REV. D. C. PETERS IS SPEAKER AT MEN'S MEETING

Rev. David Peters who spoke at the Empire men's meeting last night declared that there is a new movement toward religion sweeping over America. Mr. Peters has just returned from a trip through the states where he had opportunity to talk with many of the leaders in religious work. "There is a reaction against the mad rush for pleasure which we have been witnessing. And why should there not be since this seeking after pleasure is only a chase after something that can not be found in that way. What every man is after is a feeling of satisfaction in his heart. He will never get it until he too begins to give attention to the spiritual part of his nature."

Continuing Mr. Peters said: "It does not matter what country you come from or what language you speak it is true that you must give attention to your religious nature. We do not sneer at a man when he seeks food for his body or mind, why should we when he decides that he will feed his spirit. It is about time we came to our senses and realized that we have three sides to our lives."

Throughout the address Mr. Peters used illustrations from his recent trip and told of conversations with men whom he had known 20 years ago. "These men still tell me that during all these years they have found that the only way they can get real pleasure out of life is by giving attention to their spiritual life."

The theater was packed with men at the meeting last night which was the third in the series being conducted by the Y. M. C. A. The music which was furnished by the Royal Hawaiian band was a real treat to the men. Captain Berger took great interest in the meeting and at the close led the men in singing "America" and "The Star Spangled Banner." Mrs. C. J. Hunn pleased the large audience of men with her rendering of "Hear Me Now," a sacred solo.
