Before purchasing your Fertilizers for wheat the coming season, it will be to your interest to give us a call. All the above brands are strictly reliable, besides we keep in stock all kinds of the best grade material from which we can make you any grade Fertilizer you may need. This House is an old-established one, and everything they sell you is as represented. As an evidence of the superiority of our goods, my sales have increased from 21 tons per annum, the first year, to 1,085 tons, this being my sales in Charles and St. Mary's counties the past year. I shall not be satisfied until I sell every responsible farmer in Southern Maryland, as it is not only for my own interest I wish to do so My greatest desire is to induce planters of Southern Maryland to use strictly first class goods and they can only do so by dealing with a first class house. Mr. W. I. Burch, of Brysantown, or Mr. C. B. Lloyd, our Collector and Salesman, will be glad to receive your orders, and I will devote as much time as I can in the two counties the coming season in order to induce the farmers of Southern Maryland to buy the best Fertilizers offered to the people of any State in the Union. All responsible orders sent direct to the Company will receive prompt attention. Yours very truly, JOHN M. LLOYD.

N. B.—What Mr. James F. Mattingly, a large and practical farmer of Chaptico District, St. Mary's county, says of our Tobacco Compound:—He says that he can grow as large Tobacco from other fertilizers as he can from Ober's, but while Ober's is just as good as to quality, it weighs from ¼ to ½ more than any other Fertilizer that he has used. I will here add that Mr. Mattingly is not only a very good and prosperous farmer but strictly reliable. Mr. Mattingly has used our goods for several years and says he will use no others for both Wheat and Tobacco. *JOHN M. LLOYD.*
