MEDICAL.

The Graefenberg Vegetable Pills.

☞ 20,000 *Boxes sold each and every week!!!*

THE GRAEFENBERG COMPANY

HEREBY give notice, that their General Agent is fully prepared to appoint sub-Agents wherever there is no branch of the Company; either on personal application or by mail, *post-paid*. The rapid sale of these cerebrated pills, and the extraordinary cures they are constantly effecting, render them, by far, the most popular pill of the age. An Agency will consequently be very valuable.

The Graefenberg Pills are inconceivably superior to any ever before discovered. In all bilious complaints; in a general derangement of the system; in all disorders which result from a bad state of the blood, these pills are a sovereign remedy.

In the class of diseases called chronic, the Graefenberg Pills achieve their highest triumphs. Here they defy all competition. Entering within the hidden recesses of the system, they quietly but surely purify the blood, root out disease, and give tone and vigor to the body.

Cures are Constantly Effected

By these Pills, in cases where every other means had utterly failed. The most abundant proof of this could be given, but a trial of one box will convince the patient. They can be ordered and sent by mail, at trifling expense. The price is 25 cents a box. *Where two dollars worth are ordered and the money remitted, the Company will pay the postage on the Pills.* Remittances at the Company's risk. Wherever there is no Agency of the Company they can be ordered by mail.

These Pills are taking the place of all others, and no sick person should be without them.

All Bilious Complaints,

BOWEL COMPLAINTS, CONSTIPATION, DYSPEPSIA, FEVER AND AGUE, HEADACHE, JAUNDICE, LIVER COMPLAINTS, RHEUMATISM, ALL STOMACH COMPLAINTS, GREEN SICKNESS, &c. &c., yield at once to these Pills. They purge away offensive humors, arrest the progress of disease, and at the same time restore tone and vigor to the system. In cases of general derangement of the health, they are SOVEREIGN.

By their Use,

The weak will become strong; the pale and bilious complexion be restored to a perfectly fresh and healthy color; all the bad symptoms will one by one disappear.

In short, these Pills are an inconceivable advance upon any other medicine ever before offered to the public. A TRIAL WILL SATISFY ANY ONE OF THIS.

Laboratory of Thomsonian Botanic Medicine,

No. 20, South Calvert Street—BALTIMORE.

THE first mill erected in the United States for the special purpose of preparing Thomsonian Botanic Medicines.

The subscriber has the largest and most complete assortment of Botanic Medicines in the United States, comprising all the various Compounds and other articles recommended by Dr. S. Thomson. Besides an extensive variety of other approved Botanic Medicines. Having erected his Steam Mills expressly for the above Medicines, he is enabled to sell on the most favorable terms, and warrants his Medicines to be genuine and pure, prepared in the best manner, and clear of any deleterious or poisonous qualities, as he does not admit any thing of that nature about his establishment.

An experience of more than twenty years in the practice, preparation and compounding of Botanic Medicines, from the very best and purest materials in the market, has afforded him just grounds to flatter himself, that his medicines, after a fair trial, will compete with any which may be offered to the friends of the botanic cause, within the whole range of our country.

☞ It is of great importance, that Practitioners, and others, using Botanic Medicines, should be apprized, that all the articles manufactured at his establishment are *pulverized,—not ground,*—between an upper and nether mill-stone; as the latter process heats, and consequently injures, if it does not destroy, the medical virtues of all articles submitted to such an operation.

On hand all the various Medical Works on the Botanic System, together with a general assortment of Glassware, Syringes, and all the articles connected with the business. Those wishing pure Medicines can be supplied on the most reasonable terms by

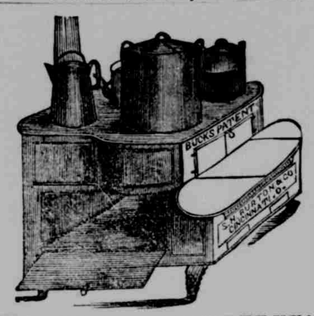
STOVES, &C.



STILL AHEAD AND CAN'T BE BEAT!

BUCK'S PATENT COOKING STOVE.

THIS celebrated Cooking Stove has now been before the public seven years, and is still without a successful competitor, although all varieties of *combination* have been tried. At the late fairs in the cities of New York and Albany, the first premium was awarded to it, although all the new Stoves of the day were in competition. Its facilities for performing all the operations of cooking are unsurpassed. The oven is nearly double the size of the ordinary Cooking Stoves in use, and is heated with the most perfect uniformity, by which bread, without being turned, will bake on all sides as perfectly as can be done in a brick oven

For the operation of this Stove we respectfully refer to the following persons who have them in use:

COMBINATION STOVE.

JUST received a further supply of these celebrated and unrivalled Cook Stoves. This great favorite in the city of Troy, N. Y., 1846, was introduced into the city of Cincinnati early last Spring, since which time 1000 have been sold there alone. Persons who have been using other patent cook stoves for the last seven years, and have seen the Combination $1 vs. most all agree that the stove has a larger oven for the size of the stove, will bake better, and throw out more heat than any stove ever yet invented. The places are warranted for one year or more. We think it unnecessary to parade a long string of names before the public, but can refer to some of the best families in this city who are using this stove, and all prefer them to any other. We have three of the best Tinners in the West, who understand stove trimming perfectly, and our work will give satisfaction. There are three different sizes of these stoves, for which we have the exclusive agency of the manufacturer.

FASHION OUTDONE.

THE public are respectfully invited to call at Talbott's Jewelry Store, and examine the *large* and fashionable supply of

Watches, Jewelry, and Fancy Goods,

just receiving direct from the eastern cities. The goods were purchased at the manufacturer's LOWEST RATES, and will be sold for *CASH AT SMALL PROFITS*, which will be much less rates than any between the city date on and them. The stock consists in part of gold and silver Lever, Lepine, Anchor and Verge watches, plain, full, and extra jewelled, gold fob and guard chains, breast pins, finger rings, ear rings, studs and buttons of all varieties of patterns and qualities, gold and silver spectacles to suit all ages, diamond pointed gold pens and pencils from $1 25 to $1, gold and silver pencils of every variety and price from 75 cents to $10, Cornelius & Co.'s lard lamps of all styles and prices (made on especial order,) together with an endless assortment of notions never heard of in this market. Call and price the goods—if the prices seem too high you can take the store. Store opposite to Washington Hall. 43-y W. H. TALBOTT.

PRICES REDUCED.

THE subscriber is receiving direct from the eastern cities, the largest and most fashionable stock of watches, jewelry and fancy goods ever brought to this market. The goods were purchased at the manufactures' lowest rates, and will be sold for cash, and cash only, at small profits. From necessity we have had to adopt the cash system. This is to notify our friends and customers that all will be treated alike—positively no credit will be given to any one. The purchasers will find this as much to their advantage as ours. We are determined to sell all goods (silver ware excepted) at from ten to twenty per cent. less than any house in this city can sell, therefore you see at once the propriety of buying for cash. My old customers who have accounts, are respectfully requested to call and settle up, as we wish to close up the old books and throw them away—we shall have no further use for them. We hope every body will read this and profit by it. We shall place all on a par so far as crediting is concerned. We hope they will ask the same favor of others. Store opposite Washington Hall. 43y W. H. TALBOTT.
