Unusual Happening At Grand Circuit Meet

Columbus, O., Sept. 18.—While there were four well contested events on today's Grand Circuit program, nearly all of the interest centered on the 2.09 pace, in which an unusual occurrence sent Esther R., driven by Murphy and winner of the first two heats, to the barn before the third heat started on account of ineligibility. The owner of Aquilla Dillon, after the second heat, claimed that Esther R.'s record of 2.06 1-4 had been made Aug. 16 at Philadelphia and was one day too soon to retain her eligibility. His complaint was verified and Murphy's mare sent to the barn. All bets on the race up to that point were declared off. Aquilla Dillon was declared winner of the first two heats. She then won the third heat and the race.

The free for all pace was a disappointing affair on account of the slow time. Miss Harris M., the favorite, lost it after taking the second heat from Directum J., who stood a terrific drive in the third heat.

Baron Cegantie won the 2.15 trot; due to a bad break, he finished last in the first heat.

Dr. Nick won the 2.18 trot. This event was raced on the Jones plan, whereby the horse finishing last in each heat was sent to the barn for good.

FOUR TO FIGHT IT OUT IN "PRO" GOLF TOURNEY

Roslyn, N. Y., Sept. 18.—Four golfers are left to fight it out in the semi-final round of the Professional Golfers' association championship tournament over the Engineers' links here tomorrow. They are Jim Barnes, western open champion; Bob MacDonald of Chicago; Fred McLeod, Washington, and George McLean of New York, and they will meet as named.

Barnes did what was expected of him today when he defeated Emmet French of York by 3 up and 2 to play, but MacDonald produced a surprise when he defeated his old side partner, Jock Hutchinson, by the same margin. The other two matches were won by considerable margins, McLeod eliminating Douglas Edgar of Atlanta, 8 and and 6, and McLean disposing of James West of Rockaway by 9 and 7.

MEADOW BROOK WINS THE JUNIOR POLO CHAMPIONSHIP

Philadelphia, Sept. 18.—The Meadow Brook second team of Westbury, L. I., today won the junior polo championship of the United States, defeating the Philadelphia Country club in the final match, 4 1-4 goals to 2 1-4, in a brilliant contest which was not decided until the final period.

The Country club made a game uphill fight. Taking advantage of a slight letdown by the home four in the early periods, Meadow Brook opened up a lead of several points, but in the second half the Philadelphians closed the gap and in the seventh period tied the score.

FINANCIAL AND COMMERCIAL

MARKET WAS NERVOUS.

New York, Sept. 18.—The crisis in the steel labor situation was again the overshadowing influence in today's nervous stock market, other considerations and developments, including several of favorable import, receiving scant attention.

In financial circles it was still believed that the views of the conservative element among the labor leaders would prevail, but advices from Pittsburgh and other industrial centers seemed to offer little encouragement.

Trading was lighter and more circumscribed than at any recent period, but the trend during the greater part of the session was downward, leaders for the most part recording lowest prices of the week.

U. S. Steel was under constant pressure, though losing only about 1 1-2 points at its lowest and recovering more than half at the close. Associated issues and allied equipments followed the same course, though fluctuating within a broader radius.

Among other industrials more or less concerned in the disquieting steel situation, notably motors and their specialties, also leathers and coppers, reactions of two to almost five points were partly retrieved.

Oils reflected little of their wonted independence, yielding one to seven points, with shippings, but tobaccos were a striking exception to the general tendency, several of the high-priced issues showing unusual activity at gross gains of from five to fifty points, these, however, undergoing irregular downward revision later. Sales amounted to 865,000 shares.

The money market tightened, opening at 4 per cent. for call loans and closing at 6, but conditions in foreign exchange were more favorable. Liberty 2 3-4s and 4 3-4s were active and strong, but other domestic issues and internationals developed moderate irregularity. Total sales, par value, were $18,500,000.

Old U. S. bonds were unchanged on call.

ATHLETICS' NEW SEMI-PRO PITCHER DEFEATS CLEVELAND

Philadelphia, Sept. 18.—Eckert, a local semi-professional pitcher, made his debut with Philadelphia today and was beaten by Cleveland, 4 to 1. Two hard hits were made off his delivery, a triple and a home run, both by Smith. Uhle held the Athletics to two hits in seven innings, but a base on balls and Smith's fumble of Eckert's single threatened to tie the score in the eighth. Bagby went to the rescue and checked the locals. Score:

The teams in the league are: Norwich Woolen Mills Red Sox, Rookies, Yannigans, Gas Eaters and the Red Tops. There will be two matches on Wednesday evening, one between the woolen company and the Red Sox and the other between the Rookies and the Yannigans.

MGR. CARY'S LETTER TO POP CROWLEY

Mr. Pop Crowley: I read your little piece in yesterday morning's paper and was very sorry to hear that you cannot remember as far back as Sunday, Aug. 10, 1919, when the East Ends defeated your invincible colts on your own grounds by the score of 9 to 7. Perhaps the following box score will sort of awaken your very poor memory. Of course as you said in yesterday morning's paper my team is not in the same class as your invincible wonders. It is in a class far above yours. Now, Pop, let's lay aside all our gab and get down to business. Do you really want to play the East Ends for $50 or are you just bluffing and starting all this talk just to get your name in the papers, which I doubt that you could get in any other way. If you mean business please meet me at the Bulletin office next Wednesday evening between 7 and 8 o'clock and bring that much talked about $50 of yours with you and we will try to complete arrangements for a game to be played on our diamond at the Battlegrounds, but if you are only looking for publicity please do not drag the East Ends into any of your matters. Hoping that your memory will not fail you again by next Wednesday evening, Sept. 24, 1919, I remain,

Yours for business,

W. C. CARY,
Manager of East Ends.

P. S. Perhaps you will not approve of playing on the Battlegrounds, but remember we beat you once on your own grounds, the Fair Grounds, and we will leave it to the sporting public if it is more than fair that you should play the next game on our grounds, the Battlegrounds, and if you should prove so lucky as to win this game we will leave it to the sporting editor to decide on which grounds the final game shall be played.

ACADEMY FOOTBALL SQUAD HARD AT WORK

For the past two days the football squad has been out on the gridiron for practice and within this period the thirty candidates have made rapid progress in the fundamentals of the game. The material is good but none of them have had any real football experience and it will take some time for them to get whipped into shape. Only two of the veterans of 1917 are now in school. They are Wilcox, who was tackle on the team, and Suplicki who played end.

Coach McKay has been putting the candidates through the fundamentals of the game and the boys show considerable promise. Morgan, a recruit from New London, has the makings of a good lineman as has Croker. Wilcox and Crowell, Chase and Bixby have been taking care of the ends and each of these lads show up well. The backfield will this year be lighter than years previous but will abound in speed. Ringland is the most promising candidate for this field together with Reed and Wilcox.

The schedule has not been fully made up yet but there will be at least nine games with teams that in years past have had strong reputations.

Bear Cats at Baltic.

The Taftville Bear Cats have scheduled a game for this coming Sunday with the fast Baltic Rivals. The Taftville boys have strengthened their line up with several fast players and have the fastest team that has played on the local diamonds this summer.

East Ends Accept Rovers' Challenge.

Manager Cary of the fast East Ends accepts the challenge of the Willimantic Rovers for a game on the Battlegrounds on Sunday. The East Ends have been playing fast ball during the season and are confident of adding another scalp to their already large collection.
