SPORTING NOTES.

According to Benny Kauff, Lee Magee looked good with the Feds because he was lucky.

It begins to look like Larry Lajoie again as regular second baseman for the Athletics.

Cincinnati is strong for economy this season. It took the smallest squad in the majors south this season.

Harry Lord will play third base for his Lowell club. That means the sale of Spires to the highest bidder.

The prospective owners of the Worcester club have finally secured the signed leases for Boulevard park.

Manager Bill Carrigan of the Red Sox says the Pirates should be strong contenders for the National league flag.

Jack Barry of the Red Sox had never seen Hans Wagner play until Thursday. Jack insists Wagner is the greatest of all ball players.

There are still 11 pitchers with the Red Sox, three of whom will be dropped. Anderson is showing up the best of the youngsters.

Cleveland boasts of the youngest catchers in the American league, O'Neill, Billings, Daly and Mills. Steve O'Neill, the oldest, is 25.

Pitcher Fagan, who won all his games in the Western association last season, has been sent to the Beaumont (Tex.) club by Detroit.

Elmer Zacher, one time New Haven outfielder, has signed with Newark. Pitcher Al Schacht has also come to terms with Manager Fred Tenney.

The Cubs intend to raise the Federal league pennant if the other clubs in the National league do not object. Joe Tinker's move is strange but not popular

Pie Way of Yale and Dennis Gilooly of Trinity, ex-Colonial leaguer, will play with the New Haven Colonials. This team wants to play exhibitions with Eastern leaguers, but the chances are they will be thrown down.

Manager Rowland of the White Sox will not start John Collins in the outfield. Murphy, Felsch and Jackson are his first choices. Ed Walsh, they say, is shaping up well on the slab and may be considered a regular member of the staff.

Although the Bridgeport club has been told by Toronto that it cannot have Neal Ball for manager, it is still hopeful, and so is Ball. Secretary Reddy says he is waiting for the final word from Toronto. Bridgeport players will report for practice the 14th.

In all there are 30 players who were the Federal league last year who will probably make good this year in the American and National leagues. Even if the 30 go through the entire season, which is extremely doubtful, that would be a small percentage of the two circuits in organized baseball. —Boston Journal.

NATIONAL BOXING CHAMPIONSHIPS

Two Champs Defend Titles on Opening Night at Boston—Vatlan and Kaufman Win Their Way Through Semi-Finals.

Boston, April 3.—Two national champions appeared to defend their titles at the opening tonight of the National Amateur Boxing Championships. Tony Vatlan of this city, holder of the 115-pound title, went through the semi-finals by winning a rugged bout from William Jones, also a Boston entrant.

Adolph Kaufman of Brooklyn, title holder of the 158-pound class, entered the semi-finals without opposition.

Canadian and Kansas City boxers made their best showing of the out of town entrants. The feature bout of the night was in the 115 pounds class when John Perry of this city and Joseph Chevalier of Montreal stood toe to toe and swapped punches for three hard rounds before Perry was given the decision. By disposing of F. Meyers, of the Union Settlement A. C. of New York in one round, in the 145-pound class, Roy Helton of Kansas City scored his eighth consecutive knockout. Most of the bouts went the usual three round limit.

SCHEDULE FOR THREE FIGHTS IN NEW YORK.

Fred Fulton, the Minnesota Heavyweight, Meets Frank Moran About July 1.

New York, April 3.—Official notice was received today by the state boxing commission that Fred Fulton, the Minnesota heavyweight, had been signed to meet three men in this city. Fulton is to fight Al Reich on April 28, Jim Coffey on or about June 1, and Frank Moran on or about July 1. A syndicate headed by John J. Mack is promoting the series of boxing exhibitions with the expectation that it will result in a meeting between Fulton and Jess Willard later in the year.

According to the contracts filed with the boxing commission, Fulton is to receive $6,000 to fight Reich, $8,000 to fight Coffey and $10,000 to fight Moran. Whether the last two matches will be fought, it was stated by the commission, is dependent upon the showing Fulton makes against Reich, and if the Minnesota boxer makes good the percentage will be arranged so as to give him about $50,000 for the three matches. Fulton's manager has posted $1,000 and the syndicate $2,000 with Tom Andrews, a western sporting writer, as guarantees.

Cutting of this city won the other match from D. L. Hutchinson of Philadelphia in three straight sets, 6-2, 6-2, 6-3. SOCCER FOOTBALL ABROAD.

Burnley Up Top—Record Number of Goals Scored by Footballs.

One of the most attractive programmes of soccer football scheduled this season was decided Saturday. Goals were very plentiful, resulting in the record total of the season being put together, no fewer than 126 being scored. Local derbys were the feature, great rivalry producing exciting struggles at Everton, Bradford, Sheffield and Nottingham. Preston, North End lost its place at the top of the northern table of the Lancashire section, Burnley defeated it, 2 to 1.

No changes are made in the leadership of the Midland sectional tables. Bradford put up a splendid show in the northern group by severely trouncing its neighbors The City, 4 to 0. Chesterfield continued its winning streak and defeated Leicester Fosse, 3 to 1. It is now three points ahead of the runners-up. The star attraction of the London games was staged at Craven Cottage, where Fulham entertained Midwall before a large crowd. Both clubs have been running neck and neck for first place in the table, and an exciting game resulted in a fine win for the home club, 4 to 2, and and it once more occupies top position. Chelsea did well to beat Croydon Common, 4 to 1, away from home, and with a game in hand are well in the running for first place. Reading caused the biggest surprise by severely upsetting Queens Park Rangers, 6 to 2, before the latter's supporters, and at last got away from the bottom of the table. The scores:

FINANCIAL AND COMMERCIAL

MARKET WAS DULL

Dealings Were Marked by a Lack of Public Interest.

New York, April 3.—Stocks opened the week with a wide variety of gains which embraced almost every part of the list except the more potential investment issues. Rails were barely steady and occasionally heavy. New York Central suffering another temporary setback.

Trading was of the same desultory character as that which attended the major operations of the preceding month. A further lack of public interest was noted, but this was partly counter-balanced by greater activity in well known specialties, such as Crucible Steel and American Locomotive in the war group, the motors, sugars and distilling issues. Shares of the silver producing companies also loomed into prominence on the continued advance in that metal, which rose to 61 3-4 cents an ounce, its maximum price since the outbreak of the war.

Kennecott and Miami coppers were elevated to record quotations at 59 and 39 1-8, respectively; South Porto Rico soared to new heights on its advance of 9 1-2 to 2-9 1-2 and Jewell Tea was similarly distinguished, rising 5 1-2 to 90.

United States Industrial Alcohol was in the forefront throughout the session, making an extreme gain of 9 1-2 to 105 in connection with unconfirmed reports of an approaching melon cutting." Stocks of no especial designation followed the movement of specialties with gains of one to three points. Mexicans were slightly depressed at the outset, but moved upward later.

United States Steel was inconspicuous during the forenoon but enlivened the later session on its large overturn, including one lot of 3,500 shares. The stock rose 1 1-4 to 85 7-8 and in confused general strength to the list at the close. Shipping shares, especially United Fruit and Marine preferred were in demand at appreciable gains. Total sales amounted to 510,000 shares.

Moderate unsettlement was shown by the foreign exchange markets, sterling, francs, marks, lires and kronen (Austrian bills) weakening irregularly, with slight improvement in Dutch and Scandinavian remittances. Regardless of this development Anglo-French fives sold up to 96, their best quotation of the current year. Total sales (par value) aggregated $4,260,000.

United States registered 3's declined 1-2, the coupon 3's 3-4 and to registered 4's 1-4 on call. Coupon 4's rose 1-4.

EASTERN LEAGUE ALMOST IN SHAPE.

Lining Up of Lowell and New Haven Clubs Puts Better Appearance on the Circuit—Meet This Week.

With the New Haven baseball franchise in the hands of men who intend to put a good team into that city, and the Lowell team under the leadership of Harry Lord, the only cloud that hangs over the Eastern league horizon is caused by the Bridgeport and Worcester situation.

In Bridgeport, John Freeman, the owner of the club, is looking for a purchaser, although reports credit him with being willing to run the Park City affairs another season if he cannot find someone who is anxious to take over the job. In Worcester, it is understood that a park has been secured, but the agreement still lacks a signature or so, which will be forthcoming in the near future.

Wednesday the baseball moguls from New Haven, Lynn, Lowell, Lawrence, Worcester, Bridgeport, New London, Portland, Hartford and Springfield are expected to assemble at Worcester to select a playing schedule from the number that will be submitted by those anxious to land the $100 prize offered. If there should prove to be a large number of these, the question will probably be referred to a committee for decision and the schedule adopted at the next following session.

The pet argument of those clubs who are outside the boundaries that would include those cities between which the teams can travel with a minimum cost will be brought forward in favor of pooling the mileage of all the clubs. Wednesday the umpiring staff will also be announced by Vice President Dan O'Neil, who will preside at the meeting.

N. F. A. Starts Ball Practice.

The Academy has startd baseball practice for the coming season. Capt. Bill Stanley will have his man out for practice every morning this week and expects to have them in good condition for the opening game with the Dingbats on April 15.

Ball Field Under Three Feet of Water.

Harrisburg, Pa., April 3.—Members of the Buffalo International league baseball team who came here today to begin spring practice found the Harrisburg athletic grounds, which are on an island in the Susquehanna river, under three feet of water because of the flood. Another field was obtained.

What Makes the Trouble.

If only the eyes of Germany were fixed on politics here, as a correspondent writes, no American would complain. It is the Teutonic finger that is making the trouble. — New York Evening Sun.

DOINGS IN THE AUTO WORLD

Four Races Scheduled on Sheepshead Bay Speedway on May 13—Big Demand for Rubber—Auto Trucks Under Test in Mexico.

Plans for the opening meet on the Sheepshead Bay speedway, May 13, call for four events. The most conspicuous will be a race for the Metropolitan trophy which will be contested for for three or five years before final possession can be secured. The length of the race will be 150 miles for cars of 300-inch displacement or less. The drivers will have to make 90 miles an hour to qualify and the length of the race will be limited to 90 minutes.

This event will be regarded as a championship race by the American Automobile Association and will count in determining the championship for the year, as the association will do under its new plan. Prizes for the race will amount to $15,000, divided into seven places from $6000 to $400.

The other events will be a 50-mile Queens cup race for which $2500 will be awarded in five prizes; the 20-mile Coney Island cup with $1500 for five places, and the 10-mile Brooklyn handicap for non-winners, the prize being the William Kemble cup and $1000. Anyone who does not take a prize in the three previous races can compete in this event. Another feature that may be arranged for the opening day is a 10-mile match race between the three fastest cars in the world.

The committee to examine the cars and drivers, and elimination trials will sift out the slow ones. A non-competitive programme will be staged at the speedway July 4.

The season will be ended by an invitation meet Labor Day, Sept. 4. The entries will be limited to six and invitations will be extended only to drivers
