CLAIMS AGAINST the UNITED STATES

FINLEY BIGGER, (late Register of the U. S. Treasury,) and CHARLES E. SHERMAN, Counsellors at Law, will devote their entire attention to the prosecution and settlement of demands against the United States, growing out of the present war, including the Accounts and Claims of States, Contractors, and Disbursing Officers; applications for the restoration of property illegally seized or captured, and for compensation for the use of private property for Government purposes, and for damages for the injury of such property by the army; for military pay, pensions, and bounty lands; and for distributive shares of monies payable at the Treasury and due to sub-contractors and others.

They will also give legal advice to claimants, contractors, and to unprofessional agents in litigated cases; and prepare written arguments when desired.

With Non-resident Agents who may send them claims, an equitable division of commissions will be made.

Undisputed Demands will be collected and promptly remitted for a commission of from a half to one and a half per cent—depending on the amount; and negotiations with the Departments conducted on moderate terms.

By prompt attention, moderate charges, long experience, and a minute knowledge of the of laws, regulations, rules and precedents, governing this class of business at the Departments, they hope to render their services useful to claimants and public creditors.

Reference may be made to Members of Congress, and officers of the Government, and especially, by permission, to the Hon. ELIJAH WHITTLESEY, First Comptroller of the Treasury.

DR. LELAND'S
Anti-Rheumatic Band!
PERMANENTLY CURES
RHEUMATISM, in its various forms,
GOUT and NEURALGIA,
SLEEPLESS and NERVOUS AFFECTIONS,
IMPURITIES of the BLOOD,
And the bad Effects of Mercury.

It is a conveniently arranged BAND or BELT, containing a medicated compound, to be worn around the body, about the waist, EQUALLY AFFECTING ALL PARTS, *wherever the disease may be*, and can be worn *without injury* to the *most delicate* person.

By this treatment, the medicinal properties contained in the BAND, being of a *highly aromatic* and *volatile nature*, and *capable* of being *readily absorbed through the pores of the skin*, come into *direct contact* with the BLOOD and *general circulation*, without first passing through the process of digestion, which would tend, not only to detract from their curative powers, but to impair the internal organs and destroy the digestion also—thus avoiding the *injurious effects*, so often the result of *internal remedies*, and effecting a *perfect cure*, by *purifying and equalizing the circulation of the vital fluids*, and *restoring the parts affected to a healthy condition*. This BAND is also a *most powerful* "ANTI MERCURIAL AGENT," and will *entirely relieve* the system from *the pernicious effects*.

Moderate cases are cured in a few days, and we are constantly receiving *unsolicited* testimonials—to which we invite inspection at our office—of their efficacy in aggravated cases of *long standing*.

Price Two Dollars. Sent by mail upon receipt of $2, or by express everywhere, with *all necessary instructions*, from the principal office of

G. SMITH & CO., Proprietors,
491 Broadway, New York.

N. B.—*Descriptive circulars sent free.*

CORNS, BUNIONS,
CALLOSITIES, CLUB AND INVERTED NAILS,
AND ALL OTHER DISEASES
OF THE HUMAN FEET,
TREATED SUCCESSFULLY, WITHOUT PAIN OR LOSS OF BLOOD, BY
DR. G. WHITE,
SURGEON CHIROPODIST, at 490 Pennsylvania avenue, between Four-and-a-half and Sixth streets.

Operations performed in a few minutes, and the boot or shoe can be worn immediately without the least inconvenience to the patient.

Dr. W. does not cut the corn and apply caustic or acid, but easily and skilfully separates the corn from the natural flesh without causing as much pain as a person would experience in paring their corns.

Dr. W. has devoted thirteen years to the treatment of excrescences on the feet, and believes he comprehends their nature and treatment. His success for the past thirteen years, both in Europe and in this country, has been such as to warrant him in promising to all who confide in his experience and skill, great and satisfactory benefit.

As a Chiropodist, Dr. W. acknowledges no superior. He thoroughly understands the art of Chiropody. He has certificates from eminent Clergymen, Statesmen, Merchants, and other prominent citizens of Washington, as to his successful method of treating Corns, Bunions, Callosities, Bad Nails, etc., scores of which can be seen by calling at his rooms.

Many say they have not courage enough to have their Corns or Bunions cured. To such Dr. W. would say, they need no courage, for there is no pain or blood attending the operation.

CHARLES'
LONDON
CORDIAL
GIN

Is distilled in LONDON, and put up solely in quart and pint bottles, to meet the requirements of Druggists, and those to whom Pure and Unadulterated liquor is a Necessity or a Luxury.

It is the oldest established of all the GINS (!) which have started into existence upon the basis of its well-deserved and hard-earned celebrity.

It has no connection with, and is in no way like the trashy mixtures sold as "ENGLISH GIN," or "OLD TOM," or "LONDON DOCK," or "LONDON GIN," &c., &c., no matter how much "antiquity" or "respectability" is assumed by their begetters.

Dr. Valentine Mott, of New York, says: "It is far preferable to even pure Holland Gin, and is *the best article of its kind I have ever seen.*" So say thousands of physicians.

The New York Herald says: "We are surprised at its beneficial effects; it is a certain safe-guard to health."

The Philadelphia Ledger says: "It has no superior, if an equal, in medicinal virtues."

The New Orleans Picayune says: "There is no remedy on earth for dyspepsia equal to it."

The Boston Journal says: "As a beverage, as a preventive, or as a remedial agent, we want no other. It is our sole nectar."

Women of America, for you it is *particularly adapted*. In sickness or health, it is your greatest friend.

TESTIMONIALS.

IN publishing the following Testimonials, Dr. Von Moschzisker begs to state that he is only induced to do so as they proceed from sources so high and reliable as to render it a matter of gratification for him not only to possess, but to publish them:

TREASURY DEPARTMENT, May 8, 1862.

In attestation of the skill of Dr. Von Moschzisker as an Aurist, I would state that I have been afflicted with deafness, which required a very loud voice to enable me to hear. Under the treatment of Dr. Von Moschzisker, in the course of three months, I have so far recovered that I can now hear conversation in ordinary tone of voice, and all the disagreeable feelings which accompanied the deafness, such as noises in the head, and discharges from the ear, have nearly, and I trust will very soon cease entirely. W. H. COOKE.

From the Hon. Senator J. F. Simmons.

Mr. Cooke's case of deafness has been long known to me, as I found much difficulty in making him hear, requiring a great elevation of voice. It gives me pleasure to add my testimonial to the professional skill of Dr. Moschzisker, as I am now able to converse with my friend, Mr. Cooke, as with other persons in my usual tone.

J. F. SIMMONS, U. S. S.

WASHINGTON, April 19, 1862.

This is to certify that the hearing of my son, a boy of thirteen years of age, has been greatly impaired for some years. I am proud to state that his hearing is now restored by the treatment of Dr. F. A. Von Moschzisker, to whom I would recommend all who are afflicted in that way.

MAYOR'S OFFICE,
Georgetown, April 19, 1862.

This is to certify that my hearing having been much impaired for some time past, I placed myself under the professional treatment of Dr. Von Moschzisker. After a few weeks of his care, I experienced a very perceptible improvement, and at this time my hearing is as good as it has been at any time within my recollection. H. ADDISON, Mayor.

Persons wishing to be treated by Dr. Von Moschzisker for any malady of the EYE or EAR should not delay calling on him in order to have the full benefit of his attention during his stay in Washington. my 9-1m
