SAD AND FATAL ACCIDENT.—On Saturday morning last, at Wathena, Guy Craig, aged 13 or 14, son of Wm. R. Craig, started out for a hunt, in company with a younger brother, and a young man named Kelsey. They were in a buggy, and had just started off, when one of the wheels ran into a rut, causing young Craig's gun to fall out, the hammer striking the wheel, while the muzzle was against the boy's thigh. The gun was discharged, the entire contents, shot, wadding and all, passing into and through the thigh. The boy became delirious in a short time, and never rallied from the shock, but died Monday morning. Mr. Craig was absent on business, and a messenger found him at Highland, bringing him home but a little while before his son died.

A DONIPHAN COUNTY MAN KILLED.—J. E. Taylor, Esq., of Seneca, informs us that, on Monday evening, a man was accidentally shot and killed with a revolver, near that place. There was a party of three Russians, who had been living near Brenner Station, in this County, and were on their way West, to hunt a location for a nursery. One, named Alexander Roum, tried to take a revolver from another, named John Reichetskie, and in the act the revolver was discharged, killing Roum.

— Save 20 per cent. and buy your boots and shoes of C. G. Bridges.

— On the farm of Henry Kunkel, two and a half miles east of Mound City, Holt County, Missouri, there is an artesian well which yields mineral water possessing valuable medical properties. The water was discovered in boring for oil. Some of it was sent to the Smithsonian Institute, at Washington, to be analyzed, and was found to contain several valuable properties. It has become a resort for invalids, and several have experienced good results from using the water.

— My friends and customers that I have accommodated during the past year, will confer a great favor by settling up, as I am in need of money.

For a little now and a little then,
Always helps the best of men.

— Bridges keeps a large stock of Arctic Over-Shoes, and sells them cheap.

AVAUNT, INDIGESTION!—The Charter Oak Stove is the most interesting and important feature in the family economy; for it fills the house with warmth, the table with good cheer, and prevents that dreary aspect and indigestible meals that brings sourness of temper, discomfort and dissatisfaction.

— For the small sum of five cents, you can buy a cigar of Shepherd as good as any cigar sold for ten cents anywhere else in town—fact.

— There has been considerable destruction of cornfields in this vicinity, of late, caused by sparks from locomotives. Several fields have been burnt within the past few days. The weather has been very dry for so long a time, that fire catches readily, and spreads rapidly.

— Friend Lightfoot, Agent of the Iowas and Sacs, started with a delegation of Sac chiefs, on Monday morning, for Washington, to make arrangements for the disposition of the money for the lands just surveyed, and soon to be sold. The Sacs will be transferred to the Indian Territory.

— A new time-table took effect on the Atchison and Nebraska Railroad, on Monday morning. The trains now come almost in a bunch, and we believe they do not make connections with the Denver Road.

— Shepherd has just received some genuine Pure Cider Vinegar from the East, which he will guarantee to be "straight goods."

— White Corn wanted on accounts, by C. G. Bridges, immediately.

— The Commissioners, at their meeting last week, ordered that a chain cable be placed half-way round the Court House Square, attached to stout oaken posts, for hitching purposes.

— Bridges will sell you more Boots and Shoes than any man in the County, for the same money.

— Large stock of Initial Note Paper, just received at Shepherd's.

— Shepherd is getting on his Fall Stock, and proposes to sell goods cheaper than ever.

— The first snow of the season came this morning. The amount is small, but the terrible wind that has been blowing for two days, without cessation, makes up in disagreeableness for the lack in any other respect.

— Notwithstanding the cold weather, the "snakes" appear to be more active now than at any time during the Summer. We have heard of a number of persons who are seeing them in great quantities.

"HOW TO GO FAST."

By the Kansas City, St. Joseph and Burlington Route.

"Though last not least," is an adage as true as it is old, and its truth is again exemplified by the completion of the New Line to the East, *via* Creston and Burlington, which, though the *last*, may be called the *best route* in the West.

The Line consists of the Kansas City, Saint Joseph and Council Bluffs R. R., with two daily trains from Kansas City, through Leavenworth, Atchison and St. Joseph, to the Missouri State Line, there connecting with the Burlington Route, which leads direct to Chicago, Cincinnati, Indianapolis, Logansport and Columbus—through cars are being run to all these points.

This Line is well built, thoroughly equipped with every modern improvement, including Pullman's Sleeping and Dining Cars, and nowhere else can the passenger so completely depend on a speedy, safe and comfortable journey.

The Burlington Route has admirably answered the query, "How to go East," by the publication of an interesting and truthful document, containing a valuable and correct Map, which can be obtained free of charge, by addressing General Passenger Agent B. & M. R. R. R., Burlington, Iowa.

A Sure Way to Make Money.

In the buying of goods, most people who wish to prosper, study economy in their purchases; and it is a truth, that the item of Boots and Shoes is no small one, in the families of both rich and poor. To reduce the expense of that item, it becomes necessary to buy where the best and greatest quantity of goods can be found, for the least money; and that place is at an *exclusively* Boot and Shoe store.

C. G. Bridges, of Troy, keeps the only Boot and Shoe store in the city, and has an excellent variety of all goods in that line. He has them fine, and also common, but always recommends *good* goods. He proposes keeping the largest stock in Northern Kansas, and selling them *to cash buyers so low* that they can sustain him in trade, and buy cheaper than at St. Joseph or Atchison. It will pay farmers of the whole County to inquire of their families, in relation to the number of pairs of boots and shoes, the sizes and numbers, and give Mr. B. a call. Liberal discount will be made on large bills, and cash buyers. Recollect this article, and when you come to Troy, inquire for the Boot and Shoe store of C. G. Bridges, which you will find near south-west corner of Public Square, one door north of Shepherd's Drug Store, Sign of the Big Red Boot.

Interesting to Farmers.

The citizens of the County, who propose planting orchards, will find it to their advantage to give their patronage to E. Snyder, of the Prairie Nurseries, at Highland, who keeps, perhaps, the largest stock in the State, and can furnish them at as low rates as the same class of trees can be purchased at from any of the leading Nurseries of the country. Mr. S. has had a long experience in the business, in this County, and has a thorough knowledge of all the varieties adapted to this climate. Parties who deal with him, may be assured that all orders will be filled with the variety wanted. He keeps everything to be found in a first-class Nursery, and solicits the patronage of the public. Apply to the proprietor,
E. SNYDER, Highland Kansas,
Or to C. G. BRIDGES, Troy. july 11-tf.

VINEGAR BITTERS
VEGETABLE FREE FROM ALCOHOL
PURELY
DR. WALKER'S CALIFORNIA
EUREKA
VINEGAR BITTERS

J. WALKER, Proprietor. R. H. McDONALD & Co., Druggists and Gen. Ag'ts, San Francisco, Cal., and 32 and 34 Commerce st., N.Y.

MILLIONS Bear Testimony to their Wonderful Curative Effects. They are not a vile **Fancy Drink, made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors** doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true **Medicine,** made from the Native Roots and Herbs of California, free from all **Alcoholic Stimulants.** They are the **GREAT BLOOD PURIFIER, and A LIFE GIVING PRINCIPLE,** a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their bones are not destroyed by mineral poisons or other means, and the vital organs wasted beyond the point of repair.

They are a Gentle Purgative as well as a Tonic, possessing, also, the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and of all the Visceral Organs.

FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these **Bitters** have been most successful. **Such Diseases** are caused by **Vitiated Blood,** which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION, Headache, Pain in the Shoulder, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed or sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

PIN, TAPE, and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed. For full directions, read carefully the circular around each bottle, printed in four languages—English, German, French and Spanish.

Old prejudices are dying out. New facts are killing them. The idea that invalids, weakened by disease, can be relieved by invigorating tonics with destructive drugs, is no longer entertained except by nonentities. Ever since the introduction of DR. WALKER'S VINEGAR BITTERS, it has been obvious that their purifying and invigorating properties are all-sufficient for the cure of chronic infirmities, rheumatism, constipation, kidney, nervous affections and malarian fevers, and they are now the strongest remedy for these complaints in every section of the Union.

DUTY OFF TEAS!

THE GREAT AMERICAN TEA COMPANY

have business connections with all the principal ports of China and Japan, and import their Teas direct from place of growth, thus saving the consumer from 5 to 8 cents profits. It is now about 12 years since the Company was organized—and it has been a splendid success from the very first. This was due to the fact that we imported and sold only

The Best and Purest Goods,

and distributed them to our customers in all parts of the United States, for one small profit only, between the Teagrower and the Tea-consumer. We originated the system of supplying consumers in distant parts of the country with Teas, at New York Cargo Prices, on the Club plan. And since we adopted this plan we have saved the people of this country millions of dollars annually, in the cost of this article of everyday necessity.

Send for Club Circulars, which contain full directions, premiums, &c.

THE GREAT SOUTH AMERICAN
JURUBEBA
BLOOD PURIFIER

It is not a physic which may give temporary relief to the sufferer for the first few doses, but which, from continued use, brings Piles and kindred diseases to aid in weakening the invalid; nor is it a doctored liquor, which, under the popular name of "Bitters," is so extensively palmed off on the public as sovereign remedies; but it is a **most powerful Tonic and Alterative,** pronounced so by the leading medical authorities of London and Paris, and has been long used by the regular physicians of other countries with wonderful remedial results.

DR. WELLS' EXTRACT OF JURUBEBA

retains all the medicinal virtues peculiar to the plant, and must be taken as a permanent curative agent.

Is there want of action in your Liver and Spleen? Unless relieved at once, the blood becomes impure by deleterious secretions, producing scrofulous or skin diseases, Blotches, Felons, Pustules, Canker, Pimples, &c.

Take **Jurubeba** to cleanse, purify and restore the vitiated blood to healthy action.

Have you a Dyspeptic Stomach? Unless digestion is promptly aided, the system is debilitated with loss of vital force, poverty of the Blood, Dropical Tendency, General Weakness or Lassitude.

Take it to assist Digestion without reaction, it will impart youthful vigor to the weary sufferer.

Have you weakness of the Intestines? You are in danger of Chronic Diarrhœa or the dreadful Inflammation of the Bowels.

Take it to allay irritation, and ward off tendency to inflammations.

Have you weakness of the Uterine or Urinary Organs? You must procure instant relief, or you are liable to suffering worse than death.

Take it to strengthen organic weakness, or life becomes a burden.

Finally, it should be frequently taken, to keep the system in perfect health, or you are otherwise in great danger of malarial, miasmatic or contagious diseases.
