Blake's Patent Fire and Weather-proof Paint or Artificial Plate.

THE undersigned notifies the citizens of this city that he has introduced the above painting of roofs, or other parts of buildings which it is desirable to secure from fire or water, and is ready to receive and execute all orders in his line.

Specimens of his painting may be seen at his room, No. 8, Bates's building, and it may be shortly seen on the roof of the State Bank and other buildings. As this print when properly applied, renders a roof or other substance as permanently secure as if covered with slate, persons designing to build are requested to call.

I expect to apply it with entire success to shingle roofs, as a substitute for new shingles, or for preventing leaks. The roof of the new "Burnet House," in Cincinnati, is to be thus painted.

My terms will be as low as the prices at Cincinnati.

PATENT CORPSE PRESERVER.

THE attention of the public is respectfully invited to this newly invented apparatus. The object for which it is intended is perfectly to preserve corpses from decay for any length of time, without being any wise offensive to delicacy, or unseemly in appearance. The value of such a machine cannot be estimated but by those tender feelings which long for the preservation of a departed friend; and among those who have been compelled to use it on account of the fast decaying of their friends, a general and pleasing satisfaction has been given; for none can speak too highly of such an important and useful invention. Benevolent institutions and all others who desire to delay funerals until the arrival of distant relatives, or to make suitable preparation for interment, can, by use of this machine, preserve them for weeks in a perfectly inoffensive state, allowing all to gaze upon them.

The undersigned has secured the patent for Marion county of this valuable and much needed apparatus. It can be used in the best room in the house without the least inconvenience, and if it does not give satisfaction, no charge will be made. This apparatus can be seen and will be applied by the undersigned, Undertaker and Coffin Maker, at his old stand, of the Eagle, Main street, Indianapolis. J. I. PRETCHER.

N. B.—The undersigned has two hearses and carriages, and the best and most careful hands to his employ; so that, if should happen that he is absent on professional duty, that all orders left at his place of business, will be attended to in as good style, and as punctually, as though he himself was there. The impression being abroad that when professionally absent no person would attend funerals, he wishes his friends and the public to understand that they can be attended to by those in his employ, to their satisfaction. Ready made coffins always on hand. Punctual attendance at all hours. 21-tf
