CHEAP DRY GOODS

At the NEW YORK STORE, 168 Poydras street.

PRINTED Muslins, fast-colors and beautiful patterns, at 12½c. per yard, same as selling at the cheap stores at 15 to 20c.; Scotch Ginghams, 12½c.; 2 cases Swiss Muslins, 5-4 wide, at 30c. per yard, usually sold at 50c.; French Damask Curtain Stuff, at 30c.; Turkey Red do. at 10c.; 100 doz. Gents' large size Linen Cambric Hdkfs., new style, at $4 50 per dozen, worth double the money; 5000 yards White Linen Mosquito Netting, at 8c., same quality can not be bought for less than 10c. in the city; 6 cases Irish Linens, by the large or small quantity, at less than wholesale prices; Pure Linen at 25c. per yard, and upwards; Undressed Family Linen at 35c., as good as can be bought for 50c. Buyers can test the truth of the above assertions, by comparing samples. Also, a full variety of the newest and richest styles of Fancy and Staple DRY GOODS, equally low. The subscriber would remark that it is not the practice of this establishment to offer a few leading articles very cheap, with a view of obtaining exorbitant profits on other goods. With facilities unsurpassed for receiving goods from the North at the lowest rates—an active and increasing business, unaffected by cholera or hard times—a saving per diem of from fifteen to twenty dollars in rent and expenses—he can afford to sell cheap. Heavy expenses must be met by enormous profits. New Yorkers are especially invited to call; they will be reminded of the cheap establishments in Grand and Catherine streets.
