Sherwood House

AND

DINING ROOMS,

ON THE EUROPEAN PLAN,

Corner of Fayette and Harrison streets,

(opposite the Maryland Institute,)

Baltimore, Md.

THE above well known House has recently been opened by C. P. Barna formerly of the American Hotel, Washington, D. C., and has capacity to accommodate over a hundred people with lodging, and has capacious and nicely furnished rooms for families. Connected with the House also is a ladies' dining room. The strictest order is maintained and accommodating servants always at call. The House is open at all hours. The advantage of a Hotel upon the plan of the Sherwood House is, that the guest can accommodate the price of his living to his own wishes, paying only for what he gets. The Sherwood House has recently been newly furnished and refitted, and, being in a central and business part of the city, offers unusual inducements to travellers. A fair trial is asked, and patronage from St. Mary's county solicited.

Trustee's Sale of valuable REAL ESTATE

BY virtue of a decree of the Circuit Court for Saint Mary's county, sitting as a Court of Equity, passed in a cause in which Sarah Milburn is complainant, and Wm. R. Clarke, administrator of Joseph Milburn, and others are Defendants, and bearing date of the 6th day of August, 1867, the undersigned, as Trustee, will offer at public sale, at the "Tall Pine" store, St. Inigoes' District, on

Saturday, the 5th day of Oct., next,

between the hours of 10 o'clock, a m and 5 o'clock, p m., all the real estate of which Joseph Milburn died seized and possessed, consisting of the following property, to wit:

One tract or parcel of land, called and known as

PART OF THE TALL PINE,

containing

32 1-2 acres,

more or less;

This land is located in the centre of St. Inigoes District, is of fine soil and has an abundance of timber upon it for the support of the premises. There is a good

DWELLING HOUSE

a fine Store House and good out-houses upon it. It is the property commonly called and known as the "Pine Store," is but a short distance from Point Lookout and is an excellent stand for business.

This land will be sold subject to the widow's dower.

Also, one other tract or parcel of land, called and known as

FOX'S HALL,

lying in the District aforesaid, about a half a mile from the "Pine,' and containing

73 1-2 acres,

more or less.

And, one other tract or parcel of land, lying adjacent to the tract last named, called and known as

JOHN'S FORTUNE,

and containing

36 1-2 acres,

more or less.

These two tracts compose a very desirable estate, and are well located for a Physician.

They lie on the public road, are in sight of Smith's creek, are of excellent soil and in a fair state of cultivation and improvement. About three fourths of the land is arable and the balance is well set in Pine and Chesnut timber.—The soil is admirably adapted to fruit raising. There is a fine Dwelling and the ordinary out houses on the premises. The neighborhood is an excellent one—the location is convenient to Churches, Mills, Stores, Post Office &c.

Also, will be offered for sale, at the same time and place, all the interest of Joseph Milburn in the real estate of the late John Milburn, to wit: His interest in two tracts or parcels of land called and known as

PART ST. JAMES' FORTUNE and PATRICK'S HAZARD,

located in the District aforesaid and containing

186 acres,

more or less.

These two tracts combined (being now one farm) form a very fine estate and the undersigned is authorized by power of attorney from all the other heirs of the said John Milburn to offer them as an entirety and to give a good title thereto. This farm, therefore, will be sold partly by a decree from the Court and partly by consent of the heirs at law of the said John Milburn, but the title to it will be perfect and indisputable

It lies on Smith's creek, contains about 145 or 150 acres of arable land and the balance is well set in good timber.

It has a fine Dwelling, good Barns and the other necessary buildings upon it.

There is a fine orchard upon the premises, and oysters, Fish and Wild Fowl abound, in season, in the adjacent waters.

The society surrounding these estates is equal to any to be found in this section of the State, whilst their proximity to Point Lookout will likely add greatly to their value at no distant day.

All the above property is in fine condition and possession will be given to the whole of it on the 1st day of January next.

TERMS OF SALE,

as prescribed by the decree, are:—Five hundred dollars of the purchase money in cash on the day of sale, and the balance in equal instalments, at one and two years credit—the purchaser, or purchasers, to give bonds, for the deferred payments, with security to be approved by the Trustee, and to bear interest from the day of sale.

The terms of sale as to the interest of the heirs of John Milburn in the last named tracts of land, and to be sold and conveyed by me under power of attorney, will be made known on the day of sale.

When all the purchase money shall be paid, the Trustee will execute a deed to the purchaser, or purchasers, free, clear and discharged from all claims of the parties to this suit and of those claiming under them.

Aug. 15, 1867.

THE present sad and deplorable condition of our once glorious republic admonishes us that old St. Mary's, with her past glorious record—her devotion to States' Rights, constitutional liberty and her irrepressible hostility to despotism and oppression—should make an effort to bring back our republic, if possible, to its earlier and purer days when *office* sought the man and not man the *office*. At least, she should make an effort to rescue our beloved State from the political demoralization which is current in the country and tainting the democratic party itself. With this view, I would suggest the names of the following gentlemen to be voted for at our next autumnal election. They are all gentlemen of the highest order of intelligence and of strictest personal and political integrity. Their election would confer honor and character on our county.

No. 1. Schenck's Seaweed Tonic.

This medicine, invented by Dr J H Schenk of Philadelphia, is intended to dissolve the food and make it into chime, the first process of digestion. By cleansing the stomach with Schenck's Mandrake Pills, the Tonic soon restores the appetite, and food that could not be eaten before using it will be easily digested.

Consumption cannot be cured by Schenck's Pulmonic Syrup unless the stomach and liver is made healthy and the appetite restored, hence the Tonic and Pills are required in nearly every case of consumption. A half dozen bottles of the SEAWEED TONIC and three or four boxes of the MANDRAKE PILLS will cure any ordinary case of dyspepsia.

Dr Schenck makes professional visits in New York, Boston, and at his principal Office in Philadelphia every week. See daily papers of each place, or his pamphlet on consumption for his days for visitation.

Please observe, when purchasing, that the two likenesses of the Doctor, one when in the last stage of Consumption, and the other as he now is, in perfect health, are on the Government stamp.

Sold by all Druggists and Dealers, price $1 50 per bottle, or $7.50 the half dozen. All letters for advice should be addressed to Dr. Schenck's Principal Office, No 15 North 6th Street, Philadelphia, Pa. TAILORING.

THE subscriber having removed to Leonardtown and taken the house between the store of Mr. F. Wile and the dwelling of Mr. R. B. Biscoe, respectfully informs his friends and the public that he is prepared to execute all work in his line, such as CUTTING, MAKING and REPAIRING CLOTHES at the shortest notice, in workman-like manner and upon the most favorable terms. Having had an experience of over twenty-five years in the TAILORING BUSINESS, the subscriber flatters himself that he will be able to give entire satisfaction to all who may favor him with a call.
