Bishop Lomax, of the A. M. E. Zion Church, is visiting the churches here pending preparations for the conference which meets May 13. Among the numerous ministers who will attend the conference is Rev. R. H. G. Dyson.

The Virginia Avenue Baptist Sunday-School celebrated its 12th anniversary last Sunday, aided by friends from the Wesley Zion School. The collections amounted to $80. There are 325 scholars on the roll and 14 officers and teachers; three members to the Union and six to the Womans' Home Mission Society.

**Columbia Mutual Life Association**

The Columbia Mutual Life Insurance Company is meeting with unprecedented success since its organization. Mr. Frank J. Tibbets, the secretary, has been indefatigable in his efforts to adjust the plans to meet the cautious and discriminate patrons of life insurance and it has most undoubtedly met the views of the public, judging from the increase of policies issued since its new methods have been introduced. The new plans of the Columbia Mutual are the outgrowth of twelve months' close application to the subject of safe and economical life insurance.

The advice and counsel of experts in this line, such as Mr. L. G. Foster and others, have been sought into requisition, in order that the Columbia Mutual Life Insurance Association shall be as near perfection as human skill and wisdom can devise. The rates are equitably graded, thus securing permanency as well as economy. All the members are on the same business footing, each paying according to age and death liability. The officers offer the following liberal inducements to persons desiring insurance. They have concluded that until May 15, 1887, all applicants will be admitted as charter members, and will be insured without cost for admission fee or for medical examination.

The company is under the control of some of our most prominent business men, who are known to be men of integrity and financially impregnable, and they invite the closest scrutiny as to its standing and methods. Any and all questions will be cheerfully answered by Mr. Frank J. Tibbets, secretary, 1319 F street.

**Another Building Improvement.**

Ground has been broken for a large livery stable to be erected by Mr. F. M. Draney, at 643 and 645 New York avenue northwest, which promises to be a decided improvement on anything of the kind in the northern section of the city. The building will be four stories in height and the front will be neatly laid with pressed brick. There will be accommodations for about sixty-five or seventy horses, whose wants in the way of light and ventilation will be well cared for. The second and third stories will be used for carriages and the fourth story for the storage of grain. The interior will be finished in a substantial manner and in addition to an office on the ground floor, there will be a retiring room for ladies on second floor.

**A Life Made Miserable**

By dyspepsia is scarcely worth the living. A capricious appetite, heartburn, puzzling nervous symptoms, sinking in the abdomen between meals, and flatulence after, are among the successive indices of this harrassing complaint. Two things only are needful for its removal. A resort to Hostetter's Stomach Bitters, and persistence in its use. These remedial measures being adopted, a cure is certain. Taken immediately before or after meals, this great stomachic promotes secretion of the gastric juice, the natural solvent of the food. The nervous and bilious symptoms consequent upon chronic indigestion disappear, as the complaint gradually yields to the corrective and invigorating influence of the Bitters. Appetite returns, sleep becomes more refreshing, and as a sequence, the body is efficiently nourished, muscular power increases, and the mind grows sanguine. Use the Bitters for chills and fever, and rheumatism.

**The Sixth Maryland Cadetship.**

Representative McComas of the Sixth Maryland District has appointed a committee to meet at Hagerstown May 2, for the election of a cadet from that district for the Military Academy at West Point. The committee consists of Peter Lugenbeel of Frederick, Francis Miller of Montgomery, Dr. J. McP. Scott of Washington, B. A. Rich of Allegany, and Captain James A. Logan of Garrett.

* * * Delicate diseases of either sex, however induced, speedily and permanently cured. Book of particulars 10 cents in stamps. Address World's Dispensary Medical Association, 663 Main street, Buffalo, N. Y.

They tell in St. Louis of a very precise woman who sailed into a dry goods store and asked to be shown some "digoniers." "Wh-a-a-t?" stammered the clerk. "Digoniers," said the lady, severely. The clerk had to give it up. "Well, hustles, then!" snapped the precise person, scornfully.

# We Ought To.

That's a fact. We ought to take more interest than we do in finding out what things mean. How often have you heard and read of "mull" and "muslin," and yet never taken the trouble or the pains to see what they meant, or where they derived their names? As "mull" is simply a fine grade of "muslin," we go back to the derivation of "muslin" and find that it takes its name from the city where it was first manufactured—Mosul of Mesopotamia.

It is much easier to discuss a subject we both understand. Just take a look at this cut:

PRICE 98 CTS.

This is a $1.25 Mull Cap that we are selling for 98c. It has fine shirring, full ruche and long, wide strings. The next is something finer:

PRICE $1.48.

This is a $1.48 fine Mull Cap that we are selling for $1.48. It is worth $1.48—neither more, or less. It has the Normandy crown, is corded and shirred, has fine lace ruche and long, wide strings.

We are selling regular 25c. Mull Caps that are shirred and lace trimmed, for 18c., and our stock comprises every variety up to $2.25.

We are engraving plate and printing 50 steel-finished cards for 75c.

No goods exchanged on Saturdays.

"THE REVIEW," OR HEALTH AND STRENGTH REGAINED,

An Illustrated Journal

PUBLISHED FOR THEIR BENEFIT!

It Treats on Health, Hygiene, Physical Culture and Medical Subjects,

And is a complete Encyclopædia of information for suffering humanity afflicted with long standing, chronic, nervous, exhausting or painful diseases. Every subject that bears on health and human happiness receives attention in its pages, and the many questions asked by ailing persons and invalids who have despaired of a cure are answered, and valuable information is volunteered to all who are in need of medical advice. No similar work has ever been published. Every sick or ailing person should have it.

YOUNG AND MIDDLE-AGED MEN, and others who suffer from nervous and physical debility, exhausted vitality, premature decline, etc., are especially benefitted by consulting its contents. Everything such sufferers wish to know is fully given in its pages. If in need of medical aid or counsel, read it before "doctoring" or investing in medicines or appliances of any description, and you will save time, money and disappointment. If using medicine or medical treatment of any kind, read it and learn the better way.

*THE REVIEW* exposes the frauds practiced by quacks and medical impostors who produce to "practice medicine," and points out the only safe, simple and effective road to health, vigor and bodily energy.

Beware of the sham curative articles called Shields, Generators, Girdles, Pads, Brushes, Corsets, Clothing, Plasters, etc., now deceptively advertised as Electric, Voltaic or Magnetic. These articles are entirely spurious as the advertisements concerning them are malicious. This can be easily detected by a simple test which is fully explained in *THE REVIEW*.

Electric Belts and all curative appliances are treated upon—all about them. Belts on thirty days' trial (?) and other fallacies reviewed. Thousands of dollars saved nervous debility sufferers and others by the advice given.

Reader, are you afflicted, and wish to recover the same degree of health, strength and energy enjoyed in former years? Do any of the following symptoms, or class of symptoms, meet your diseased condition? Are you suffering from ill health in any of its many forms, consequent on a lingering, nervous, chronic or functional disease? Do you feel nervous, debilitated, irritable, timid and lack the power of will and action? Are you subject to loss of memory, have spells of feeling fullness of blood in the head, feel listless, moping, unfit for business or pleasure, and subject to fits of melancholy? Are your kidneys, stomach, urinary organs, liver or blood in a disordered condition? Do you suffer from rheumatism, neuralgia or other aches and pains? Are you timid, nervous and forgetful, with your mind continually dwelling on the subject? Have you lost confidence in yourself and energy for business pursuits? Are you subject to restless nights, broken sleep, nightmares, dreams, palpitation of the heart, bashfulness, confusion of ideas, aversion to society, dizziness in the head, dimness of sight, dim-ness and blotches on the face and back, or other decided symptoms? There are thousands of young men, middle aged and old who suffer from nervous and physical debility. There are thousands of females broken down in health and spirits, who from false modesty or neglect, prolong their suffering.

Why further neglect your health and future happiness, or continue to be dosed, drugged and quacked, when *THE REVIEW*, which costs you nothing, teaches the true and only way to permanent health, strength and vigor? *THE REVIEW*, or *"HEALTH AND STRENGTH REGAINED,"* contains particulars and information worth thousands to suffering humanity. *THE REVIEW* is now in its ninth year of publication.
