Dr. McLANE'S VERMIFUGE.

The American Worm Specific

Promptly Expels Worms to an almost incredible number!

TO substantiate the above fact many hundreds of testimonials could be adduced, out of which the following are selected, from individuals of standing and veracity. Indeed it is confidently affirmed that each new trial of the powers of this remedy will have an additional tendency to widen and confirm its fame, and that if it were universally known and diffused over the United States, it would not save less than many hundreds, if not thousands of lives annually.

CERTIFICATES.

I do certify that a vial of Mr. McLane's American Worm Specific expelled five hundred and two whole worms, and pieces that would have made another number, from a boy of Mr. Bowling's, which, if laid in a straight line, would have most probably measured the enormous length of one hundred yards. JOSIAH JACKSON,
Owner of Water Forge, and other works, Monongahela co., Va.

SURPRISING EFFECTS OF DR. McLANE'S WORM SPECIFIC.—On Saturday, February 7, 1845, Mr. James Richardson called at the drug store of David Kidd & Co., corner of Fourth and Wood streets, and made the following statement:

A child of mine had been very sick for some ten days; we had given her purgative medicine, but it had done her no good. One of our neighbors came in, and said it was worms that was destroying the child, and at the same time spoke of the wonderful effects she had witnessed from using Dr. McLane's Worm Specific in that neighborhood. We procured a vial, gave one teaspoonful, and the child discharged 12 large worms. I gave another teaspoonful, which brought down 36 more—in all 48 worms. As a duty I owe to you and the community, I freely make known these facts. My child is now well. What is very remarkable, the Worm Specific expelled the worms in about four hours after I gave the medicine.

Dr McLANE'S LIVER PILLS

For the Cure of Hepatics or Liver Complaint, Dyspepsia, and Sick Head Ache.

SYMPTOMS OF A DISEASED LIVER.—Pain in the right side, under the edge of the ribs, increased on pressure; sometimes the pain is in the left side; the patient is rarely able to lie on the left side, sometimes the pain is felt under the left shoulder blade; frequently mistaken for a pain in the top of the shoulder, and is sometimes mistaken for a rheumatism in the right arm. The stomach is affected with loss of appetite and sickness; the bowels, in general are costive, sometimes alternating with loose, the head is troubled with pain accompanied with a dull, heavy sensation in the back part. There is generally a loss of memory, accompanied with a painful sensation of having left undone something which ought to have been done. A slight dry cough is sometimes an attendant. The patient complains of weariness and debility; he is easily startled; his feet are cold and burning, and he complains of a prickly sensation of the skin; his spirits are low; and although he is satisfied that exercise would be beneficial to him, yet he can scarcely summon resolution enough to try it. In fact he distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred where few of them existed, yet examination of the body after death has shown the liver to have been extensively deranged.

CERTIFICATES.

This is to certify, that having been associated with Dr. McLane in the practice of medicine for nearly two and a half years, I have had many opportunities of witnessing the good effects of his Liver Pills, and I believe they have cured and relieved a much larger proportion of the diseases of the liver than I have known cured or relieved by any other course of treatment.

December 7, 1836. OLIVER MORGAN, M. D.

Dr. McLANE'S LIVER PILLS.—This is to certify that I have been afflicted for six years with the Liver Complaint, and applied to different physicians, obtaining temporary relief. On hearing of Dr. McLane's Liver Pills, I obtained and used two boxes. I now feel almost fully restored to health; the Liver Pills have wrought a surprising relief. S. DAVIS, near Pittsburgh.

SANDS'S SARSAPARILLA,

For the Removal and permanent Cure of all Diseases arising from an impure state of the Blood, or habit of the System.

THIS operation of this preparation is three-fold. It acts as a tonic, strengthening the digestive powers and restoring the appetite; as an aperient, gently purifying and gentle in its active effect, and as an antiseptic, purifying the fluids of the body, and neutralizing in the blood the active principle of disease. The many well authenticated cures of Scrofula of the most malignant character, wrought by Sands's Sarsaparilla, have given it a wide and deserved celebrity. But it is not alone in Scrofula, that this class of diseases to which it belongs, this preparation has been found beneficial. It is a specific in many
