hope those afflicted with that dreadful disease, consumption, will find out your medicine in time, and be cured.

WM. H. WILKINS, Wayne County, O.

More Cures performed by Dr. Duncan's Expectorant Remedy!

DR. DUNCAN—*Dear Sir*—You may perhaps remember that I consulted with you at your office in Cincinnati, in June last, when you examined my lungs and informed me that there was a small cavity forming in the lobe of my left lung, with slight ulcerations, and advised me to take a few bottles of the EXPECTORANT REMEDY, which I bought of you (6 bottles.) I have used 4 of them, and feel as well as I ever did in my life. My cough disappeared after using the first bottle, the pain in my breast also left me, my strength increased and also my appetite. The medicine caused me to expector to large quantities of foul matter; after this was all thrown up, I felt relief at once. I think that the whole world should know something about the good effects of your EXPECTORANT REMEDY, for the removal of the first symptoms leading to Consumption. Please inform me if you think it advisable for me to use the medicine any longer.

Yours truly, and ever grateful, HORACE BINNS, near Hamilton, O.

Consumption, or going into a Decline.

Cure follows Cure, by the use of Dr. Duncan's Expectorant Remedy.

Mr. WM. P. PETERS, Richmond, Indiana, was taken with a bad cold last spring, which settled upon his lungs, at length cavities and ulcers formed, his Physician used everything that he thought of, but to no effect; he informed him that he could not be cured, but nothing more could be done; in the mean time, a friend of his, Mr. Howard, induced him to call on David P. Holloway, who is agent for Dr. Duncan's Office for the medicine, which he did. Before using two bottles, he found that he was getting better. After using six bottles he became perfectly satisfied that the medicine was certain to cure him as well as ever. He sent for six bottles more, and is happy to state to those afflicted, that he has used 4 of them and became in all respects healthy, and feels himself entirely cured. He wishes these lines published in the public papers, that others afflicted with Consumption may know the virtues of Dr. Duncan's Expectorant Remedy, and spare their lives.

We the undersigned are well acquainted with Mr. Peters, and know his case to be as above stated. JAMES PETERS, ISAAC HANNA, GEO. DOLL, A. V. KEVSON, Esq.

THE BRANDRETH'S PILLS.

THOSE of our citizens who desire a good medicine, will find one in the justly celebrated pills of Doctor Brandreth, which have performed cures upon thousands of hopeless and hopeless persons, after the usual scientific skill of physicians had consoled them with the assurance that they could do no more. The properties of these Pills, as an antibilious and a gentle medicine, are universal; all who use them recommend them; their virtues surpass all eulogy, and must be used to be appreciated. The weak and delicate will be strengthened by the tone, not by bracing, but by removing the cause of weakness, the gross and corrupt humors of the body. They require no change in the diet, or care of any kind. Plain directions accompany each box, so that every one is his own competent physician.

These pills are for sale by our agent in every town in the State, and at Indianapolis, by C. B. DAVIS, Bookseller, and by SMITH, HANNA & Co., these being the only authorized Agents. 46-y
