CLAIMS AGAINST the UNITED STATES

FINLEY BIGGER, (late Solicitor of the U. S. Treasury,) and CHARLES E. SHERMAN, Counsellors at Law, will devote their entire attention to the prosecution and settlement of demands against the United States, growing out of the present war, including the Accounts and Claims of States, Contractors, and Disbursing Officers; applications for the restoration of property illegally seized or confiscated, and for compensation for the use of private property for Government purposes, and for damages for the injury or loss of such property by the army; for military pay, pensions, and bounty; under and for distributive shares of proceeds payable at the Treasury and due to sub-contractors and others.

They will also give legal advice to claimants, procured, and to prepare and prosecute to adjudication, properly written arguments when desired.

With Non-resident Agents who may send them claims, an equitable division of commissions will be made.

Undisputed Demands will be collected and promptly remitted for a commission of from a half to two and a half per cent—depending on the amount; and negotiations with the Departments conducted on moderate terms.

By prompt attention, moderate charges, long experience, and a minute knowledge of the laws, regulations, usages and precedents, governing the class of business at the Departments, they hope to render their services useful to claimants and public creditors.

References may be made to Members of Congress, and officers of the Government; and especially by permission, to the Hon. Salmon P. Chase, Secretary of the Treasury.

Address—"Messrs. BIGGER & SHERMAN, Washington, D. C."

Dr. LELAND'S

Anti-Rheumatic Band!

PERMANENTLY CURES

RHEUMATISM, in its various forms,

GOUT and NEURALGIA,

STIFFNESS and NERVOUS AFFECTIONS,

IMPURITIES of the BLOOD,

And the Bad Effects of Mercury.

It is a conveniently arranged Band or Belt, containing a medicated compound, to be worn around the body, about the waist, BENEATH ANY OTHER BAND, whatever the disease may be, and can be worn by any person, in health or sickness.

By this treatment, the medicinal properties contained in the Band, being of a highly aromatic and volatile nature, and capable of being readily absorbed through the pores of the skin, come into direct contact with the BLOOD and general circulation, without first passing through the process of digestion, which would lessen, and in many cases destroy, their active power, but to impair the internal organs and deranged the digestion also—thus avoiding the injurious effects, so often the result of internal remedies, and effecting a perfect cure, by purifying and equalizing the circulation of the vital fluids, and restoring the parts affected to a healthy condition. This Band is also a most powerful "ANTI-MERCURIAL AGENT," and will entirely relieve the system from its poisonous effects.

Moderate exposure cured in a few days, and we are constantly receiving unsolicited testimonials—to which we invite inspection at our office—of their efficacy in aggravated cases of long standing.

Price, Two Dollars, post paid, or sent upon receipt of $2, or by express everywhere, with all necessary directions, from the principal office of

G. SMITH & CO., Proprietors,
631 Broadway, New York.

N. B.—Descriptive circulars sent free.

The Band will not interfere with the soldier's duties. nov 15—ly
