Books that are really Guides and Self-Instructors in all matters pertaining to Manhood and Womanhood, and supply a want long felt. They are beautifully Illustrated, and in plain language, easily understood. Read what our home papers say: "The knowledge imparted by Dr. Butts' new works is in no way of questionable character, but is something that every one should know. The Youth, the victim of early indiscretion; the Man, otherwise perfectly healthy maybe, but with wasted vigor in the prime of life, and the Women, in misery and ignorance, from the many ills her sex is heir to."—St. Louis Journal.

WHEAT SEEDING.

OFFICE OF R. C. DAVIDGE,
Manufacturer of Fertilizers,
36 W. Lombard St.,
Baltimore, Aug. 27, 1878.

Dear Sir:—Our Agent, Mr. — is about to call upon you. He will offer our different grades of Fertilizers at prices fixed with a view to ruling rates for produce. Whilst we offer for Wheat Seeding, two articles at a material difference in cost, we would state that the more costly differs from the other almost entirely in its stimulating constituent—Ammonia—in other and more lasting properties, such as Available Phosphoric Acid, it is substantially the same.

Yours truly,
R. C. DAVIDGE.

BIG BROWN STORE

BEING determined to offer inducements that will bring trade to our town and increase our business generally, we will offer our immense stock at greatly reduced prices for cash or produce, and we are satisfied that an examination of our immense stock of goods of all descriptions will be sufficient to convince the public that the BIG BROWN STORE fully deserves the name it bears, "the cheap store."

We call particular attention to our stock of READY-MADE CLOTHING, BOOTS, SHOES, HATS, NOTIONS, etc., Furniture, Carpets, etc. Our immense stock of Dry Goods, Essenys, etc., Groceries of the finest grades and amazingly low. Also an unusually large stock of Hardware, Queensware, Glassware, Tinware, Stoves, etc., Clocks, Watch Crystals, Pictures and Picture Frames, and indeed goods that are kept in no other country store. We would call especial attention to our WESTERN MD. FLOUR, the best in the market, and sold lower than it can be procured from Baltimore.

One hundred thousand GOOD BRICKS for sale at $7 00 per M. at the Kiln or delivered at the wharf. (but we have none of the other sort of bricks either in store or in our hats).

We have plenty of town lots for sale, either on the old or new streets, and we mean that the town shall grow. And with Lots, Brick and Lumber (lumber from the new mill) and low prices, we know that people must come here to trade, to buy lots, to build houses and to live.

We do not wish to blow and really think that blowing will be unnecessary, but if it is required, we mean to push ahead generally, and if you will call, we will convince you by pushing prices down at the Big Brown Store.

The report that he had retired from business, or that he has parted with the WORKS or MACHINERY of the old firm, at Canton, necessary for the complete and uniform manipulation and manufacture of those celebrated fertilizers, is utterly false, therefore solicits the custom of his friends and former patrons, and assures them that his name shall as before continue to be a sufficient guarantee of their purity and excellence.

J. J. TURNER.

The Fertilizing Business heretofore conducted under the firm name of J. J. TURNER & CO., at No. 42 Pratt Street, will be continued by J. J. TURNER, JNO. D.
