# UMPIRE ROBS SHORE LINE OF GAME

## Joe Sullivan Gives Raw Decision and Cuts Off Tieing Run in Ninth Inning Rally at Taftville, Score, 5 to 4—Carmen Protest Game—Clish, New Pitcher For Carmen, Shines—Simcox and Flynn Batting Kings.

Friday afternoon Umpire Joe Sullivan invaded in new territory namely Taftville and to celebrate the event handed the game to the Taftville team. After the carmen had rallied in the last inning Sullivan ruled that Simcox was hit by a batted ball thereby cutting off the tieing run. The opinion of all eye-witnesses to say nothing of Simcox, Joubert, the two men nearest the play were diametrically opposite to that of the arbiter but that didn't get them anything. When after some talk the carmen started to leave the field Joe's conscience bothered him and he suggested that Flynn bat over again and put Simcox back on second but some of the Taftville men had already gone home. The Shore Line team protested the game to the sporting editor and it will probably be played over unless Taftville can conclusively prove that Sullivan did not err.

The game was closely contested from start to finish, Taftville scoring one in the first, another in the fourth and three in the eighth. The Shore Line scored one in the fourth and had scored three in the ninth with another on second when Sullivan pulled his bone. The carmen uncovered a new pitcher in the shape of Clish who outpitched his opponent from start to finish. Poor base running on the part of the Shore Line held down their score and poor work in their outfield was responsible for Taftville's tallies. Simcox and Flynn were the batting stars, although Houston got one hit out of his two times at bat. Murphy made the only error marked up against the home team and Joubert, making matters worse by fanning twice.

Simcox was the grst man up hit to Dugas who failed to field the ball but fine backing up by Joubert retired the man at first. Flynn fanned and Lovenbury fouled out. Hasler walked and stole second, Murphy was safe on Simcox's error. Dugas flied to Simcox, Joubert fanned. Mills singled, scoring Hasler. Pepin was hit by a pitched ball. Peltier hit to Barber forcing Pepin.

Clish opened the second with a double to right. Barber popped into Mills' hands who doubled up at second. Houston fanned. Chennette raised a high fly to left which Lovenbury dropped. Suprise fanned. Chennette stile second. Hasler flied to right. Murphy hit to short who ran down Chennette. The last batters for the Shore Line who came up in the third inning all grounded out short to first. Dugas walked and was sacrificed to third by Joubert. Mills was out by a batted ball and Pepin grounded out, Brassill to Flynn.

Simcox, the first man up in the fourth doubled. Flynn tried to sacrifice and struck out. Lovenbury scored Simcox with a single. Lovenbury stole second but Clish and Barber both grounded out, second to first. Peltier hit and stole second. Chennette fanned but was safe at first when Houston dropped the ball, Peltier going to third and scoring on a passed ball. Surprise struck out. Hasler walked. Murphy flied to Simcox and Dugas ended the inning by raising a high fly to center field. Houston the first man up in the fifth was hit by a pitched ball. Mellor singled. Bohnson hit to Mills and was safe when Houston was out at third. Brassill fouled to Mills and Mellor was caught off third. Taftville did not get a man as far as first in this inning.

Simcox walked and went to second when Murphy dropped Mills' throw. Flynn singled. Lovenbury was safe on Simcox's forceout. Lovenbury was tagged at first through poor base running. Clish grounded out second to first. Peltier flied to Simcox. Chennette grounded out short to first. Surprise singled and stole second Blaser walked. Surprise stole third. Hasler stole second. Murphy grounded out pitcher to first. The Shore Line got three men on in the seventh but a forceout and a double play cut off a chance to score. Two outfield flies and an infield grounder retired the Taftville team in their half of the seventh. Shaw batted for Brassill in the last of the eighth and grounded out. Simcox hit and went to second on Murphy's error. Flynn flied to Joubert. Lovenbury walked. Simcox stole third and Lovenbury pilferred the second sack. Clish popped to Mills. Pepin fanned. Peltier grounded out. Chennette walked, Surprise singled and then Lovenbury let Hasler's drive go through him to the fence, Hasler making the circuit and bringing in the two men ahead of him. Murphy was hit by a pitched ball. Dugas singled and then Muurphy was run down between third and home, due to Dugas trying to steal third while the bag was occupied. As a parenthetical note we might say here that much thinking about work seeems to have affected Dugas' old think tank as he lost two chances for a triple play at other stages of the game, besides pulling this unpardonable bone. Barber was the first man up in the ninth and his most desperate effort only landed a fly in Mills' glove. Houston walked and stole second and third. Yerrington batted for Mellor and was hit by a pitched ball. Bohnson was safe on Murphy's error, Houston scoring. Shaw was safe when Yerrington was retired at the plate. Simcox pounded out a two bagger scoring Bohnson and Shaw. Flynn hit a two bagger but then Sullivan gave a raw decision of his own particular brand and it was all over but the protest. Score:

### League Championship Game.

This afternoon the championship of the High School league will be settled on the Academy campus when Bartlett High of Webster and Stonington High of Stonington, champions of the Northern and Southern divisions respectively will meet. Each team has won the game on its home ground and this game being on a neutral ground should be a hummer. Evans and Massey will probably by the opposing pitchers.

### Fort Michie Here Sunday.

Sunday afternoon at the Falls the All-Norwich team will try again with the team from Fort Michie as their opponents. Brooks and Stanley will be the Norwich battery. The remainder of the team will be the same as last Sunday when they played fine ball against Ashland with the exception of right field where Emory Calkins will play instead of Callihan who is going to spend the week end in Philly. Frank denies that Connie Mack has anything to do with his trip but then modesty is a cardinal virtue.

### Yantic vs. South Windham.

Saturday afternoon the Yantic baseball team will journey to South Windham by auto truck to play the fast South Windham team. A bunch of rooters will accompany the team to see Yantic get revenge for its defeat at the hands of the South Windham boys two weeks ago. South Windham has a long list of unbroken victories to her credit, but Yantic feels confident of taking the game.

### Phillies Beat Braves, 10 to 6.

Philadelphia, June 21.—Stock's terrific batting and brilliant fielding featured Philadelphia's 10 to 6 victory over Boston. The visitors got away to a three run lead, but Cravath's home run with Luderus on base tied the score and in the fifth inning Stock's circuit drive, also with a man on base, put the locals ahead. In the ninth, after Powell doubled, Main hit a batsman and passed three and Oeschger was called to the rescue. A great stop by Stock ended the game with the bases full. Score:

### Senators Win in 13th.

New York June 21.—After a muff by Milan permitted New York to tie the score on Washington with two out in the ninth inning today, the same player drove in the winning run for Washington in the thirteenth, the visitors winning the third game of the series by a score of 3 to 2.

Shotton opened the thirteenth with a single and Foster reached base on a fielder's choice. Mogridge then relieved Russell and Judge forced Shotton at third. Milan's single then scored Foster.

Johnson's pitching featured, only five singles were made off him, two being scratches. New York scored both of its runs on errors. It was Johnson's twelfth victory of the season. Score:

Mays again held his opponents to one scratch hit, a tipped hit ball down the pitching path, which Mays was slow in fielding. On April 16 he made a similar record against the same club. Adams was hit hard, Shean leading in the batting with four hits out of five times at bat. Score:

## SEVEN STARTERS FOR LATONIA DERBY TODAY

### Indications Are That Johen Will Rule Heavy Favorite.

Latonia, Ky., June 21.—Seven three year olds, reputed to be trained to the minute for the gruelling route of one mile and a half are carded to start in the thirty-sixth running of the Latonia Derby tomorrow. According to the announcement tonight, the horses that are almost certain starters are:

Johren, Exterminator, Free Cutter, American Eagle, Aurum, Hollinger, and Herald.

From all indications tonight Johren will rule a heavy favorite for, in the opinion of horsemen, the winner of the Suburban and Belmont handicaps stands out as the most seasoned animal and one who is known to be able to go a long route with weight up.

With indications pointing to showers during the night those who pinned their faith in Exterminator when he won the Kentucky Derby are claiming that his victory in that event will be repeated here if the track is heavy.

The western contingent are pinning their faith in Free Cutter, George Long's entry, and American Eagle and both will have substantial backing when the horses go to the post. Jeff Livingston's Aurum is also conceded to be a serious contender. In a recent race at more than a mile he displayed good speed and was going stronger at the finish than the remainder of his field. Tom McDowell's American Eagle also has done well this spring and the Kentuckians are insisting that Kentucky will pull down the honrs. Both Hollinger and Herald have raced well this spring, but both are acknowledged by leading horemen to be outside choices.

## SHOOTING IS A SPORT THAT WILL ALWAYS BE POPULAR

### It is the One Pastime That Knows No Age Limitations—The One Form of Recreation in Which the Veteran Holds His Own.

Throughout the ages the sport of shooting has been popular in some form or other.

Our half-ape forefathers indulged in contests where the weapon was a good right arm and the bullet a smooth, round stone.

Later on the bow and arrow were invented and then the cross-bow, and contests of skill with those ancient weapons were popular with people who felt that they should prepare for war in time of peace.

While it is true that shooting has always been popular, this article will deal with the feature of shooting that places it so distinctly in a class by itself. It is a fact that there is apparently no age limit to skill with the rifled tube and the polished bore.

So long as the male of the species can stand on his hind legs—use his arm and hands—and has at least one good eye—he can still derive almost unlimited pleasure from shooting regardless of whether he is clad in knee breeches or snowy hair and long white whiskers.

### Best Shots Are Veterans.

Some of the best shots are way past the Osler age limit and their names still figure in the lists of winners with both rifle and shotgun.

Many a man has experienced the keenest kind of regret on becoming aware of the fact that he would soon have to give up his favorite sport because he had reached the age limit in his particular line. One of the strongest appeals that shooting makes is the fact that old age cannot take it from you.

Proof there is in plenty to substantiate this fact.

Take, for instance the All-American Trapshooting Team. This group of men, six in number, made a trip abroad in 1901 and in a series of matches with the best teams that the other countries could produce, they never met defeat. Seventeen years have lapsed and every one of the six is still rated as a top-notcher!

The gray-haired baseball player is the exception, but you often see the gray-haired man at the traps competing with his son and frequently his gr
