January Clearance Sale

SACHS' SACHS' SACHS'

Mr. "January Clearance Opportunity"---is here. J.C.O. will open our doors wide early tomorrow morning, inviting you to participate in our most important Clearance event of the year

We call your special attention to the offerings in the muslin and Ready-to-Wear Departments. With advanced costs in retail lines, we doubt if such genuine bargains be offered again for many months.

This is a Cash-Raising Stock-Clearing Sale
Every offering presents a bargain.

A metal Savings Bank---
(Worth $1.00) **given FREE**

with every cash purchase of $5.00 or more, as long as our supply lasts.

We give you one of these small banks, but keep the key ourselves. You take the bank home and deposit savings from time to time. When you want to take out the accumulated savings, bring the bank to us and we open it and hand you the money.

These little banks are quite handsome. They are brand new, excellent safes, made of finest steel, superbly finished in oxidized copper. They are fitted with Yale Locks and a device that will prevent the taking of money improperly from the receptacle.

Mail Order Customers
may take advantage of these reductions, but are asked to send cash with order if convenient to do so.
