## MALTBY HOUSE,

BALTIMORE,

April 1st, 1879.

Recognizing the fact that the relationship existing between the Counties of Maryland and the City of Baltimore, is such that residents of the Counties have occasion to visit the City frequently during the year; in consideration of these fact and the liberal patronage extended the "Maltby" in the past, I deem it but a matter of justice that some discrimination should be made in their favor. I have therefore concluded to

**Reduce the Price of Board to $2.00 per Day,**

feeling confident that the same will be fully appreciated by them, and at the same time merit and secure an increased share of their patronage. Assuring them that nothing will be left undone that can add to their comfort during their stay.
