THE undersigned begs leave to call the attention of those desirous of using a good article of Blacking, to the above named. The Manufacturer, knowing the excellent properties of this Blacking, sent samples to various persons (such as Boot Makers, &c.) also to several of the newspapers. The extracts underneath are from some of the papers; they speak for themselves; also several persons who tried it have called and said that the *Japan Liquid Blacking* was superior to any thing they had ever used.

EXTRACTS FROM NEWSPAPERS.

By reference to another column, an advertisement will be found for an excellent article of Blacking, in a Liquid form, for Boots, &c. It has been highly recommended by many who have tried it. It not only gives, with very little trouble, *a beautiful jet polish*, but retains it much longer than any other. It is sold by the agent of the manufacturer at No. 50, Chestnut street. Buy a bottle, one trial will prove the fact.—*Phil. Ledger, April 23.*

Weller's Blacking is one of the most shining articles in the market.—*Spirit of the Times, April 2.*

Patent Blacking—Mr. J. Weller, No. 50 Chestnut street, has prepared a Patent Liquid Blacking, which produces a beautiful jet polish, and does not injure the leather. Those who would have a polished understanding should read the advertisement in another column.—*U. S. Gazette, May 1.*

(*Evening Bulletin, June 7.*

☞ The Manufacturer can produce numerous testimonials similar to the above, from private individuals and from other papers, but the above extracts are sufficient to convince any person that the manufacturer has not exaggerated; but that upon a fair trial the Blacking will be found as represented, *excellent* in every respect.

NEW YORK HOTEL,

No. 721, Broadway, New York.

J. S. MONROE, PROPRIETOR.

THIS HOTEL, situate in the upper and fashionable part of Broadway, has been so enlarged as now to be the most extensive that exists.

The convenience, beauty, and salubrity of its position have heretofore caused its accommodations to be so monopolized by permanent visitors as to deprive the city at large of the travelling public from participation in its comforts.

Extensive additions have been made, however, with a view to set apart for transient visitors suits of parlors and bed-rooms, to be retained at all seasons for them.

Families coming and will now find the choicest accommodations of this Hotel constantly set apart for them, and every attention will be paid to render it as attractive to the transient visitor as it has proved to those who, residing in the vicinity of New York, have constantly, since its opening, honored it with their selection, as combining all the luxuries of the best European hotels, with the advantages of its location.

VALUABLE MEDICINE WINE.

MANUFACTURED from the combined virtues of the *Sarsaparilla, Dandelion, Wild Cherry*, and several other *Exotic Plants*, whose wonderful curative properties are altogether unknown, except to the author of

HASLEY'S FOREST WINE!

It is well known to good chemists, that all vegetable substances contain more or less deleterious properties, as well as medicinal virtues. Those opposite qualities which are diffused together in every root, plant, and blossom, remain inseparable in the extracts, as obtained by the usual method of boiling, &c., rendering all medicines thus prepared inert, and in many cases either injurious or altogether useless. This accounts in a great measure for the inefficiency of so many medicines in curing the diseases which they promise to cure.

It is very different with *Hasley's Forest Wine*. By means of a wonderful chemical apparatus, invented for the express purpose of manufacturing this article, the entire virtues of the most valuable combination of plants ever discovered is obtained, pure and free from every property but those which act in unity, and harmonize with the constitution of the human frame. This renders the *Forest Wine* the most excellent and truly valuable medicine in the world, both for its miraculous power of curing as well as delightful flavor.

The Forest Wine is most distinguished for its great efficacy in *removing worn-out constitutions*, and curing a patient ill health proceeding from *nervous disorders*, complaints of the *stomach, liver, heart and kidneys*, including *costiveness, dyspepsia, indigestion, loss of appetite*, and *a debilitated state of the system*. A free use of the Forest Wine restores invalids of this class to the most robust, strong, and vigorous health. It has also proved useful in restoring invalids from a lingering state, after severe attacks of sickness.

Price $1 per bottle, for sale at Hasley's General Depot, 2 Courtland st., New York, and by the appointed agents.

EPILEPSY OR FALLING SICKNESS.

ON all symptoms of frequent pain in the Head, dimness of Sight, noise in the ears, disturbed sleep, with agitating dreams, *PALPITATION, FLATULENCY*, and *WEAKNESS*, Dr. SWEETSER'S PANACEA should be immediately commenced with and persevered in, until every symptom ceases. The above are the premonitory symptoms of **Epilepsy**, and denote a very foul state of the blood, stomach and nerves. A purification of the blood by the use of this Panacea will at all times insure the body against any of these disagreeable symptoms. Many persons suppose that it is useless to take medicine unless we are so ill as to be unable to attend to our daily avocations; therein lies their error. We do not insure our houses and goods when they are on fire, or with the expectation that they will soon burn up; but on the wise precept of guarding against accident. So if we purify our blood when well, we insure our bodies against attacks of sickness, not with the exact expectation of being sick, but to be always prepared against its attacks.
