LOCAL INTELLIGENCE.

Board of Trustees.

The Board of City Trustees met at 12 M. yesterday. Present, Mayor Brown and Street Commissioner Ryan.

Clarence Nelson, Superintendent of City Cemeteries, reported for September 27 deaths; still born, 7; brought here for burial, 17; total number of interments, 51. This is certainly a good showing for the city's health. The number of deaths in September, 1885, was 43, sixteen more than last month; or, at the rate of about one to one thousand, and some of those were the result of accident. Whether the cleanly condition of the sewers, streets and alleys has anything to do with this or not, it will redound in a measure to the credit of the Health Officer, whose ever vigilant eye and sensitive olfactory nerves are constantly on the alert. The interments for September were made as follows: City Cemetery, 28; New Helvetia, 10; St. Joseph, 10; New Masonic, 2; sent to Florin, 1.

Captain N. A. Kidder, Harbormaster, reported for September: Levee dues collected, steamers, $110; barges, $37 50; fish markets, $10; total, $157 50.

Philip Rumble, Poundmaster, impounded 35 animals and collected $23 50 in fees.

H. F. Dillman, Chief of Police, reported for September 301 arrests, 24 lodgers, 1,405 meals furnished, en routes 9.

George A. Putnam, City Tax Collector, collected for the quarter ending September 30th: City licenses, $6,851; fees collected, $121; dog licenses, $437. Total amount collected, $7,409. City licenses on hand October 1st, $9,555 50. Dog licenses on hand, $63.

Application was made by D. E. Kerr to have alley K and L, Twenty-fifth and Twenty-sixth, opened.

Mrs. Wm. M. Lyon objected to the mode of assessment for the improvement of P street, from Second to Third, and asked for a day to be set apart for the hearing of such objections.

A majority of the property-owners in the block between L and M, Third and Fourth streets, remonstrate to the proposed improvement, the construction of a vitrified iron-stone sewer-pipe in the alley.

A. Meiss was awarded the contract for grading G street, from Fifteenth to Sixteenth.

A. S. Hopkins and L. L. Lewis, representing the Board of Trade, appeared before the Board and presented the report of the special committee upon the city bonds, which was published in the RECORD-UNION a few days since. The report referred to recommends and asks that the Board of Trustees dismiss the appeal now pending in the Supreme Court, the object of which appeal is to obtain a decision that the Funded Debt Commission is an unconstitutional body. Messrs. Hopkins and Lewis urged the advisability of dismissing the appeal, and argued against a compromise with the bondholders upon the basis which has been already published, believing it would not be for the city's interest to do so.

Mayor Brown replied very firmly against the proposed dismissal of the appeal, and sharply criticised the method of handling the city indebtedness through the operations of the Bond Commissioners. It is evident that the Trustees will not recede from their position to kill the Bond Commission if in their power, and whatever action the Board of Trade thinks proper to take in the premises, it may as well proceed to without delay.

A Trick that Was Vain.

Ah Sing, the Celestial who robbed rooms at N. A. Kidder's residence recently, taking about $100, a gold watch and chain, and a pistol, belonging to Burt Kidder, as a portion of his booty, was, it will be recollected, arrested by officers Sullivan and Burt at Woodland and brought back to Sacramento. He was searched when captured, but less than $20 was found upon him, the balance of the money he having, he said, lost at tan. The watch he claimed to have given to a friend to bring to Sacramento. Yesterday his case was called in the Police Court, and he was held to answer in $3,000 bail. When he was being put back in his cell, officer Farren casually took hold of his arm, and felt a swelling on the under side, near the armpit. He inquired what that was, and Sing, squirming a little, said, "Don't touch him; he heap sore." Farren, during his experience in the prison, has gained considerable medical and surgical skill, and he began to feel a curiosity as to that sore, together with a suspicion that perchance it might be something else that could be examined into with advantage. So Mr. Sing was compelled to bare his arm, and there was found tied around it a strip of silk handkerchief, in which were three $20 pieces. He subsequently stated that he had left the watch and chain in Woodland, and Chief Dillman and officer Sullivan went over to hunt for the property, leaving Farren profoundly cogitating over something he had heard once upon a time, that "for ways that are dark and tricks that are vain the heathen Chinee is peculiar."

Police Court.

In the Police Court yesterday Ah Gun was convicted of carrying concealed weapons, and fined $40, or forty days in the city jail.....Ah Bane, similarly charged, proved that he had only arrived from Dutch Flat a few hours previous to his arrest, and he was acquitted.....The cases of Mollie Jones and G. W. Warner, against whom there are two charges of burglary, were continued until the 7th.....The case of Charles Miles, accused of burglary, was stricken from the calendar, as it was evident that a case could not be made out against him.....The cases of Wm. Stone, for defrauding creditors, and Mike Lillis, battery upon Stone, were dismissed at the request of the prosecuting witnesses.....Jack Gorman was fined $10 for having been drunk.....James Gildea, arrested for drunkenness, was discharged on his taking an ironclad oath never, never to drink another drop.....The case of Eugene Mooney, charged with grand larceny on the complaint of John Nash, was dismissed at the request of the prosecuting witness, who declared that he knew nothing about the matter, and a mistake must have been made.....Ah Sing was held to answer for grand larceny, in $3,000 bail, for robbing N. A. Kidder's house.

A Missing Witness.

In Department One of the Superior Court, yesterday, Frank Miller was tried on a charge of robbery and acquitted. One night last August cries for help were heard in the vicinity of Second and J streets, and Arthur Miller, Deputy Constable May and others ran to see what the trouble was. They found a man named Henry Wagner struggling with Frank Miller and Thomas Traynor on Second street, near J, and Wagner declared that the other two had garroted and were trying to rob him. They were arrested, and subsequently in the Police Court held to answer on a charge of robbery. Yesterday, when their cases came up, Wagner could not be found, and the jury in Miller's case returned a verdict of not guilty. The District Attorney secured a continuance until to-morrow in Traynor's case, in order to try and find the missing witness.

ANOTHER STRIKE IN EL DORADO.—A correspondent, writing from Coloma, El Dorado county, says that a miner by the name of Jacob Warf struck a pocket in a porphyry ridge, a few miles beyond that town, which promises to make him rich. It is on the summit of a hill, two miles east of the mouth of Dutch creek. He has to carry the pay dirt, or rotten porphyry, on his back, two miles, over a steep hillside, but it pays him $100 a sack. He has taken out over $6,000, and like Colonel Sellers, he thinks there's "millions in it" yet.

NOTARIES APPOINTED.—Governor Stoneman yesterday made the following appointments of Notaries Public: Raleigh Buran and A. J. Dobbins, Vacaville, Solano county; B. Blackburger, Blackburg, Humboldt county; V. C. McMurray, Jr., Camptonville, Yuba county.

MISSES' black and navy blue felt hats, high crown, broad brim and neatly trimmed; price, 75 cents. Millinery department. Red House. *

CITRUS FAIR SOCIETY.

A Permanent Organization Effected for Central California.

Another meeting of the Board of Trade and others was held last evening in the Directors' rooms of the Sacramento Bank, for the purpose of perfecting plans for the formation of a permanent Citrus Fair Association. Albert Gallatin presided, and Dr. Latham was Secretary. The form of organization was discussed at length, together with methods of work to secure the results sought for, the dissemination of information concerning our semi-tropical productions and boundless resources. Without selecting the members of the Board from the other counties, the meeting then adjourned until to-morrow, at 3:30 P. M., when those Directors will be reported by the Executive Committee for approval, and other business will be transacted.

MCKENNA MOUNTED GUARD.—This organization held a meeting last evening at the Republican Wigwam, Sixth and M streets, and it was unanimously decided to take an active part in the local as well as the Congressional campaign. The guard was reorganized by the election of the following officers to serve during the campaign of 1886: T. J. Scott, Captain; John L. Lafferty, First Lieutenant; Charles Cooley, Second Lieutenant; John H. Platt, Third Lieutenant. The campaign being a short one, it was decided to adopt an inexpensive uniform of a red cape. Any member who has the uniform worn two years ago can use it this year. It was decided to take part in the reception of Hon. John P. Swift on next Saturday night.

TESTIMONIAL CONCERT.—The Young Men's Christian Association's hall was well filled last evening on the occasion of the testimonial concert given by the ladies of the W. C. T. U. for the benefit of Mrs. C. M. Hepson. The entertainment was very interesting, and a better-pleased audience has rarely left a place of amusement. The greater portion of the programme was occupied by masters and misses, under the age of 14. Some of them were little people, and the unexpected excellence of their performance gave great satisfaction. The tableau of the "Ten Virgins," by ten handsome young ladies, attired in white, with flowing veils, was a charming feature of the entertainment.

NAPA LADIES' SEMINARY.—The next quarter at this popular institution will begin on Monday, October 11th. Thorough instruction is given under the direction of Miss K. V. Darling, principal, to all pupils, and boarding pupils will be under the care of a resident governess at all times out of school hours. The primary classes are taught by a graduate of the High and Normal Schools, San Francisco; higher English by a teacher of great ability; piano by one of Mr. Lisser's best teachers; modern languages by natives; drawing and painting by an artist who studied in Paris under the best masters, and vocal music and elocution by professors.

MORE "SCALPS."—Two more "scalped" tickets were taken up and confiscated on the overland express train from San Francisco last evening. One was issued at Santa Fe—ticket No. 902 of the G. A. R. excursion series—to D. Palmer, and last evening was held by a female. The other was a Denver and Rio Grande G. A. R. ticket, No. 27, issued to C. P. Campbell and was held by a man who refused to give his name. He said the ticket was purchased by his uncle, and he could not, therefore, duplicate the signature.

AUCTION SALE.—W. H. Sherburn will sell at auction next Thursday, at 10 A. M., at the residence of Mrs. Simon, 902 L street, all the furniture and household goods, including a plush lounge, easy chairs, marble-top table, hat tree, Brussels and tapestry carpets, walnut marble-top chamber set, mirror, lace curtains, three cottage sets, extension table, ice chest, dining-room and other chairs, tables, etc.; crockery and glassware, Richmond range, No. 8; kitchen utensils, etc.

SWIFT AND WATERMAN LEGION.—The Swift and Waterman Legion is to meet to-night at the old Pavilion and arrange for its first demonstration on Saturday night next. Here is opportunity for Republicans to help swell the ranks. Young men are especially desired in this club. It has risen out of the old Blaine Hat Brigade, and the same gentlemanly spirit and sentiment that distinguished that organization marks the new one.

FOR the past few days we have had a crew of men receiving and marking a great variety of fall goods. Red House. *

BRIEF NOTES.

The Forester Gun Club last evening resolved to have a pigeon shoot a week from next Sunday.

But one arrest was made yesterday for offense committed in the city—Tom Bonard, by officer Ferral, for petit larceny.

The highest and lowest Signal Service temperature yesterday was 74° and 52°, with brisk southerly winds and clear weather.

Judge Van Fleet yesterday granted Adelia Mitchell a decree of divorce from Dellmore Mitchell, and the custody of their minor child.

A Convention of the Citizens' Independent party of Sacramento county will be held at Grangers' Hall Friday, October 15th, at 10 A. M.

Twenty carloads of cattle passed through yesterday, en route from Nevada to Tulare, and twenty carloads more go through today to Sycamore, near Tulare.

There arrived from Dayton, Ohio, yesterday two passenger coaches, the first of a number recently ordered by the Southern Pacific Company. They are handsome, and fitted up with all the latest appliances.

The annual meeting of the Howard Benevolent Association was to have been held last evening at the office of W. P. Coleman, but there failed to be a quorum present, and an adjournment until Thursday evening was ordered.

Passengers who came up from San Francisco yesterday noon reported that during the previous night the large warehouse at San Pablo, filled with grain, tumbled down, in consequence of the foundation being insufficient.

Gregory, Barnes & Co.'s delivery-wagon horse, injured about two weeks ago, when P. S. Lawson's horse entered upon a runaway and collided with him, a shaft of the wagon attached to the runaway piercing his side, died yesterday from the effects of the injury.

Constable DeCosta, who has rented Miller's lake, states that he killed 73 ducks last Sunday. Most of them were "sprigs," which shows that the immigrant ducks are coming in large numbers. He says that he saw two flocks of canvas-backs on the same day.

In Justice Post's Court yesterday the cases of John Norton and A. W. DeMarsh, charged by C. C. Clifford with grand larceny, were continued until next Monday, owing to the illness of an important witness, a lady, whose deposition will be taken before the cases come up again.

Mrs. G. W. Warner, of Marysville, whose husband deserted her and their children to run off with a woman named Mollie Jones, both he and the Jones woman being now under arrest for burglary, has written him, in answer to a letter he wrote her, declining anything in the nature of reconciliation.

Walhalla Grove, No. 6, A. O. U. D., held its annual election for officers last evening and selected the following: Louis Goldstein, Noble Arch; Neil McArthur, Vice Arch; H. Meyer, Treasurer; T. Q. Naghel, Secretary; John G. Schweitzer, Conductor; Inside Guard, —— Silva; Outside Guard and Trustee, M. Wilson.

Officer Yager arrested last evening a young colored man on a dispatch from San Jose, charging him with an assault to murder Albert Cooper, another colored man, well-known as a trainer of race horses, and now in the employ of Theodore Winters. They had a difficulty during the races at San Jose last week, and Cooper was stabbed. The prisoner when asked his name, insisted that it was "Senator Cox," but it is supposed to be Sweetser.

The steamer Modoc had great difficulty in getting turned around on leaving her landing for San Francisco yesterday morning, and occupied about an hour in "backing and filling," and finally had to back down to about opposite S street, where the river is wider, to succeed. The trouble was in consequence of the high wind blowing contrary to the current. At one time she was blown ashore on the Yolo side, and the San Joaquin, No. 3, had to pull her off.

The California State Grange announces its annual session at Marysville this morning. Yesterday a large number of delegates from Sacramento, San Joaquin, Santa Clara, Alameda, Sonoma, El Dorado and other counties went up to participate in the proceedings. Among those from Sacramento were Hon. William Johnston, Master of the State Grange, and wife; Daniel Flint and wife, G. Hack and wife, C. Hull and wife, A. F. Raymond and wife, Miss Mary J. Flint, A. Plummer, wife and two daughters, G. W. Hancock and wife.

The latest nuisance at baseball games is the "chestnut gong." At Alameda last Sunday, there was a general sounding of the little bells when a batsman "struck out," especially if he belonged to the Altas; and again when the umpire rendered a decision that did not please the crowd. There was a grand "ding, cling, ding" when umpire Van Court rendered a decision by which the Altas lost a run they were entitled to. The "boys" have been casting about to find the cause of their being beaten so badly during the last two games, and four causes have been assigned for the bad luck: Sweeney's failure in the box discouraged the other players; the club has not had enough practice lately; it was bad luck to put Robertson at the foot of the batting list; and, worst of all, the Altas' mascot, Newbert, has been out of town!

Sheriff McClellan, of Butte county, passed through yesterday, taking to San Quentin Dan McCarty, familiarly known as "Grizzly Dan," who is to serve three years for burglary. Dan has long been known as a romancer in this city, as well as in Butte and other counties. At the time the officers were endeavoring to get a clue to the Kay murder at Folsom he informed some of the Sacramento police that he knew who the murderers were, had talked with them, and was certain they had gone to Auburn. He was so positive, and gave so many details, that he almost got some of them to go on a wild-goose chase to that town. Dan is very strong when it comes to hunting and fishing stories, and quite frequently parties who returned from such excursions, and told wonderful tales of what they had seen and done, were asked if they hadn't met "Grizzly Dan." Oh, yes; Dan, as a combined liar and drinker, was hard to beat.

Excursions from the East.

For the past year efforts have been made to establish the running of excursion trains from the East to Central California, over the Union and Central Pacific Railroads. The cut rates last spring, and afterwards the Grand Army excursions, postponed arrangements which it was thought some months since would bring about the desired end. Now, the managers of the Southern Pacific Company and the Union Pacific and its branch lines, are in entire harmony upon the subject, and working actively to conclude arrangements to bring such excursions by these lines. David Powell, agent for the Wabash road, who has been engaged in conducting excursion parties to southern California and return, came up from San Francisco last evening to confer with Dr. Latham upon such arrangements for immigrants. Dr. Latham and Mr. Powell will go to the Bay this morning to attend a conference with T. H. Goodman and Colonel Hitchcock, coast agent for the Union Pacific, and it is believed matters will be so concluded that excursion trains from eight or ten regular excursion agencies in the East will soon be running over these lines to this part of the State.

HERMANN SOHNE.—As there were some errors in the published list of officers of Sacramento Lodge, No. 11, Hermann Sohne, installed by Grand President P. Warkentin, of San Jose, assisted by members of the Grand Lodge, Sunday evening, we reprint the list: Past President, Geo. L. Ruhl; President, K. F. Wiemeyer; Vice-President, Herman Fastenan; Treas., C. Kaufman; Cor. Sec., C. Hafner; Fin. Sec., John B. Schnetzler; Outside Guard, John Haller; Inside Guard, H. Henschel; Marshal, S. S. Marshutz; Trustees, J. A. Bigger, A. Mendler and L. Goldstein; Finance Committee, Messrs. Schlesiger, Frei and Meyer.

YOLO DEMOCRATS.—The Yolo County Democratic Convention met at the Opera House in Woodland yesterday and nominated the following ticket: For Assemblyman, Levi Adams, of Knight's Landing; Sheriff, Jason Watkins; Clerk, M. O. Harling; Treasurer, William Minis; Assessor, Antone Mossmayer; District Attorney, John Lambert; Surveyor, J. E. R. O'Farrell; Coroner, L. O. Stephens; Public Administrator, G. W. Hiatt; Superintendent of Schools, J. T. McDonnell.

AGAIN VICTORIOUS.—The Mathushek Piano took the grand special medal 1886, being the first prize at the Mechanics' Fair, for durability, excellence of construction and tone. I desire to state, also, in this connection, that no award was made at all at the State Fair, 1886, for pianos of any make, there being no premium offered for imported pianos. John F. Cooper, agent, corner of Seventh and J streets. *

SOCIAL AND PERSONAL.

Professor Price, of San Francisco, passed through yesterday for Placerville.

Samuel Nathan left for El Dorado county yesterday morning to look after his mining interests.

Deming and wife, Benicia; Amos Adams, San Francisco; T. R. Stephens, Placerville; Thomas Chapman, Chico; R. B. Bradshaw, city; D. N. Sherburns, Davisville; W. A. Selkirk, San Francisco; John F. Ellison and wife, Red Bluff; N. Anderson, Wm. B. Cross and wife, E. L. Chamberlin and wife, San Francisco.

Executive Pardons.

Governor Stoneman has granted pardons to the following persons confined in the State prisons:

Thomas Brady, convicted of burglary in the second degree in January, 1884, in San Francisco, and sentenced to four years. Brady is dying, and can live only a few days.

W. N. Wilson, convicted of making and passing a false instrument, in San Francisco, in February, 1883, and sentenced to seven years' imprisonment. Many officials at the Bay petitioned for the pardon, and Wilson promises to leave the State, never to return.

H. W. Rothchilds, convicted of grand larceny in San Francisco, in August, 1884, and sentenced to eight years imprisonment. Hon. T. K. Wilson, the trial Judge, petitioned for the pardon, on the ground that facts have come to his knowledge, which, if previously known, would have caused him to impose a lighter sentence.

James Ryan, convicted of burglary in San Francisco, in March, 1882, and sentenced to eight years imprisonment. The prisoner is dying of consumption; has only a few days to live, and desires to die outside the prison and among friends.

JOHN F. SWIFT FIRE BRIGADE.—A meeting of the John F. Swift Republican Fire Brigade will be held at the old Pavilion this evening to transact business of importance, and all members are requested to be present. All Republicans who desire to join are invited to be on hand.

CHANGE OF PROPRIETORSHIP.—The *Yolo Mail*, of Woodland, has changed hands, Alin T. Bird, the managing editor, having sold his interest—a controlling one—to W. R. Ellis, formerly of the Lodi *Sentinel*. The new management proposes to make of the *Mail* a stanch exponent of Republican principles.

The Yolo *Mail* says, in a spirit of discouragement: "We learn that a party of surveyors in the interest of the Vacaville road are running a survey from Davisville to Lake county via Berryessa Valley, and that the line will be built unless Woodland gets in and builds her own line. With that danger threatening, Woodland's property-owners sit with folded hands and will do nothing toward pushing the line projected from their town to Lake. With the Davisville line built we would not give 'three whoops in hell' for all of Woodland."

The Lassen *Advocate* has the following: "The property of W. P. Hall at Pappoose valley, William Dow and William Brockman at Eagle Lake, has been bargained for by a Mr. Gallatin of Sacramento. We understand that the same party has also bargained for all the stock belonging to these parties running on the ranges of Pappoose valley and Eagle Lake."

FOR coughs and colds, Red Star Cough Cure is the best, says J. E. Bryan, Cleveland, O.
