Dissolution of Copartnership.

BALTIMORE, March 19th, 1878.

The Co-Partnership heretofore existing between the undersigned under the name of J. J. TURNER & CO., is this day dissolved by mutual consent. Either will sign in liquidation.

J. J. TURNER,
J. Q. A. HOLLOWAY.

To Tobacco Planters and Corn Growers.

The undersigned PIONEER in the manufacture of FERTILIZERS in this city, and engaged, since 1858, first as a member of the firm of J. J. & F. TURNER, by whom the formulas and processes of manufacture of

"Excelsior" & "Ammoniated Phosphate"

Were *originated*, and since 1864 a member of the late firm of J. J. TURNER & CO., relying upon his experience and personal reputation, hitherto acquired in the uniform excellence of these FERTILIZERS as manufactured by him, offers them in *his own name* to the agricultural public.

Having secured the *works of the old firm*, **111 McElderry's Wharf**, with the complete machinery, *specially constructed for their uniform manipulation*, he will continue the manufacture of

"EXCELSIOR" AND AMMONIATED PHOSPHATE

On his own account, with his office adjoining the works, where he will be pleased to see his friends and patrons, assuring them that the FERTILIZERS manufactured by me shall be of the *same uniform and high standard quality* as sold by the *old firms* since their introduction.

J. Q. A. HOLLOWAY,
Originator and Manufacturer

The above are the most concentrated, universal and durable FERTILIZERS ever offered to the Farmer—combining all the stimulating qualities of Peruvian Guano and the ever-durable fertilizing properties of Bones, in fine, dry powder prepared expressly for drilling, and it is the opinion of many close-calculating farmers, after over twenty years' experience in testing the "EXCELSIOR," manufactured by me, side by side with other popular Fertilizers, that an application of 100 pounds is equal to 200 pounds of any other Fertilizer or Guano ever offered for sale, therefore fully 50 per cent. cheaper. By strictly adhering to my Original Formulas, using only the most concentrated materials, and *superintending in person their manufacture—as for the past twenty years*—

UNIFORM QUALITY IS GUARANTEED.

☞ Farmers to secure the GENUINE EXCELSIOR AND PHOSPHATE prepared according to *my Original Formulas established in 1858*, should see that every Bag is branded as above, with the *Analysis* and *my name in Red Letters.*

EXCELSIOR $48 PER TON. PHOSPHATE $40 PER TON.

J. Q. A. HOLLOWAY, Originator and Manufacturer.
