[illegible] PORTLAND CEMENT,

For Cisterns, Water Masonry, and general uses, as a SOLID and ENDURING MORTAR. Manufactured and Warranted by the EAGLE CEMENT Co., Madison, Ia.

R. Mayhew, Agent, R. R. Depot.

THE demand for Hydraulic Cement—Water Lime—is thought confined to the West, almost exclusively to its use as a plaster for Cisterns, is every year increasing; while in the East, where its application to more general uses is better known, the annual consumption approaches nearly to that of quick lime. It is more employed as a mortar for every kind of masonry; and in all cases where solid and enduring work is required, its use is considered indispensable. It is also moulded into pipes for conveying water under ground, and is found to be cheaper and for better than any kind of metallic or wooden pipes—forming in reality a conductor of solid stone, which must endure for ages.

It is considered invaluable as a plaster for damp walls, either basements or cellars; for round coating either upon brick or stone masonry; and when applied as coating upon fire walls, it affords perfect security against the incendiary violence which otherwise [illegible] every rainy season.

The proprietors of the Eagle Cement Works have now completed their preparations for manufacturing the above article on a large scale. From an analysis made by Prof. Locke of Cincinnati, and from the numerous tests to which this cement has been rigidly subjected, they feel confident in offering it to the public as an article equal to any in the United States.

Orders addressed to the undersigned will receive prompt attention.

A manual, containing full instructions for the use of the Cement in all its various uses, will be issued in a few days, and may be had gratis upon application as above. R. MAYHEW,

56-tf R. R. Depot.

ELECTRICITY AND GALVANISM.
Mechanically and Medicinally applied in the treatment and removal of cases, on the Chrono-Thermal System.

DR. JONES would inform the citizens of Indianapolis and vicinity that he will remain here a short time for the purpose of treating diseases, both Chronic and Acute. The treatment of diseases of an inflammatory and nervous character are, in the hospitals of Great Britain and France, dependant altogether for their removal to Galvanism and Electricity, and it would be by no means an arduous task to refer to many such hearts that have been made to rejoice in view of the curative powers effected by these mysterious agencies.

Diseases successfully treated by Galvanism and Electricity.—Amaurosis, Aphonia, or loss of voice, Asthma, Aneurism, Abscess, Atrophia, or Nervous Consumption, Atony of the Stomach, Amenorrhœa, Bronchitis, Blindness, Deafness, Inflammation or paralysis of the iris, Brain, with congestion and concussion, Chorea, or St. Vitus's Dance, Cataract, if in its incipient stage, Chlocosis, Curvature of the Spine, Cramp, Colic, Coldness of feet and hands, Contraction of Muscles, Depression of Spirits, Deafness, Dysmenorrhœa, Dyspepsia, Diseased Spine, Epilepsy, Gout, Hemiplegia, Headache, (whether nervous or sick,) Hypochondriacism, Incontinency of Urine, Leucorrhœa, Lumbago, loss of Muscular Tone or power, Menstruation, (difficult, suppressed, or painful,) Nervous diseases of every grade, Numbness, Palsy, Paralysis, Palpitation of the Heart, Pleurisy, Pleuropneumonia, Rheumatic affections, (whether acute or chronic,) Restlessness, Sciatica, Scrofula, Tic Doloreux, Tremors, Tremens Delirium, Uterine, (convulsions and debility,) withered or decayed limbs, &c.

Dr. Jones can be consulted at Browning's Hotel, Washington St. Especial attention paid to Scrofulous and Mercurial diseases.

Chamberlain, and more recently by the Indiana Democrat, for the purpose of carrying on the above business. Having a large assortment of Job type, to which are being added all the new and fashionable type now in use in the cities, they are prepared to execute all kinds of Plain and Fancy Jobs well & neatly, and on reasonable terms.

They hope that by prompt attention to business, and the accurate, neat and faithful execution of all work which may be committed to their hands, to receive a liberal share of public patronage.

To all whom it may concern.

Dr. M'Lane's Liver Pills.

MESSRS. J. KIDD & Co.—This is to certify that my wife has been afflicted for several years, with the following pains at periods more or less:—Pain in the right side, about the edge of the ribs, extending to the right shoulder; pain in the back part of the head, and above the right eye, accompanied by weakness, loss of appetite, and almost constantly confined to her bed. Since August she has used three boxes of "M'Lane's Liver Pills" and I have now to state, that by the use of these Pills, she has been benefitted in no ordinary degree. Under the Providence of God she now enjoys good health, and is now able to attend to the domestic concerns of my family. JAMES STEWART.

MESSRS. J. KIDD & Co.—*Gents.*—In the month of July last, a Mr. F. Merry weather, of Cincinnati, appointed me agent for this place, for selling Dr. M'Lane's highly approved Medicines, and the motive that prompts me, an entire stranger, to write this letter to your house, is to inform you, that the inhabitants of this town and county, generally, have received the *Vermifuge of Dr. M'Lane so fearful in their families*, and pronounce it to be, *without an exception*, the very *best Worm Medicine* ever offered to those afflicted with worms.

The high estimation in which the Vermifuge is held in this community has induced me to purchase it in future from you, or your Agent, and you will please send me a supply, by return mail, your cash price for the Vermifuge by the gross.

Very respectfully yours, J. C. SNYDER.
