WEDDING.

Lyman—Latimer.

A pretty home wedding took place Thursday evening at 6 o'clock when Miss Gladys Estelle Latimer, daughter of Mrs. A. P. Latimer of Montville became the bride of William Welles Lyman of Binghamton, N. Y., formerly of Norwich. The ceremony was performed at the residence of the bride, The Palmer Homestead, by Rev. Neilson Pee Carey of Beverly Farms, Mass., assisted by Rev. George C. Chappell of Montville.

The bride was charming in a gown of ivory white satin meteor trimmed with old rose point lace. She wore her mother's wedding veil caught with orange blossoms, and carried a shower bouquet of bridal roses and lilies of the valley. Her maid of honor, Miss Ruth E. Hamilton of Groton, was gowned in blue crepe de chene and carried cosmos. The best man was J. T. St. John of Binghamton, N. Y.

The ceremony was performed in the front parlor, the couple standing before a bank of evergreen and cosmos and the double ring service was used. The wedding was unique in that the ceremony was performed by candlelight.

To the strains of the Bridal Chorus from Lohengrin, rendered by Baker's stringed quartette, the bridal party walked through an asle of smilax and white tulle supported on each side by four little ribbon bearers. The eight children were the Misses Helen, Elizabeth and Doris Latimer, Neva Palmer and Georgiana Palmer and Thomas and Frederick Latimer and Frederick Palmer. During the nuptials the quartette rendered Meditation from Thais by Massenet, and as the recessional Mendelssohn's wedding march. The ushers were Philip Johnson, Humphrey Almy, Robert Latimer and Arthur Worthington Brunnsdale.

After the ceremony there was a reception and wedding dinner for the bridal party. The dining table was decorated with white cosmos and lighted by candles. There were favors as each plate and the catering was by a Norwich caterer. The house throughout was handsomely decorated with autumn foliage. The newly married couple left during the evening for New York and after their honeymoon they will make their home in Binghamton, N. Y., where Mr. Lyman is superintendent of the Binghamton Gas company.

There was a costly array of wedding gifts which occupied an entire room and which included Tiffany silver, gold, checks, antique furniture and linen. The groom's gift to the bride was a seed pearl necklace and the bride's gift to the groom was a topaz and diamond stickpin. The bride presented her maid a handsome Friendship pin and the children who acted as ribbon bearers were presented Friendship circle pins for the girls and Friendship stickpins for the boys. The groom presented the best man and each of the ushers stickpins.

Many relatives and intimate friends of the couple attended and the out-of-town guests included Mrs. C. R. Richards of Binghamton, N. Y., Miss Mary St. John of Binghamton, N. Y., Mrs. Elisha Palmer of New London, Mr. and Mrs. George S. Palmer of New London, Dr. and Mrs. Walter Lyman of New York city, Mrs. Fred House of Buffalo, N. Y., Mr. and Mrs. W. Fenno of Buffalo, Mr. and Mrs. Richard W. Latimer of New York, Mr. and Mrs. Robert L. Latimer of Newark, N. J., Mr. and Mrs. R. H. Melcer and Miss Dorothy Gray of East Orange, Judge and Mrs. Frederick P. Latimer of New London.

A., class of 1909, and she also attended Smith college. Both bride and groom have a wide circle of friends who wish them a happy and prosperous future.

Horse Frightened by Engine.

A rural free delivery driver's horse made a short dash in North Main street near Seventh street Thursday afternoon about 5.30 o'clock when the horse was scared by the puffing of a train. The carrier had just crossed the bridge from Preston and was bound towards the city.

In the horse's short run the wheel struck and upset a woman who was crossing the street with a pail of beer. She was a resident of the almshouse who was visiting in the neighborhood and had obligingly gone out to get the liquid refreshments for a sociable chat with her friends. The beer was upset, but she was only slightly bruised. The driver of the rural free delivery wagon liberally recompensed her for the lost beer and interested himself to learn that she was not much injured.

CONTRACT WITH UNCAS POWER CO.

Gas and Electric Commissioners Secure Reduction to Flat Rate of 1 Cent Per Kilowatt—Is for One Year—Agreement Reached With Power Co. Officers Thursday Night.

William N. Sweet of Boston, president of the Uncas Power company, and Attorney Edwin W. Higgins, as counsel for the company, met the full board of the gas and electrical commissioners of the city on Thursday evening at the gas office in the Alige building, in a conference over the making of a contract between the city and the company.

Since January 1, 1909, the Uncas Power company has been furnishing electricity to the city, as needed, under a five year contrac that expired on January 1st, 1914. The price paid by the city was 1 1-16 cents per kilowatt. Since the expiration date of the old contract, the price that the city has been paying so far this year has been the 1 1-16 cent rate, pending the signing of a new contract which the city commissioners have been endeavoring to secure at the at rate of 1 cent per kilowatt.

There have been several attempts to have a new contract made, the commissioners holding out for the flat rate. This the Uncas Power Company representatives agreed to at the meeting on Thursday night. Unlike the old five year contract, however, the new contract is for one year only. It goes into effect at once.

Dr. J. J. Donohue, president of the board, presided at the meeting, which was attended by these members of the board: A. S. Spaulding, secretary, Daniel T. Shea, David S. Gilmour, and Charles E. Whittaker. Superintendent S. J. Kehoe and cashier Fred S. Maples were also at the meeting.

This reduction of one-sixteenth of a cent will mean a considerable saving for the city electrical department, and will be a factor in the favorable financial showing that can be expected for the next year.

POSTPONED RE-OPENING OF SPIRITUAL ACADEMY

Till After Boston Convention—Rev. A. P. Blinn to Retain Pastorate, Without Pulpit Duties.

The First Spiritual Union of this city will not reopen its services on the first Sunday of October as has been its usual custom.

At a recent meeting of the board of management Rev. Albert P. Blinn who has served as pastor of the union for ten years, tendered his resignation as the condition of his throat still prevents him from speaking aloud. It was then decided that as many of the members of the union would be in attendance at the annual convention of the National Spiritualists' association, which is to be held in Boston through next week, services would not be resumed at the Spiritual Academy until after that time and possibly not until Sunday, Nov. 1st, when the noted psychic and lecturer, Mrs. May Pepper Vanderbilt, has been engaged to speak and give messages morning and evening.

Mrs. Sarah E. Brewster and Rev. Albert P. Blinn were elected delegates to the National Spiritualists' association, of which the union is an auxiliary and Mr. Blinn's resignation was accepted to the extent that he will not be required to preside or do any public speaking, but will fulfil the other duties of the pastorate as usual and the committee on speakers will secure itinerant speakers and mediums for the fall and winter.

Rev. George A. Fuller, of Greenwich, Mass., has been engaged for Sunday, Nov. 8th, and Mrs. Maude Litch Torrey, a well known test medium for Nov. 15th.

The first supper of the season will be served by the Helping Hands on the third Wednesday of October and suppers will be held on the first and third Wednesdays of each month until June.

An electric organ blower has been purchased and is being installed this week and new hymnals have been purchased for the services.

The ladies' work will be easier because of the installation of a new stove with hot water boiler in the kitchen, and the steam heater was taken down during the summer and practically rebuilt.

94 YEARS OLD.

John D. Gallup, Native of Voluntown Observed Anniversary.

John Douglass Gallup, Suffield's oldest resident, clebrated his 94th birthday anniversary at his home on East street, Suffield, Thursday. Mr. Gallup for a man of his age, is still fairly active and takes considerable interest in town affairs. He was born in Voluntown, October 1, 1820, the son of Isaac and Olive (Park) Gallup. On June 20, 1854, Mr. Gallup married Martha Dame Allen of Sterling, and lived at North East, Duchess County, N. Y., until 1858. During those four fears Mr. Gallup was engaged in freighting from Millerton, N. Y., to New York. In 1858 Mr. Gallup moved to Agawam, Mass., where he lived until 1905.

While living in Agawam he was proprietor of Gallup's Grove, now known as Riverside Park. Mr. Gallup owned two small steamboats, the Mayflower and the River Belle, which were used as excursion boats between Holyoke, Springfield and his grove on the west bank of the Connecticut River.

He gathered a valuable collection of Indian relics and can tell many interesting tales of Indian life in Connecticut as related to him by his parents and grandparents, who were among the earliest settlers of the state.

In 1893 Mr. Gallup finished a complete genealogy of the Gallup family dating from 1465. He often entertains his friends with his violin and he still retains considerable of his former skill with this instrument.

YOUR SICK CHILD IS CONSTIPATED! LOOK AT TONGUE

IF CROSS, FEVERISH OR BILIOUS GIVE "CALIFORNIA SYRUP OF FIGS."

No matter what ails your child, a gentle, thorough laxative should always be the first treatment given.

If your little one is out-of-sorts, half-sick, isn't resting, eating and acting naturally—look, Mother! see if tongue is coated. This is a sure sign that its little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhoea, sore throat, full of cold, give a teaspoonful of "California Syrup of figs," and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

Mother can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels, and sweeten the stomach, and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then see that it is made by the "California Fig Syrup Company."

Wednesday, Sept. 30, marked the close of the special duty which Policemen Myron O. Morgan and Michael Carroll have been on through the summer, the former named as the traffic officer at the bank corner and the latter as the motorcycle policeman.

His books showed a count of 1,385 out of the state cars. Of these, Rhode Island cars led in number, Massachusetts cars were second and New York third. Other states that were represented were California, Florida, Minnesota, Wisconsin, Michigan, Indiana, Illinois, Ohio, New Jersey, Maine, Pennsylvania, Maryland, District of Columbia, Vermont and New Hampshire.

On his tour of motorcycle duty Policeman Carroll has ridden over 4,000 miles. His machine has stood up finely, never having anything the matter with it since he started to use it in June.

Thursday night Policeman Morgan was back on his regular Franklin street beat, while Policeman Carroll had returned to his Greeneville beat. Through the summer supernumeraries had been used on both beats.
