The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Congregational Church Gains Three Members and Loses Three During Year—Reports Indicate Active and Prosperous Year.

Because of the intense cold only half the usual number attended the annual business meeting and roll call of the Congregational church Tuesday evening. About fifty persons enjoyed a good supper of sliced ham, scalloped potatoes, biscuits, cabbage salad, cake and coffee, served by Mrs. Ada Larrabee, the new L. A. S. president, and her assistants. It was impossible to comfortably heat the chapel on account of the high wind and zero temperature, so the business meeting was made as brief as possible. The report of the church clerk gave the membership of the church 152, there having been a loss of three members and a gain of three during the year, leaving the membership the same as on January 1, 1913. The apportionment for this church is $558, and the benevolences amount to $726.02 divided as follows: Foreign mission $205.59, Home missions $104.14, A. M. A. $81, church building society $26.75, Sunday school and publishing society $29.52, education society $17.14, minister's fund $11.88, other charities $150. The report of the Sunday school superintendent gave the membership as 59 in the main school with receipts during the year of $94.33. In the home department there are 11 members, who have contributed $7.88. The school gives $20 a year for the support of a girl in India. There is a balance of $20 in the treasury. The Ladies' Aid society held three bean suppers, one chafing dish supper, one harvest supper, one food sale and one fair during the year, and in December a reception was given the pastor and his bride. A new cork matting was purchased for the chapel. The money raised during the year amounted to $222, and there is $28.02 in the treasury. The secretary of the C. E. society, Eden Cook, reported a gain of 12 members since January, 1913, making the present membership 28. Six socials were held. The missionary collection amounted to $11.40. The treasury now contains $21.34. Alan Guild reported a membership of 15 in the K. O. K. A. They meet once in two weeks. Gave several entertainments and held a week's camp in August. Received $59.63 and have on hand $26.25.

Other Statistics.

The Women's Home and Foreign Missionary society has 29 members, four having been added since January, 1913. The society meets once in two weeks and sew and study missionary books. Nineteen meetings have been held. The New America has been read since October, and What Next in Turkey is to be taken up at the next meeting. The smallest attendance was 20, the largest 34. Two barrels of new and second hand articles, valued at $175, were sent to Lincoln Academy, Kings Mountain, N. C. This year the members are sewing for the Brewer Normal school, Greenwood, S. C. Ten dollars was sent to the Eastern Connecticut branch.

The pastor's report of his year's work told of 284 calls made, 39 sermons preached, absent either by exchange or on his vacation 12 Sundays; church closed one Sunday; led 37 prayer meetings, and on six Thursday evenings were given stereopticon lectures on missionary topics; attended six funerals, officiated at two weddings and one baptism. A stereopticon was purchased by subscription and a fund for the running expenses started, which now amounts to $20 with all bills paid. It is hoped this year to purchase new hymn books for the church. A number of individuals have offered to purchase their own copies, and an effort will be made to raise money to buy the remainder needed. The matter of the need of a club room for the K. O. K. A. was spoken of. Last year the envelope system was instituted and 55 persons made their contributions in that way. That number has been increased to 72.

Officers Elected.

The election of officers resulted in the choice of H. C. Lathrop for church clerk and treasurer and Sunday school superintendent, and of Mrs. W. F. Maine a member of the church committee for three years, to succeed themselves. Rev. M. R. Plumb and Mr. Lathrop were chosen a committee to act, with two others to be chosen by Mr. Plumb, on the revision of the church manual, the one now in use being compiled 20 years ago. After voting $8.36, the rate of .05 1-2 per member, to the state conference, the meeting was closed with the roll call, to which 27 responded in person and seven by message through friends. The church voted to adopt the resolution for a national constitutional amendment for prohibition as requested by the W. C. T. U.

SICK HEADACHE, COSTIVE, BILIOUS, IF LIVER IS TORPID--DIME A BOX

You men and women who can't get feeling right—who have headache, coated tongue, foul taste and foul breath, dizziness, can't sleep, are nervous and upset, bothered with sick, gassy stomach.

Are you keeping your bowels clean with Cascarets—or merely dosing yourself every few days with salts, pills, castor oil and other harsh irritants? Cascarets immediately cleanse and sweeten the stomach, remove the sour undigested and fermenting food and foul gases; take the excess bile from the liver and carry off the constipated waste matter and poison from the bowels.

A Cascaret tonight straightens you out by morning—a 10-cent box keeps your head clear, stomach sweet, liver and bowels regular and you feel bully for months. Don't forget the children.
