VOL. II. WASHINGTON, D. C., WEDNESDAY, FEBRUARY 21, 1849. NO. 590.

DR. TOWNSEND'S SARSAPARILLA!

MOST EXTRAORDINARY MEDICINE IN THE WORLD.

THIS EXTRACT is put up in *quart bottles*. It is *six times cheaper*, pleasanter, and warranted superior to any solid. It *cures diseases*, without *vomiting, purging, sickening, or debilitating* the patient.

The great beauty and superiority of this Sarsaparilla over all other remedies is, while it eradicates disease, it invigorates the body.

IT HAS PERFORMED MORE THAN 15,000 CURES THIS YEAR.

1,000 Cures of *Rheumatism*.
1,000 cures of *Dyspepsia*.
2,000 cures of *General Debility and Want of Nervous Energy*.
3,000 *Female Complaints*, and over 7,000 cures of *Diseases of the Blood, viz.:*

Black, scrofula, erysipelas, salt-rheum, pimples on the face, &c., &c., together with numerous cases of consumption, liver complaints, spinal affections, &c. This, we are aware, must appear incredible, but we have letters from physicians and our agents from all parts of the United States informing us of extraordinary cures. R. Van Buskirk, Esq., one of the most respectable druggists in Newark, New Jersey, informs us that he can refer to more than one hundred and fifty cases in that place alone. There are thousands of cases in the city of New York which we will refer to with pleasure, and to men of character well known.

OPINIONS OF PHYSICIANS.

Dr. Townsend is almost daily receiving orders from physicians in different parts of the Union.

This is to certify that we, the undersigned, Physicians of the city of Albany, have in numerous cases prescribed DR. TOWNSEND'S SARSAPARILLA, and believe it to be one of the most valuable preparations of Sarsaparilla in the market.

F. H. Pelton, M. D., J. Wilson, M. D., R. B. Briggs, M. D., P. E. Elmendorf, M. D.

Albany, April 7, 1846.

The following is from one of the most respectable physicians on Long Island:

GREENPORT, July 19, 1846.

DR. TOWNSEND—Dear Sir—It is with satisfaction that I say to you, that I have recently witnessed, in several cases, the most beneficial results from your EXTRACT OF SARSAPARILLA. Being engaged in the practice of medicine, I have prescribed it in several cases, and never without benefit. In the removal of diseases arising from a deranged state of the digestive organs, jaundice, &c., it far exceeds any thing of the kind ever offered to the public. You will please send me two dozen, &c.

Respectfully yours,
S. C. PRESTON, M. D.

UNITED STATES OFFICER.

Capt. G. W. McLean, Member of the Legislature, and late of the United States Navy, has kindly sent us the following certificate. It tells its own story.

RAHWAY, Jan. 25, 1847.

A year since I was taken with the influenza, and my whole system left in a debilitated state. I was induced to try DR. TOWNSEND'S SARSAPARILLA, and after taking two or three bottles, I was very much relieved, and attribute it entirely to the sarsaparilla. I have continued using it, and find that I improve every day. I believe it saved my life, and would not be without it under any consideration. G. W. McLEAN.

THE EDITOR.

JOHN JACKSON, Esq., Editor of the Rahway Republican, published the above certificate, and remarks in an editorial as follows:

☞ The success of DR. TOWNSEND'S PREPARATION OF SARSAPARILLA appears to be one of the most extraordinary character. We publish to-day two certificates in its behalf, one from Capt. McLean, of this town, and one from the Rev. Mr. White, of Staten Island, a gentleman well known in the Baptist Ministry. Capt. McLean says the medicine to have saved his life, and Mr. White seems to entertain an equally strong confidence in its efficacy. Intelligent men like these would not praise so strongly what they did not fully believe to be deserving.

SCROFULA CURED.

This certificate conclusively proves that this SARSAPARILLA has perfect control over the most obstinate diseases of the blood. *Three* persons cured in one house is unprecedented.

THREE CHILDREN.

DR. TOWNSEND—Dear Sir—I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were afflicted very severely with bad sores; have taken only four bottles; took them away for which I feel myself under deep obligations. Respectfully yours,
ISAAC W. CRAIN, 108 Wooster street.

New York, March 1, 1847.

CONSUMPTION CURED.

Cleanse and Strengthen. Consumption can be cured. Bronchitis, Consumption, Liver Complaint, Colds, Coughs, Canker, Asthma, Spitting of Blood, Soreness in the Chest, Hectic Flush, Night Sweats; Difficult or Profuse Expectoration, Pain in the Side, &c., have been and can be cured.

Probably there never was a remedy that has been so successful in desperate cases of Consumption as this. It cleanses and strengthens the system, and appears to heal ulcers on the lungs, and the patients gradually regain their usual health and strength.

ALMOST A MIRACLE.

Read the following, and doubt, if you can, that Consumption can be cured. This is only one, of several Hundred cases, that TOWNSEND'S SARSAPARILLA has cured:

BROOKLYN, Sept. 11, 1846.

DR. TOWNSEND—Dear Sir—I was taken, a little over a year ago, with a severe cough and pain in my side; it increased on me very fast indeed. I was pronounced by physicians to have the quick consumption. I raised large quantities of bad matter, had night sweats, and—sinking very low—my friends had given up my recovery. I was then induced to try the hospital, in hope of being benefited, but was pronounced as incurable. I was now greatly distressed at the lungs, and could hardly breathe; I soon became speechless, and expected to die; was confined to my bed, and was obliged to have a tube inserted in my windpipe, to enable me to breathe; that would do justice to my case. I was supposed by my friends to be past recovery. I had tried a great number of remedies, and all seemed to be of no effect. I read of the most extraordinary cures, performed by your medicine, and to tell you the truth, I suspected that they were humbugs; but I was induced to try it, I did so, and am very thankful I did. I cannot say that I am entirely well, but I am so far recovered as to be about my business, and hope to be entirely well in a few weeks. My cough, pain in the side, and night sweats, have left me, and I raise but very little, and am fast gaining my usual strength. I feel it my duty to give you a statement of my case, to publish, if you please.

PETER BROWN, 47 Little st., Brooklyn.

TO MOTHERS AND MARRIED LADIES.

THIS EXTRACT OF SARSAPARILLA has been expressly prepared in reference to Female Complaints. No female should neglect to take it, as it is a certain preventive for any of the numerous diseases to which the sex are subject. It is valuable for those who are approaching womanhood, as it is calculated to assist nature by quickening the blood and invigorating the system. Indeed, this medicine is invaluable for all the delicate diseases to which women are subject.

It purifies the whole system, renews permanently the natural energies by removing the impurities of the blood—by so far stimulating the system as to produce no subsequent relaxation, which is the case of most medicines taken for female weakness and disease.

YOUNG LADIES, READ THIS.

You who have Pale Complexions, Dull Eyes, Blotches on the Face, Rough Skin, or Freckles, and are, "out of spirits," use a bottle or two of Dr. TOWNSEND'S SARSAPARILLA. It will cleanse the Blood, remove the Freckles and Blotches, and give you animation, sparkling eyes, fine spirits, and beautiful complexion—all of which are of immense value in consummating Ladies.

GREAT FEMALE MEDICINE.

DR. TOWNSEND'S SARSAPARILLA is a sovereign & sure remedy for incipient CONSUMPTION, and for the general prostration of the system—no matter whether the result of inherent cause or causes, produced by irregularity, illness, or accident.

Nothing can be more surprising than its invigorating effects on the human frame. Persons, all weakness and languishing before taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervousness of the female frame, which is the great cause of unhappiness.

It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afflicted that hundreds of cases have been reported to us.

CORNICKIN, Sept. 23, 1846.

DR. TOWNSEND—To all whom this may concern—This is to certify that my wife used one bottle of your SARSAPARILLA previous to a critical event, under the most alarming and delicate circumstances, being troubled with the dropsy, swelling of the feet, nervous affections, and very much debilitated; with my persuasion, and the recommendation of those who had used it, she was induced to try it, with great or no faith; and suffice it to say, the medicine had the happy and desired effect, not only during the said period, but after the expiration of one week of its use, the dropsy and nervous affection gave way to an astonishing degree, and her health is now better than it had been for a long time previous.

If this will be of any service to you, or any one who doubts the success of the medicine, you are entirely welcome to it.

I subscribe myself your most obedient and obliged serv't,
S. S. JAMESON.

RHEUMATISM AND FILES.

SEPTEMBER 16, 1846.

DR. TOWNSEND—Dear Sir—My wife has been, for several years, afflicted with Rheumatism. She has tried many different remedies to obtain some relief, but all to no purpose. She was finally induced by seeing your advertisement, to SEE IF SARSAPARILLA would do her any good. She has taken a bottle in all, and is daily improving. I tried it for the Piles, and by taking a small quantity of your Sarsaparilla, our complaint was completely cured. I consider it one of the best of medicines, and would advise all who are afflicted to give it a trial.

V. B. PALMER'S COUNTRY NEWSPAPER ADVERTISING AGENCY, Tribune Building, New York, embraces most of the best newspapers of all the cities and principal towns in the United States and Canada, for which he is duly authorized to receive advertisements and subscriptions, and fully empowered to give receipts.

Merchants, manufacturers, artists and individuals generally, besides public institutions, incorporated companies, and societies who wish to advertise in, or subscribe for, newspapers of any section of the country, are respectfully invited to examine the files.

To remove all doubts and misapprehensions, the agent hereby notifies the public, that no person is authorized by him to solicit advertisements, cards or subscriptions for the newspapers, for which he is the only authorized agent.—The annoyance to merchants and others, growing out of numerous pretended agencies in this city, renders the adoption of this course essentially proper to guard against imposition.

Those, therefore, who wish to transact business with his agency, and avoid mistakes, are respectfully invited to hand in their orders at the office, or address

HERTS & SON'S *AMALGAMATED SILVER STEEL AND PLATINA PENS*—Warranted not to corrode. All who appreciate comfort in writing should use the above beautiful pens, as they are warranted not to corrode; and for elasticity, fineness and durability, are unequalled by any other pens ever offered. These pens were first introduced into this country in August, 1845, at which time the manufacturers were unknown to the writing community; the pen, therefore, had to stand on its own merits. It is the bounden duty of the manufacturers to acknowledge that a discerning public has paid the highest tribute to their labors, and that the present demand (which is daily increasing) far exceeds their utmost expectations.

The quantity of these pens made and sold by Herts & Son, from December, 1845, till December 1846, is

375,000 gross, or 4,500,000 dozen, or 45,000,000 of pens.

The enormous demand for these is a sufficient proof of the quality; it is therefore unnecessary to publish the various certificates that the manufacturers have received from all parts of the Union. They may be had at wholesale at the manufacturers' depot, 89 John street, New York—or 36 Cornhill, Boston—and retail from all Stationers in the United States.

Cor. of Broadway and Walker sts., No. 440.

JOHN FLORENCE, Jr., deems this a fitting opportunity, when so many of his former patrons from the South, West, North and East, are visiting this city—to state, that finding his old Saloon not large enough for their accommodation or susceptible of that embellishment due to the improvements throughout hitherto bestowed upon him, he has abandoned all connexion therewith and has erected, as above (400 Broadway) an extensive and superbly furnished Hotel, kept upon the European plan. He would particularly invite attention to the costly and singularly beautiful Public Saloons connected with the Hotel, and further solicit a trial by "Epicures" of the proficiency of his Slaves of "Caremes" and "Soyer" who preside over the Cuisines of the *FLORENCE SALOONS*.

PATENT ELASTIC METALLIC SHANK BOOTS AND SHOES.

CONGRESS GAITERS FOR LADIES AND GENTLEMEN

These articles are superior to anything ever before manufactured, in this or any other country, for durability, beauty and utility.

NO. 135 FULTON STREET, NEW YORK.

THIS unique and useful invention was awarded a Silver Medal (the highest premium) at the last Annual Fair of the American Institute, for its superiority over all others offered for competition.

It has met the approbation of the officers of the army and navy, as well as every gentleman of taste who has fairly tested its value, and is rapidly coming into general use among all who regard ease, grace, comfort, and durability, as desirable requisites in their Boots and Shoes. It makes the Boot or Shoe more elastic, preserves its original style and shape, and gives the hollow part a beautiful and elevated arch, thereby allowing the heel to be worn very high with perfect ease, or quite low, without exposing the pantaloons strap to injury. It also keeps the foot from pressing forward, and retains it in a natural and easy position.—Myself and the Shoemakers of this city persons who make and sell Boots and Shoes with this invention, in the cities of New York, Brooklyn, and Jersey City.

CONGRESS GAITERS.

The undersigned, the first in the city of New York to manufacture this justly celebrated and elegant article, continues to make them up in an endless variety of styles, in workmanship unequalled, and at prices defying competition. All other kinds of Boots, Shoes, Gaiters, Pumps, and Slippers, for ladies, gentlemen, youths, misses, and children.
