TAILORING.

THE subscriber takes this opportunity of informing the citizens of Indianapolis and vicinity, that he has opened a shop on Washington street, three doors east of Browning's, near the post office, where he will be happy to execute all orders in his line of business. From a long experience in the art of cutting, he hopes to give general satisfaction to all who may favor him with their patronage. He is perfectly aware of the present depression of business, and consequently is prepared to make all kinds of garments of as good quality and workmanship, and at as low prices as any similar establishment in this city. Gentlemen will do well to call at the above shop, as the subscriber is determined to leave nothing undone to render the establishment popular and deserving of public favor.

DR. McLANE'S VERMIFUGE

The American Worm Specific

Prompts, Expels Worms to an almost incredible number!

TO substantiate the above fact many hundreds of testimonials could be adduced, one of which the following are selected, from individuals of standing and veracity. Indeed it is confidently affirmed that each new trial of the powers of this remedy will have an additional tendency to widen and confirm its fame, and that if it were universally known and diffused over the United States, it would not save less than many hundreds, if not thousands of lives annually.

CERTIFICATES.

I do certify that a vial of Mr. McLane's American Worm Specific expelled five hundred and two whole worms, and pieces that would have made sixty more, from a boy of John Lewelling, which, if all in a straight line, would have most probably measured the enormous length of one hundred yards. JOSIAH JACKSON,
Owner of Water Forge, and other works, Monongalia co., Va.

SURPRISING EFFECTS OF DR. McLANE'S WORM SPECIFIC.—On Saturday, February 7, 1845, Mr. James Richardson called at the drug store of J. Kidd & Co., corner of Fourth and Wood streets, and made the following statement:

A child of mine had been very sick for some ten days; we had given her purgative medicine, but it had done her no good. One of our neighbors came in, and said it was worms that was destroying the child, and at the same time spoke of the wonderful effects she had witnessed from using Dr. McLane's Worm Specific in that neighborhood. We procured a vial, gave one teaspoonful, and the child discharged 42 large worms. I gave another teaspoonful, which brought away 46 more—in all 88 worms. As a duty I owe to my child the community, I freely make known these facts. My child is now well. What is very remarkable, the Worm Specific expelled the worms in about four hours after I gave the medicine.

DR. McLANE'S LIVER PILLS

For the Cure of Hepatic or Liver Complaint, Dyspepsia, and Sick Head Ache.

SYMPTOMS OF A DISEASED LIVER.—Pain in the right side, under the edge of the ribs, increased on pressure; sometimes the pain is in the left side; the patient is rarely able to lie on the left side; sometimes the pain is felt under the shoulder blade; it frequently extends to the top of the shoulder, and is sometimes mistaken for a rheumatism in the right arm. The stomach is affected with loss of appetite and sickness, the bowels, in general are costive, sometimes a vertigo with loss, the head is troubled with pain, accompanied with a dull heavy sensation in the back part. There is generally a considerable loss of memory, accompanied with a painful sensation of having left undone something which ought to have been done. A slight dry cough is sometimes an attendant. The patient complains of weariness and debility; he is easily startled; his feet are cold and burning, and he complains of a prickly sensation of the skin; his spirits are low; and although he is satisfied that exercise would be beneficial to him, yet he can scarcely summon up fortitude enough to try it. In fact he distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred where few of them existed, yet examination of the body after death has shown the liver to have been extensively deranged.

CERTIFICATES.

This is to certify, that having been associated with Dr. McLane in the practice of medicine for nearly two and a half years, I have had many opportunities of witnessing the good effects of his Liver Pills, and I believe they have cured and relieved a much larger proportion of the diseases of the liver than I have known cured or relieved by any other course of treatment.

December 7, 1840. OLIVER MORGAN, M. D.

Dr. McLANE'S LIVER PILLS.—This is to certify that I have been afflicted for six years with the Liver Complaint, and have tried different physicians, obtaining temporary relief. On hearing of Dr. McLane's Liver Pills, I obtained and used two boxes. I now feel almost fully restored to health; the Liver Pills have given me surprising relief. S. DAVIS, near Pittsburgh.

The Highly Medicated
POOR MAN'S PLASTER.

OF J. KIDD & Co. Wholesale Dealers in Drugs, Medicines, Paints, Oils, Dye Stuffs, Instruments, (Agents for Dr. McLane's celebrated Worm Specific, Liver Pills, and Lung Syrup.) No. 60, corner of Fourth and Wood streets, Pittsburgh. The claim of these highly Medicated and improved Strengthening Plasters to public favor rests entirely on their acknowledged superiority over all others in healing Diseased Spine, Rheumatism, and Liver Complaints, curing Dyspepsia, Pains in the Breast, Back, Loins, and Limbs. Their constant use is strongly recommended to invalids and persons of bilious temperament and sedentary habits, as they happily prevent and strengthen the system. These Plasters should not be neglected to be worn by the most tender females as a conservator of their health, the greatest earthly attribute of happiness. Their habitual use may be said to exert an a most magical influence in lessening that elastic vigor with youthful charms which is preserved in those who use them, in an eminent degree, to the most advanced periods of life.

SANDS'S SARSAPARILLA,

For the Removal and permanent Cure of all Diseases arising from an impure state of the Blood, or habit of the System.

THE operation of this preparation is three-fold. It acts as a tonic, strengthening the digestive powers and restoring the appetite; as an aperient, peculiarly suited and gentle in its laxative effect, and as an anti-septic, purifying the fluids of the body, and neutralizing in the blood the active principle of disease. The many well authenticated cures of Scrofula of the most malignant character, wrought by Sands's Sarsaparilla, have given it a wide and deserved celebrity. But it is not alone in Scrofula, nor in the class of diseases to which it belongs, that this preparation has been found beneficial. It is a specific in many diseases of the skin, and may be administered with favorable results in all, it also exercises a controlling influence in bilious complaints; and when the system has been debilitated, either by the use of powerful mineral medicines or other causes, it will be found an excellent restorative

The following interesting case is presented, and the reader invited to its careful perusal:

NEW YORK, *April* 22, 1845.

MESSRS. A. B. & D. SANDS: *Gentlemen:* Feeling it a duty due to you and to the community at large, I send you this certificate of the all-healing virtues of your Sarsaparilla, that others who are now suffering may have their confidence established and use your medicine without delay.

I was troubled with a severe ulcer on my ancle, which extended half way up to the knee, discharging very offensive matter, itching, burning, and depriving me often of my rest at night, and very painful to bear.

I was recommended to use your Sarsaparilla by Mr. James McConnell, who had been cured by it, and after using five bottles I was completely cured.

I have delayed sending you this certificate for one year since the cure was effected, in order to be certain with certainty whether it was a permanent cure, and it now gives me the greatest pleasure to add, that I have neither seen nor felt the slightest reappearance of it, and think I am entirely well. Yours very truly, SARAH McINTYRE,
240 *Delancy street, New York.*

The following statement is from a gentlemen who is one of the first Druggists in the city of Providence, and from his extensive knowledge of medicines of every kind, and his experience of the effected Sands's Sarsaparilla, his opinion is one of peculiar value to the afflicted.

SANDS'S SARSAPARILLA.—I speak experimentally when I say that this medicine is far more effectual in the cure of chronic or acute rheumatism than any other preparation I have ever tested. Having endured extreme suffering at times within the last five years from repeated attacks of inflammatory or acute rheumatism, I have recently used Sands's Sarsaparilla with the happiest success; my health is now better than it has been for many months past, my appetite is good, and my strength is rapidly returning. I attribute this beneficial change entirely to the use of this potent medicine. Feeling a deep sympathy with those who are afflicted with this most lacerating and painful disease, I cannot refrain from earnestly recommending to such the use of this valuable specific. Having the most entire confidence in the medicine and skill of Dr. Sands, I was induced thereby to try the effects of their Sarsaparilla, and I take pleasure in adding my testimony to that of many others commendatory of its invaluable properties, unknown to and unsolicited by the Messrs. Sands.

CHARLES OVER, *Jr., Druggist and Apothecary.*
Feb. 17, 1845. 40 and 42 Westminster st., Providence, R. I.

For further particulars and conclusive evidence of its superior value and efficacy, see pamphlets, which may be obtained of Agents gratis.

Prepared and sold, wholesale and retail, by A. B. & D. SANDS, Wholesale Druggists, 79 Fulton street, New York.

Sold also by D. CRAIGHEAD and T. N. MEEKER, Indianapolis, and by Druggists generally throughout the United States. Price $1 per bottle, six bottles for $5.

☞ The public are respectfully requested to remember that it is Sands's Sarsaparilla that has and is constantly achieving such remarkable cures of the most difficult class of diseases to which the human frame is subject; therefore ask for Sands's Sarsaparilla, and take no other. 25-y

LATEST PATTERN OF 1846!

Green's Patent Cooking Stove.

THE subscriber has received, direct from the manufacturer in Cincinnati, a lot of Green's new patent Cooking Stoves, which he will sell at the smallest possible advance on the Cincinnati price. These Stoves are very highly recommended, and numbers who have used them in Cincinnati and elsewhere, give them a decided preference over any other stove in use. In point of convenience, despatch in cooking, weight of plates, and economy of fuel,—and especially in baking,—it is believed by many to have no equal. Let those in want of such an article, at least call at my store and look at Green's Patent, before purchasing any other. S. WAINWRIGHT,
36-tf Main street, Indianapolis.

DOUBLE OVEN COOKING STOVE.

THE sub criber has just received a lot of the above stoves. They are decidedly superior to any stove ever invented. Having two ovens, different articles can be baked at the same time, which could not be well done in a single oven. This tends to great economy in fuel. At the same time all other culinary operations can be as well or better performed than in any other stove in market. Those in want of such an article are invited to call and examine this before purchasing any other. This is all that is necessary to secure for it the preference, for seeing is believing.
