DALLEY'S
MAGICAL PAIN EXTRACTOR.
The Original and Only Genuine.

NO COMPOUND

HAS ever been discovered that possesses any of the qualities of this famous Remedy. Almost daily we hear of new, and heretofore unknown virtues, discovered by its application to new diseases—for it is a remarkable fact, that many of its effects, are known only from accident, or experiment. So deep has been the science of Mr. HENRY DALLEY, the Inventor, so admirable the combination of its ingredients, that it is found suited to relieve almost every ailment to which the frame of man is subject. Let us enumerate some of the peculiar qualities of this remedy:

First.—It will within five minutes from its application, remove the pain from the severest BURNS, SCALDS or BLISTERS. It will also remove the pain and cure GOUT, TIC-DOLOREUX, PILES, RHEUMATISM, SORES or SWELLINGS.

Second.—In cases of BURNS, if applied immediately, it will preserve life, no matter how severe may be the injury, unless a vital part be burned; and its immediate application will prevent any blister, and consequently any sore, or inflammation.

Third.—It will heal Burns or Wounds, Ulcers, or Sores, of any kind, WITHOUT SCAR.

Fourth.—It neutralizes and destroys POISON from Plants, Reptiles, Insects, or Rabid animals.

Fifth.—It will, wherever applied, prevent MORTIFICATION; and in old wounds where mortification has commenced, it will arrest the disease, and cure the wound; even where flesh has already dropped away, it will restore the part to its natural state.

Sixth.—If BROKEN LIMBS, when set, be well wrapped up in the Salve no Inflammation, Swelling, or Pain can occur, and the bones unite, and become strong with astonishing rapidity.

Seventh.—When the Bowels are painful, or inflamed, the Extractor, if well rubbed upon them, will affd relief, and cause a movement, even when castor oil, jalap and all other medicines have failed.

Eighth.—Its use is perfectly safe in all cases—it never can do harm—the system will absorb no more than is necessary to repair it. It will not conflict with any medicines that may be taken internally.

We have not space in this publication to enumerate all the diseases cured by

DALLEY'S PAIN EXTRACTOR,

but we shall subjoin a few testimonials of its value, selected from the thousands in our possession, from all parts of the country.

PILES.

It may be confidently stated that there is no case of PILES which may not be cured by the PAIN EXTRACTOR. It is a certain remedy, and removes at once the pain and soreness.

I, John Williams, a resident of Hamilton county and City of Cincinnati, feel it a sacred duty that I owe to the community, thus to publicly state that I have been troubled with the Piles for about seven years, during which time I have suffered much bodily pain; lost a great portion of that time by confinement to my bed, and have expended several hundred dollars, but to no purpose; I continued to grow worse. Meanwhile, I was persuaded, and finally urged to make a trial of "DALLEY'S MAGICAL PAIN EXTRACTOR," for this awful complaint; and to my utter astonishment, I am as well and hearty as ever, and to the use of two boxes of this precious ointment, I ascribe my cure. These facts I am willing to affirm to should it make the statement of an old resident any more authentic.

JOHN WILLIAMS.

Cincinnati, 4th month, 1847.

ERYSIPELAS.

For Erysipelas the PAIN EXTRACTOR is invaluable. Other remedies may make the disease disappear for a little time, but it is driven in, and will reappear in the same or some other place. The Pain Extractor, however, *drives out*, and completely removes the cause of the disease, and effects a thorough cure.

ALBANY, May 8, 1846. 24 Jackson street.

I was nine years under medical skill in the cities of New York and Albany, labouring under the most distressing Erysipelas, and had the misfortune to lose the sight of my eyes, with bleeding Piles, deeply ulcerated with large lumps of the size of hen's eggs protruding, and large boils covered my body. The urinary secretions stopped for days, when my distress became intolerable. My tongue cracked, and the roof of my mouth was covered with sores, and my chest, at the root of my neck, was in a constant burning heat, so that cold water did not cool it.

In this severe illness I despaired for death, and never expected recovery, when Mrs. Jessup desired me to

TRY DALLEY'S PAIN EXTRACTOR.

She brought to my bed a box, and applied some to the sores. I felt immediate ease wherever it touched me, and I begged for enough to anoint me thoroughly. It was obtained, and a new life seemed to invest me. To remove the burning pain in the chest, I gave some Pills of it, and took them which soon cured me. I owe my life to your valuable Extractor, being now as strong as ever, and have been so ever since early in the year 1842.

KERZIA FRENCH.

SALT RHEUM.

This certifies that DALLEY'S PAIN EXTRACTOR has been used in my family for Salt Rheum of thirteen years' duration, and for Warts. These fierce diseases have been at once alleviated, and the warts both entirely removed. There can be no doubt but this Medicine has all the virtue that the Patentee claims for it, from what has fallen under my observation, added to the very respectable testimonials in its favor by others who have used it in cases requiring immediate relief. It is most cheerfully recommended to the attention of the afflicted, the use of this invaluable Salve.

BUFFALO, N. Y. — ROSWELL CHAPIN.

Costiveness;
Or, CONSTIPATION OF THE BOWELS.
THE PAIN EXTRACTOR

Is the surest, safest and most certain remedy for this disease. It will positively give relief in the worst cases, and even after all the old remedies have failed. Persons have frequently called at our office with astonishment upon their faces, stating that they had used the ointment for other diseases upon parts of their bodies near the bowels, and that a copious movement had resulted from it. This result will always follow a thorough rubbing of the Extractor upon the bowels, when they are costive. Let the experiment be tried. It is perfectly safe; and in no instance can the Pain Extractor do harm.

SORE NIPPLES.

The efficacy of the PAIN EXTRACTOR in this disease is remarkable. We know of numerous cases, and do not hesitate to say that the Ointment will never fail for this purpose. Delicacy prevents us from asking certificates from ladies on this subject. The following was procured by one of our Agents:

This will certify that we have used DALLEY'S MAGICAL PAIN EXTRACTOR as a remedy for Sore Nipples, and cheerfully recommend it to those who may be afflicted with that most distressing complaint, as a most valuable article to cure it. PHŒBE BRAY.

ALBANY, April, 1845. — MARY MOORE.

FEVER SORES.

I hereby certify that I have been afflicted with an inveterate Fever Sore for fourteen years last past, and have spent near five hundred dollars in employing physicians, and in purchasing all kinds of medicines that are used or recommended for its cure; but to no purpose, until, as a last resort, I heard of and tried DALLEY'S MAGICAL PAIN EXTRACTOR, when to my great surprise, before I had used one whole box of this Salve, my limb was entirely healed, and I have nothing of it left about me. BRADOCK DAVIS.

HENRIETTA, MURROE Co., N. Y., May 6, 1843.

CUTS, WOUNDS AND SORES.

The effects of the PAIN EXTRACTOR in these cases is wonderful; so quickly does it remove all pain and soreness, and heal the injury. No SCAR REMAINS. Its success in healing old sores of long standing is unparalleled.

ST. LOUIS, MO., July 6, 1846.

Dear Sirs: About a week since, whilst working at my trade, I cut my foot in a very bad and dangerous way. The whole but of the knife entered the top of my foot just below the instep. The wound began to inflame, and continued so to do until I became much alarmed. I used British Oil, Tincture of Myrrh, and several adhesive plasters, but all to no purpose.

I then commenced the use of

DALLEY'S MAGICAL PAIN EXTRACTOR,

and in less than ten minutes, the pain and inflammation began to subside, and has now entirely left me.

I can confidently recommend Dalley's Magical Pain Extractor as being superior to anything I have ever seen tried, for removing pain or inflammation.

I am a ship carpenter by trade, and shall be willing to testify to the virtues of this Salve at all times when necessary. I reside on Franklin Avenue, at No. 151, where I can give any information desired.

Yours, truly,
JEFFERSON M. BISHOP.
