WESTERN TEAMS HAVE SAFE LEADS

New York, Aug. 31.—Entering into the final month of the pennant races, the Cincinnati Nationals and Chicago Americans hold safe leads which can be lost only through a severe setback combined with a winning streak by one of the contending teams. Cincinnati, which now has a lead of 7 1-2 games over New York, forged far ahead by its wonderful work on the last eastern trip ended last week. The Reds won every series, defeating New York four out of six, Brooklyn three out of four, Boston three straight and Philadelphia five straight. The Chicago Americans, apparently recovered from their unsteadiness of early August, possess a lead which Cleveland cut to six games today by winning its series, two games to one. Detroit, 6 1-2 games behind, will attempt to shorten the White Sox lead in a series starting tomorrow.

In the National outside of Cincinnati, New York won two and lost one with Pittsburgh, Toney pitching a sutout against the Pirates in ten innings last Sunday. After losing Wednesday through poor fielding, Philadelphia broke its losing streak of nine consecutive losses by pounding the Giant pitchers for fourteen runs.

Chicago dropped two games to Boston and defeated St. Louis once. Alexander lost a three-hit game to Boston Tuesday but was more sucessful today, shutting out the Cardinals with three hits.

Philadelphia had a peculiar record last week, amassing 92 hits and 39 runs but 24 errors, a record equalled only by the Cleveland Americans in June, accounted principally for the seven losses in nine games.

In the American, Cicotte and Williams each won twice for Chicago but James, the new pitcher, lost two games although in one battle his team mates failed to cross the plate.

Cleveland ousted Detroit from second place by taking a two game series from the Tigers.

New York went back into fourth place by winning six straight games after its defeat by Chicago.

Home runs by Ruth gave Boston two of its four victories. Ruth, with 23 home runs to his credit, must make three more in the remaining contests to better the major league record of 25 made by Buck Freeman of the Washington Nationals twenty years ago.

WORCESTER WINS 21 INNING BATTLE FROM NEW HAVEN

New Haven, Conn., Aug. 31.—Worcester, contender for the Eastern eLague pennant, defeated New Haven in the longest game of the league season here today, winning in the twenty-first inning by a score of 4 to 3. The visitors scored three runs in the third on four hits and an error by "Chief" Meyers, catching for New Haven. The locals came back in the fourth, tying the score when Nutter, who has been sold to the Boston Nationals, cleaned the bases with a triple.

In the fifth Worcester filled the bases and with one out Hehl went into the box for New Haven, relieving Tyler. The Bay Staters failed to score. The score stood 3-3 until the twenty-first inning, when a double, an infield out and a hunt put across the winning run for Worcester. Lindstrom pitched the entire game for the victors.

Tomorrow's games will close the Eastern League season. As a result of today's contests in which Pittsfield lost at Bridgeport and Worcester won here, Pittsfield stands at the head of the league by a margin of one and one-half games, having won 63 and lost 42, while Worcester has won 60 and lost 43. By taking both games from Pittsfield tomorrow, Worcester could beat out Pittsfield for the flag. In that case the standing would be: Worcester, won 62; lost 43, percentage .590; Pittsfield, won 63; lost 45, percentage .583.

If they divide, the double bill tomorrow or if Pittsfield wins both games, the league championship will go to Pittsfield. Joe Birmingham, the former Cleveland outfielder, is manager of the Pittsfield club, and Jack McMahon is owner and manager of Worcester.

TENNIS SEMI-FINALS TO BE PLAYED TODAY

New York, Aug. 31.—Upon the showing of the players contesting in the semi-finals tomorrow of the national lawn tennis championship at Forest Hills, N. Y., will depend largely the selection of the team to represent the United States in the team match with Australia which will start on Thursday.

The semi-finals will bring together William M. Johnston of San Francisco, 1915 national title holder and conqueror of last year's champion, and Wallace F. Johnson of Philadelphia, in one contest, and William T. Tilden 2nd of Philadelphia, who eliminated Norman E. Brookes of Australia and R. Norris Williams 2nd, of Boston, 1914 and 1916 national champion, in the other.

EAST ENDS DEFEAT WILLIMANTIC STARS

Before a large and enthusiastic crowd the East Ends defeated the Willimantic Stars, 7 to 6 in nine fast and snappy innings on the Battlegrounds. Felix DeBarros and Howard Randall kept the crowd on edge with their many thrilling catches. "Bullet" Shahan pitched in his usual, big league style, striking out 13 men and only allowing five scattered hits. "Jumbo" James, Felix DeBarros and Andy Bellefleur carried away the stick honors, each banging out safe hits when they were mostly needed. The stars played a good game but the East Ends proved too fast for them. The East Ends will journey to Colchester Labor Day to clash with Colchester.

CHARTER OAK RACES TO BEGIN TODAY

Hartford, Conn., Au. 31.—More than 150 trotters and pacers arrived at Charter Oak Park today, prepared to do battle this week over the historic mile track in the twelfth meeting of the Grand Circuit this season.

The feature race, as in former years, will be the Charter Oak Stake, purse $10,000 for 2.12 trotters, on the card for Thursday. Cox is expected to pilot Mignola in this event. The meeting is scheduled to open tomorrow with the Chanticleer, for 2.10 trotters, purse $3,000. Also on the opening day's programme is a match trotting race between Le Princeton and Ante Guy and the 2.09 trot, purse $1,000.

INDIANS CUT WHITE SOX LEAD ONE WHOLE GAME

Cleveland, Aug. 31.—The locals decreased Chicago's lead in the American League pennant race to six games by defeating the White Sox, 6 to 1, today. Graney, Speaker and Gardner, all left hand batters, hit the first ball pitched to them in the first inning for doubles and drove Williams from the box. Lowdermilk replaced Williams and Wambsganss greeted him with a single that drove in two runs, bringing Cleveland's total to four for the inning. The Indians later scored two additional runs and threw many others away because of reckless base running. Chicago failed to score until the sixth, when Leibold singled and scored on E. Collins' double and Jackson's sacrifice fly. Chapman had the peculiar record of making a sacrifice on each of his first four trips to the plate. The attendance was the largest ever at a game at League Park here. Score:

PIRATES AGAIN DEFEAT THE LEAGUE LEADERS

Cincinnati, Aug. 31.—Carlson slightly outpitched Ruether today and Pittsburgh won a close game from the league leaders, 3 to 2. A double steal which was attempted in the ninth was blocked by Schmidt, preventing the Reds from tying the score. Groh was hit on his throwing hand by a pitched ball in the fourth inning and his finger was so badly smashed that he was forced to retire from the game and will probably be out for several days. Brooklyn, N. Y., Aug. 31.—Burns' three bagger with two men on bases and Miller's muff of a thrown ball at the plate won New York's farewell game at Ebbets Field today by 4 to 3. HERMAN TO DEFEND TITLE AGAINST JOE LYNCH

Waterbury, Conn., Aug. 31.—Pete Herman of New Orleans, bantamweight champion of the world, will defend his title against Joe Lynch of New York in a 10 round no-decision bout here late tomorrow afternoon. Lynch must make 118 pounds ringside. An arena seating 15,000 persons has been erected for the match. Dave Fitzgerald, of New Haven, will be referee.

NEW UMPIRE CHAIR CREATES SOME STIR

One of the onlookers at the West Side Tennis club Tuesday afternoon, after making a thorough inspection of E. C. Conlin's new umpire chair, with its complete equipment of towels, belts, garters, shoelaces, handerchiefs, talcum powder, sponges, sliced lemons and tongue scrapers, remarked:

"A fellow could enter a match in this tournament with nothing but his shirt, trousers and shoes and come out with an entire vacation wardrobe and a little buffet lunch in addition."

Another captious critic wanted to know why Conlin had not made arrangements for a little private bar in the rear of the chair, so that the demons could be put to some practical use. Still another asked if it would be possible for a player, in the event he needed smelling salts during a close match, to choose any odor he desired, such as violet, lily-of-the-valley or quelque, for example.

100,000 CAN SEE REDS IN WORLD'S SERIES

That plans are being discussed in Cincinnati to have the world series baseball games played at the speedway at Charonville, 15 miles from Cincinnati, provided the Cincinnati Nationals win the pennant, has been learned. Within a week or 10 days, it is asserted, the proposition will be ready for submission to the board of directors of the Cincinnati baseball club.

Several Cincinnati men, who are stockholders in both the baseball club and in the speedway, have been approached on the subject and requested to handle the proposal when it is submitted to President August Herrman of the Cincinnati Nationals and his colleagues.

It is pointed out that the speedway can easily be arranged to seat 100,000 persons.

SPORTING NOTES

Saskatoon has clinched the pennant of the Western Canada league, which makes it easy for the Dominion versifiers.

Catcher Art Wilson of the Boston Braves is nursing a cracked rib.

Meusel, former Yankee, now of the Vernon team of the Pacific Coast league, is clouting the ball at a .326 rate.

"Cactus" Cravath, Phil manager, declares that there is no chance for the Giants or any other club to get Eppa Jeptha Rixey.

Rumor has it that Casey Stengel is tired of playing in Pittsburgh and is trying to get his release so he can join some eastern team.

Although Roger Peckinpaugh temporarily is out of the magic five hitters of the American league, he makes himself very useful to the Yankees in fielding apparent safe hits. He robbed Gandil of a drive Monday and assured a victory for his team.

The veteran Al Schweitzer, who was with Jersey City earlier in the season, has been taken on by Rochester.

Hal Chase makes great plays with wonderful ease and grace. The same goes for the errors he executes also.

Wahoo Sam Crawford, who once hammered the ball in the same lineup with Ty Cobb, is leading the Pacific Coast league with the stick. Crawford who is playing with Los Angeles, has 168 hits to date, for an average of .368. Samuel's eye appears to be quite keen, even though he is not in the majors.

Providence has sold Fred Brainard, and Danny Gearin to Oakland of the Pacific Coast league. Brainard recently returned from France.

The veteran Bill Cristall, recently released as manager of the Bay City team of the Michigan-Ontario league, has signed with Moline to pitch.

The Chicago White Sox will try out Eddie Forster, a lad from Brewster academy. He is an outfielder and in college made a reputation for fleetness of foot.

President Ebbets, of the Dodgers, has announced that he had signed Eddie Taylor, a catcher of the Charlotte club of the South Atlantic league. He was recommended by Nap Rucker, who is acting as a scout for the Brooklyn team. Taylor is a collegian. He will report to the Dodgers next spring.

Pinelli, the third baseman of the Sacramento club of the Pacific Coast league, who has been acquired by the Yankee management, while hitting only .250, is quite a base stealer. He has 37 to his record, the third best in the league.

The revival of the French annual automobile race, the Grand Prix, is under discussion with the chances that the event will be run in 1920 in case a sufficient number of entries are obtained. Some French concerns are going ahead building new racers, with a view to racing in other countries in case the big French event is not renewed next year.

Jimmy Ring appears to be the rescue hero of the Reds. Whenever the other pitchers get into a tight place Pat Moran rings for Ring, who proceeds to toll the knell of the opposing hitters. In a recent game at Philadelphia, Ring was called to the front with the bases full and two runs in. There was no further scoring when Jimmy got to hurling the sphere.

While trapped flies of the sort that Trapper Burns engineered against Pittsburgh are rare still before the infield fly rule went into effect trapped balls were as common as trapped mice. Double and triple plays were frequent and the infielder who could not gracefully and accurately take a ball on the rebound from the soil was not regarded as a topnotcher.

Pitcher Benny Karr of the Little Rock club has been sold to the Boston Americans. Karr won 17 out of 29 games this season.

Civilian Attacks on German Soldiers.

Details of civilian attacks on German soldiers in various parts of Germany have reached the headquarters of the American forces recently, showing the bitterness of German civilians against the troops of Gustav Noske, the German minister of military affairs.

Several discharged German soldiers who entered the American area a few days ago asserted that patrols of the first battalion of the 22d Reichswehr regiment stationed at Hanau were safe only when proceeding in force. These former soldiers were members of this unit and said that almost at any time when a soldier appeared in the streets of Hanau alone, or accompanied by one or two comrades, he was likely to be attacked by civilians and that many serious encounters between soldiers and civilians had occurred lately.

On the other hand, men of the railroad regiments at Hanau said that they never had any troube and were on good terms with the people.
