[No. 594.]

Notice for the Restoration of Certain Lands to Market in the State of Wisconsin.

THE grant of land to Wisconsin by the act of Congress approved 3d June, 1856, has been so far adjusted as to authorize the release from withdrawal of the vacant *offered* lands outside of the six-miles limits of the following routes for railroads, viz:

First. The railroad route from "Madison or Columbus, by the way of Portage City, to the St. Croix river, or lake, between townships twenty-five and thirty-one," and,

Second. Or the road from "Fond du Lac, on Lake Winnebago, northerly, to the State line."

A withdrawal of certain lands was also ordered June 12, 1856, along the other proposed routes mentioned in said act, viz: from "St. Croix river, or lake," "to the west end of Lake Superior; and to Bayfield," so as to afford time for the surveys and selections for said roads, but no survey having been reported of the same to the Department of the Interior, although more than a year and a half have elapsed since said withdrawal.

Notice is therefore hereby given that all the vacant offered lands heretofore withdrawn from sale or entry along the routes of said located railroads which lie outside of *six miles* on each side of the said roads, situated in the undermentioned townships, which have not been selected in virtue of said grant, or any other grant made by Congress, or legitly claimed by pre-emption, and which were subject to private entry at the date of withdrawal, will be restored to private entry on the days and at the places hereinafter specified, at the ordinary minimum of one dollar and twenty-five cents per acre. And all the *offered* townships as hereinafter described which had been withdrawn from sale on account of the proposed roads, not yet located, mentioned in the foregoing, will be restored at the times hereinafter designated, with the express *proviso*, that the railroad grant by said act of 3d June, 1856, will attach to such of the *odd-numbered* sections as may be selected under said act within the six-miles limits of such parts of the said roads as may be actually surveyed and staked off before the day hereinafter fixed for the restoration of said lands.
