The Graefenberg Vegetable Pills.

☞ 20,000 *boxes sold each and every week!!!*

THE GRAEFENBERG COMPANY

HEREBY give notice, that their General Agent is fully prepared to appoint sub-Agents wherever there is no branch of the Company; either on personal application or by mail, *post-paid*. The rapid sale of these unequaled pills, and the extraordinary cures they are constantly effecting, render them, by far, the most popular pill of the age. An Agency will consequently be very valuable.

The Graefenberg Pills are inconceivably superior to any ever before discovered. In all bilious complaints; in a general derangement of the system; in all disorders which result from a bad state of the blood, these pills are a sovereign remedy.

In the class of diseases called chronic, the Graefenberg Pills achieve their highest triumphs. Here they defy all competition. Entering within the hidden recesses of the system, they quietly but surely purify the blood, root out disease, and give tone and vigor to the body.

Cures are Constantly Effected

By these Pills, in cases where every other means had utterly failed. The most abundant proof of this could be given, but a trial of one box will convince the patient. They can be ordered and sent by mail, at trifling expense. The price is 25 cents a box. *Where ten dollars worth are ordered and the money remitted, the Company will pay the postage on the Pills.* Remittances at the Company's risk. Wherever there is no Agency of the Company they can be ordered by mail.

These Pills are taking the place of all others, and no sick person should be without them.

All Bilious Complaints,

BOWEL COMPLAINTS, CONSTIPATION, DYSPEPSIA, FEVER AND AGUE, HEADACHE, JAUNDICE, LIVER COMPLAINTS, RHEUMATISM, ALL STOMACH COMPLAINTS, GREEN SICKNESS, &c. &c., yield at once to these Pills. They purge away offensive humors, arrest the progress of disease, and at the same time restore tone and vigor to the system. In cases of general derangement of the health, they are SOVEREIGN.

By their Use,

The weak will become strong; the pale and bilious complexion be restored to a perfectly fresh and healthy color; all the bad symptoms will one by one disappear.

In short, these Pills are an inconceivable advance upon any other medicine ever before offered to the public. A TRIAL WILL SATISFY ANY ONE OF THIS.

SWITSURE, NO. 4, T. T. Wright, Master.
MADISON BELLE, D. H. Shaw, Master,

WILL form a line connecting with the Cars in the Madison and Indianapolis Railroad. One or the other of the above boats will leave Madison every day at 12 o'clock, noon, or on the arrival of the Cars, and on their return will leave Cincinnati precisely at 11 o'clock.

Passengers coming in on the Railroad, or coming from Cincinnati or intermediate points, to take the Railroad, will find it greatly to their advantage and comfort to take this line of boats. STILL AHEAD AND CAN'T BE BEAT!

BUCK'S PATENT COOKING STOVE.

THIS celebrated Cooking Stove has now been before the public seven years, and is still without a successful competitor, although all varieties of combination have been tried. At the late fairs in the cities of New York and Albany, the first premium was awarded to it, although all the new Stoves of the day were its competitors. Its facilities for performing all the operations of cooking are unsurpassed. The oven is nearly double the size of the ordinary Cooking Stoves in use, and is heated with the most perfect uniformity, by which bread, without being turned, will bake on all sides as perfectly as can be done in a brick oven.

For the operation of this Stove we respectfully refer to the following persons who have them in use:

Alfred Harrison	Alex Worth	Stephen Gulliver
C. W. Cady	E. Hedderly	John Shortridge

COMBINATION STOVE.

JUST received a further supply of these celebrated and unrivalled Cook Stoves. This Stove patented in the city of Troy, N. Y., 1846, was introduced into the city of Cincinnati early last Spring, since which time 1000 have been sold there alone. Persons who have been using other patent cook stoves for the last seven years, and have seen the Combination Stove, most all agree that the stove has a larger oven for the size of the stove, will bake better, and throw out more heat than any stove ever yet invented. The places are warranted for one year or longer. We think it unnecessary to parade a long string of names before the public, but can refer to some of the best families in this city who are using this stove, as all prefer them to any other. We have three of the best Tinmen in the West, who understand stove trimming perfectly, and our work will give satisfaction. There are three different sizes of these stoves, for which we have the exclusive agency of the manufacturer.

PRICES REDUCED.

THE subscriber is receiving direct from the eastern cities, the largest and most fashionable stock of watches, jewelry and fancy goods ever brought to this market. The goods were purchased at the manufacturers' lowest rates, and will be sold for cash and cash only, at small profits. From necessity we have had to adopt the cash system. This is to inform our friends and customers that all will be treated alike—positively no credit will be given to any one. The purchasers will find this as much to their advantage as ours. We are determined to sell all goods (silver ware excepted) at from ten to twenty per cent. less than any house in the city can sell; therefore you see at once the necessity of buying for cash. My old customers who have patronized me are respectfully requested to call and settle up, as we wish to close up the old books and throw them away—we shall have no further use for them. We hope every body will read this and profit by it. We shall place all on a par so far as crediting is concerned. We hope none will ask that we may have now to refuse. I hope every body will call and examine the fine stock, price the goods, and see the advantage this cash system will do. Store opposite Washington Hall.
