HALE BROS. & CO.

This entire week will be devoted to the interest of our CLOTHING DEPARTMENT. This we find necessary owing to our increased trade, and the size and merit of this season's stock.

Fully realizing that careful, intelligent CASH Buyers will find out where the best CLOTHING can be bought for the least money, we are willing to rely upon the judgment of the masses.

By always keeping faith with the public, and by giving the best values in the city, quality considered, we have built our Clothing trade to its present magnitude, and by a strict adherence to these principles, we are confident of the future.

In selecting this season's stock, particular attention has been given to each detail. All the essentials necessary to produce a perfect fit have been well considered, while nothing that would add to either the service or beauty of the garment has been neglected.

Our aim has always been to place before our patrons articles whose first consideration is merit, rather than cheapness at a sacrifice of quality.

We make no statements that cannot be proved, and claim no attention that is not justified by our superior merits.

We are now showing better garments, newer and fresher styles, more attractive designs, and better values than any other House in the city.

These are not idle boasts. Make a careful inspection of our stock THIS WEEK, and prove for yourself the truth of our statement.

SPECIAL:

Men's Light-weight Fancy Check Cassimere Suits, with blue and red mixture; these are well made, are cut in the latest style, and have good trimmings. Price, only $4.

A Full Line of Sizes in Boys' Knee Pant Suits. The coats are made with a double box plait, back and front; fancy silk finish, lined with good serviceable striped Farmer's satin, and stylish cut. The pants are lined throughout, seams all double stitched, and good serviceable pockets. We don't believe the lot can be duplicated for the money. Price, only $2 a suit.

Country Orders Receive Prompt and Careful Attention.

CANCER CURED.

I have had a cancer on my face for many years. I have tried a great many remedies, but without relief. I almost gave up hope of ever being cured. Dr. Hardman, my son, recommended Swift's Specific, which I have taken with great results. My face is now well, and it is impossible for me to express my thanks in words for what this medicine has done for me.

MRS. OLIVE HARDMAN.

Swift's Specific has cured a cancer on my face, and has almost made a new man of me.

T. J. TEATE, Wacissa, Fla.

I have had a cancer in my right ear for three years. I tried every remedy the physicians practiced—to no permanent good. Swift's Specific has wrought wonders for me. It is the best blood purifier in the world.

JOHN S. MORROW, Florence, Ala.

Swift's Specific is entirely vegetable, and seems to cure cancers by forcing out the impurities from the blood.

Senator Stanford stated Friday that General Grant was now taking, by permission of his physicians, a certain specific for cancerous growth, in which he and his family had great faith. The Washington *Critic* has the following editorial: "The Democracy of California did little or nothing for Cleveland last fall, and appear to be bent on doing just as little as possible for the good of the party now. Rent into unreconcilable factions, each desirous for recognition by the Administration when neither deserves it, they have none but themselves to blame if they go home empty-handed. A new deal is needed in that State."

Mrs. Mary Ireland, whose husband was, as alleged, inveigled into Canada by English officials and thence transported to England for trial on a charge of desertion from the British army, has received word from her husband from Sterling Castle, Scotland, dated the 6th inst., stating that he has been released, as no evidence could be found against him, and he "would not surrender."
