The Graefenberg Vegetable Pills.

20,000 *Boxes sold each and every week!!!*

THE GRAEFENBERG COMPANY

HEREBY give notice, that their General Agent is fully prepared to appoint sub-Agents wherever there is no branch of the Company; either on personal application or by mail, *post-paid*. The rapid sale of these celebrated pills, and the extraordinary cures they are constantly effecting, render them, by far, the most popular pill of the age. An Agency will consequently be very valuable.

The Graefenberg Pills are inconceivably superior to any ever before discovered. In all bilious complaints; in a general derangement of the system; in all disorders which result from a bad state of the blood, these pills are a sovereign remedy.

In the class of diseases called chronic, the Graefenberg Pills achieve their highest triumphs. Here they defy all competition. Entering within the hidden recesses of the system, they quietly but surely purify the blood, root out disease, and give tone and vigor to the body.

Cures are Constantly Effected

By these Pills, in cases where every other means had utterly failed. The most abundant proof of this could be given, but a trial of one box will convince the patient. They can be ordered and sent by mail, at trifling expense. The price is 25 cents a box. *Where two dollars worth are ordered and the money remitted, the Company will pay the postage on the Pills.* Remittances at the Company's risk. Wherever there is no Agency of the Company they can be ordered by mail.

These Pills are taking the place of all others, and no sick person should be without them.

All Bilious Complaints,

BOWEL COMPLAINTS, CONSTIPATION, DYSPEPSIA, FEVER AND AGUE, HEADACHE, JAUNDICE, LIVER COMPLAINTS, RHEUMATISM, ALL STOMACH COMPLAINTS, GREEN SICKNESS, &c. &c., yield at once to these Pills. They purge away offensive humors, arrest the progress of disease, and at the same time restore tone and vigor to the system. In cases of general derangement of the health, they are SOVEREIGN.

By their Use,

The weak will become strong; the pale and bilious complexion be restored to a perfectly fresh and healthy color; all the bad symptoms will one by one disappear.

In short, these Pills are an inconceivable advance upon any other medicine ever before offered to the public. A TRIAL WILL SATISFY ANY ONE OF THIS.

HOWE'S HYGEAN HOARHOUND AND LIVERWORT COUGH CANDY.

THIS celebrated Candy is now the most popular of all remedies for the cure of Coughs, Colds, Hoarseness, Bronchitis, Sore Throat, Phthisic, and general affections of the Chest and Lungs. In all the above cases it is known to have afforded decided and permanent relief, which accounts for the rapid sales of the COUGH CANDY. We are now selling two thousand packages per week in the Western states. This is enough to convince the public, that it is just the article it is represented to be for curing. We do not say it will ever cure all diseases, but no person that has ever used the Candy for diseases of the Chest and Lungs, will say it done them no good. Circulars containing certificates and opinions of the press concerning the Candy have been issued, which we respectfully request all persons to read.

We warrant a cure for the above diseases in all cases, and challenge any person in the United States to produce a better, cheaper, and more effective remedy.

A liberal discount will be allowed to country purchasers and others who purchase for cash to sell from counters.

Sold by the principal Druggists in every city in the United States, and by the proprietors HOWE & CO.,

Death from a Slight Cold.

By neglecting those salutary precautions which common sense dictates, many, very many, fall victims to their imprudence. We have seen the young bride, blooming as it were, as the bird of Paradise and the fair flower of hope, the pride of her father and the joy of her mother—her cheek flushed with anticipation, and her eye beaming with the soft expression of love—the gay dreams of life dancing on her fancy with, the rich and variegated tint of the rainbow's promise. We have seen all this changed—aye, the wedding garment for a shroud and the bridal chamber for this sepulchre of the dead; and all this from neglecting a common COLD. Now, before it is too late, use DR. ROBERTS'S LIVERWORT AND TAR, which gives immediate relief as thousands of our most intelligent families now admit of its most extraordinary cures. The gay, the young and the beautiful, and the young speak forth its praise, and will so long as it makes positive cures, and cheers the despairing family fireside.

Those afflicted with diseased lungs should call on Owsley & Co., and see the certificates of such men as Dr. Wm. J. Richards, Judge William Burke, and Dr. Hiram Cox, late Professor in Cincinnati Eclectic Medical College. 45 tch

Laboratory of Thomsonian Botanic Medicine,

No. 20, South Calvert Street—BALTIMORE.

THE first mill erected in the United States for the special purpose of preparing Thomsonian Botanic Medicines.

The subscriber has the largest and most complete assortment of Botanic Medicines in the United States, comprising all the various Compounds and other articles recommended by Dr. S. Thomson. Besides an extensive variety of other approved Botanic Medicines. Having erected his Steam Mills expressly for the above Medicines, he is enabled to sell on the most favorable terms, and warrants his Medicines to be genuine and pure, prepared in the best manner, and clear of any deleterious or poisonous qualities, as he does not admit any thing of that nature about his establishment.

An experience of more than twenty years in the practice, preparation and compounding of Botanic Medicines, from the very best and purest materials in the market, has afforded him just grounds to flatter himself, that his medicines, after a fair trial, will compete with any which may be offered to the friends of the Botanic cause, within the whole range of our country.

☞Lists of great importance, that Practitioners, and others, using Botanic Medicines, should be apprized, that all the articles manufactured at his establishment are *pulverized,—not ground,*—between an upper and nether mill stone; as the latter process heats, and consequently injures, if it does not destroy, the medical virtues of all articles submitted to such an operation.

On hand all the various Medical Works on the Botanic System, together with a general assortment of Glassware, Syringes, and all the articles connected with the business. Those wishing pure Medicines can be supplied on the most reasonable terms by

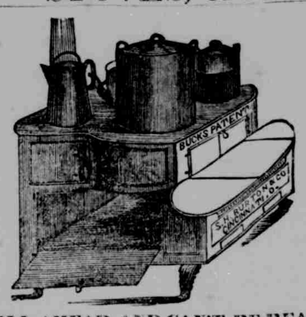
STOVES, &c.



STILL AHEAD AND CAN'T BE BEAT!
BUCK'S PATENT COOKING STOVE.

THIS celebrated Cooking Stove has now been before the public seven years, and is still without a successful competitor, although all varieties of *combination* have been tried. At the late fairs in the cities of New York and Albany, the first premium was awarded to it, although all the new Stoves of the day were in competition. Its facilities for performing all the operations of cooking are unsurpassed. The oven is nearly double the size of the ordinary Cooking Stoves in use, and is heated with the most perfect uniformity, by which bread, without being turned, will bake on all sides as perfectly as can be done in a brick oven.

For the operation of this Stove we respectfully refer to the following persons who have them in use:

COMBINATION STOVE.

JUST received a further supply of these celebrated and unrivalled Cook Stoves. This Stove patented in the city of Troy, N. Y., 1845, was introduced into the city of Cincinnati early last Spring, since which time 1000 have been sold there alone. Persons who have been using other patent cook stoves for the last seven years, and have seen the Combination Stove, most all agree that this stove has a larger oven for the size of the stove, will bake better, and throw out more heat than any stove ever yet invented. The places are warranted for one year or more. We think it unnecessary to parade a long string of names before the public, but can refer to some of the best families in this city who are using this stove, and all prefer them to any other. We have three of the best Ironers in the West, who understand stove trimming perfectly, and our work will give satisfaction. There are three different sizes of these stoves, for which we have the exclusive agency of the manufacturer.

PRICES REDUCED.

THE subscriber is receiving direct from the eastern cities, the largest and most fashionable stock of watches, jewelry and fancy goods ever brought to this market. The goods were purchased at the manufacturers' lowest rates, and will be sold for cash and cash only, at small profits. From necessity, we have had to adopt the cash system. This is to notify our friends and customers that all will be treated alike—positively no credit will be given to any one. The purchasers will find this as much to their advantage as ours. We are determined to sell all goods (silver ware excepted) at from ten to twenty per cent. less than any house in this city can sell; therefore you see at once the propriety of buying for cash. My old customers who have accounts, are respectfully requested to call and settle up, as we wish to close up the old books and throw them away—we shall have no further use for them. We hope every body will read this and profit by it. We shall place all on a par so far as crediting is concerned. We hope none will ask that we may have now to refuse. I hope every body will call and examine the fine stock, prize the goods, and see the advantage this cash system will do. Store opposite Washington Hall.
