CHAPTER 198.

An Act for the protection of, and to regulate the time and manner of catching and taking Fish and Terrapins in that portion of the Potomac River, between Maryland Point, in Charles County, and Chiseldine's Island, in St. Mary's County.

SECTION 1. Be it enacted by the General Assembly of Maryland, That it shall not be lawful for any person or persons, except *bona fide* residents of Charles county, to take or catch terrapins, or to haul a seine in any of the inlets or tributaries of the Potomac river, lying in Charles county, nor within five hundred yards of the beach on the Potomac river, between Maryland Point, in Charles county, and Chiseldine's Island, in St Mary's county, nor in the Wicomico river; *provided*, that persons owning or occupying lands on the Wicomico river, or on the Potomac river, or any tributaries thereof, in Charles county, shall have the right to rent or otherwise to grant to non-residents of the county the privilege of fishish on their shores, or within the prohibited line on their water front; *provided further*, that any land-owner desiring or intending to rent or grant the privilege to fish on his water front, shall ascertain and distinctly mark the line dividing his land and water front from that of the adjoining land-owner; and the manner of marking said dividing line, shall be by fixing a substantial stake or buoy, immediately on his dividing line, five hundred yards from the beach, and another in the same line, half way between the beach and the outer stake or buoy; and where the water front is on a creek, the centre of the creek shall be marked in a similar manner, to prevent and infringement on the rights of persons owning the opposite shore.

Sec. 2. And be it enacted, That no person or persons shall haul a seine more than eighty fathoms in length in that portion of the Potomac river, between Maryland Point, in Charles county, and Chiseldine's Island, in St. Mary's county, except from the fifteenth day of March to the first day of June inclusive.

Sec. 3 And be it enacted, That any person or persons violating the provisions of either of the preceding sections of this Act, shall pay a fine of not less than five, nor more than fifty dollars, and forfeit the boat or boats, and vessel in his or their possession, together with the seine or seines, nets, tackle and all things on board or in any wise pertaining thereto, at the time the offence may have been committed, and in case any person or persons are charged with the violation of any of the provisions of this Act, the burden of proof of evidence shall be upon the person or persons so charged.

Sec. 4 And be it enacted, That upon information given upon oath, to any Justice of the Peace of the county of Charles, of any violation of any of the provisions of this article, he shall issue his warrant for the arrest of the offender or offenders, which shall be directed to the Sheriff or any Constable of the county, to be dealt with according to law, and in such warrant it shall not be necessary to name any such offender or offenders, or the owner of any such property, but it shall be sufficient to describe him or them as a person or persons guilty of violating the law, without naming such person or persons.

Sec. 5. And be it enacted, That it shall be lawful for any citizen or citizens, and it shall be the duty of the Sheriff or Constable of the said county of Charles, to arrest with or without warrant, any person or persons violating the foregoing sections of this Act, and to take them before some Justice of the Peace of the county for trial under this Act, and to seize the boat or boats and vessel, together with the seines, nets, tackle and all things on board, or in anywise pertaining thereto, used in such violation as aforesaid; and give notice to the owner or owners thereof, if the same can be found, to appear before a Justice of the Peace of Charles county on a certain day, within five days from the time of seizure, to show why the property so seized should not be condemned, and if the owner or owners of the property so seized evade the service of said notice or cannot be found, then the Sheriff or Constable, or citizen or citizens making the arrest, may give notice by publication in some newspaper published in Charles county, or may set up notices at the most public places in the neighborhood of the seizure, warning the owner or owners of such property to appear before a Justice of the Peace of Charles county to be therein named, on a day certain, not less than ten days from the time of seizure to show cause why the said property should not be condemned.

Sec. 6 And be it enacted, That if upon the hearing in any case of seizure as aforesaid, the Justice of the Peace is satisfied that the owner or person or persons having charge of the property so seized is guilty of violating any of the provisions of this Act, which imposes a forfeiture of such property for such violation, then such Justice shall adjudge the same to be condemned and sold by the Sheriff or Constable seizing the same, after ten days public notice, and in case such seizure shall be made by any citizen or citizens, other than the Sheriff or a Constable, then the sale of the property so seized shall be sold on ten days' public notice by the Sheriff or any Constable the said Justice may designate; and if the owner or owners fail to appear after the notice herein required to be given, the Justice shall proceed *ex-parte* to hear and determine any question of forfeiture, and in all cases arising under this Act there shall be an appeal to the Circuit Court for Charles county, subject to the same law and rules that govern in other cases of appeal from the decisions of Justices of the Peace.

Sec. 7. And be it enacted, That if the Sheriff or Constable, or any citizen or citizens, as prescribed in the first section, making the seizure of property under this Act, does not know the name of the owner or person having charge thereof, he or they may describe him in the notice required to be given as the owner of the property without naming him, and the Justice, if he does not know the name of the owner, may condemn the property as the property of a person guilty of violating the law without naming such person.

Sec. 8. And be it enacted, That the proceeds of sale of any property forfeited as aforesaid, with all costs of prosecution and fines imposed and collected under this Act, shall, after paying the expenses of the seizure, condemnation and sale, be divided, one-fourth to the Sheriff or Constable making the seizure, one-fourth to those aiding in making the arrest and seizure, and in case the arrest and seizure is made without the aid of an officer, then one-half to those making the arrest and seizure, and in all cases one-half to the County Commissioners of Charles county, to be expended in repairing the public roads of said county, and in default of the payment of such fine and costs of arrest and prosecution, the person or persons convicted of the violation of any of the provisions of this Act, shall be committed to the county jail for thirty days, unless such fine and costs be sooner paid.

Sec. 9. And be it enacted, That any person who shall attempt to violate any of the provisions of this Act, shall be guilty of a misdemeanor, and on conviction therefor, shall be dealt with and punished as if he had violated said Act; and the finding of any non-resident of the county upon any of the tributaries of the Potomac river, lying wholly or in part in Charles county, (save as herein excepted) having in his possession any seine, net, tackle or other contrivance, generally used in taking terrapins, or in hauling seines for fish, shall be *prima facie* evidence of such attempt by such person.

Sec. 10. And be it enacted, That nothing contained in this Act, or in the Act passed January session, eighteen hundred and seventy, chapter sixty one, shall be construed to prohibit the citizens of Charles and St. Mary's counties having a common right to fish in that inlet or tributary of the Potomac river, commonly called Wicomico River, save as may conflict with section one of this Act, where shores are distinctly marked and designated as therein required.

Sec. 11 And be it enacted, That this Act shall take effect from the date of its passage.

Approved April 1, 1872.

We do hereby certify that the aforegoing is correct copy of an Act of the General Assembly of Maryland, passed at the January session, 1872.

Gents:—I used the Compound last season on my Tobacco. I take pleasure in stating that I consider it a valuable fertilizer. I used it at the rate of 250 lbs. to the acre, notwithstanding the excessive drought it produced a fine crop. I can without hesitation recommend this fertilizer to planters as a No. 1 Tobacco Compound. I also used it on my Peach Trees and it acted like a charm.

Yours Truly,
B O HANCE.

Chaptico, St Mary's Co., March 9, '72.

Gents:—I tried "Dorsey's Tobacco Compound" last year along side of Peruvian Guano. I could see no difference in either, except that the Compound made no ground leaves, while the Peruvian did.

Yours Truly,
JNO E FARR.

Colbrum, St Mary's Co., March 16, '72.

Gents:—In reply to your inquiry I will say that the Compound was used by my tenant, along side of other fertilizers. The Compound started the Tobacco more quickly, and was far ahead of the other fertilizers. The leaves were thicker and larger and curing well.

Yours Truly,
F J STONE.

Calvert County, Md. Feb 20, '72.

Gents:—I used on my Tobacco your Compound by the side of other No. 1 Fertilizers; the preference was clearly in favor of the Compound—and so declared by all that saw it. The Tobacco where the Compound was used being very leafy.

J W PETERSON.

Port Republic, Calvert Co., Md., Feb 22, '72.

Gents:—I have used "Dorsey's Tobacco Compound" on my Tobacco crop. It acted finely. I shall make more Tobacco from it than from any fertilizer that I have ever used.

Respectfully,
RICHARD BLUNT.

Cove Point, Calvert Co., Md., Feb 23, '72.

Gents:—I have used "Dorsey's Tobacco Compound," it acted extremely well although the season was very dry. I have been using Peruvian Guano, but the Compound seemed to act as well as it.

Yours Respectfully,
JAS E BLUNT.

St Leonard's, Calvert Co., Feb 26, '72.

Gents:—I used "Dorsey's Tobacco Compound" on Tobacco last year at rate 250 lbs. per acre, on land that had been in Tobacco three successive years and made the finest crop in quantity and quality that I ever raised.

Yours Respectfully,
T B TURNER.

Port Republic, Md., Feb 21, 1872.

Gents:—In reply to your inquiries in reference to the action of "Dorsey's Tobacco Compound" on my last year's crop of Tobacco, I will say that I used it on my Tobacco with the most astonishing results, and conclude that the Compound is fully equal to Peruvian Guano pound for pound.

Yours Truly,
STERLING SMITH.

Port Republic, Calvert Co., Md., Feb 21, '72.

Gents:—I have used a great variety of Fertilizers during past years, but I have made a heavier crop of Tobacco from the use of "Dorsey's Tobacco Compound" than I ever raised on the same amount of land. I used it at the rate of 150 to 200 lbs per acre broadcast.

Yours Respectfully,
A. M. TALBOTT

St. Leonard's, Md., Feb 1, 1872.

Gents:—In answer to your inquiry, I will say that I have used the "Dorsey Tobacco Compound" along side of two first-class Fertilizers; it was much superior to both. It is the most reliable fertilizer I have ever used, and consider it equal to Peruvian Guano.

Yours, &c.,
J. J. BLACKBURN.
